MAGELLAN UNIVERSAL SERVICES LIST - Includes Preferred HIPAA Compliant Codes

2. RESIDENTIAL TREATMENT-Residential Treatment is a non-hospital 24-hour level of care typically licensed at a residential intermediate level or an intermediate care facility (ICF). This level of care offers an organized set of services, including diagnostic, medical management and monitoring, and therapeutic services, as well as daily living skill development; require on-site nursing services; provide an individually planned regimen of care.					
2.1 Residential Treatment, Psychiatric. A type of facility that offers 24-hour residential care with medical monitoring and 24-hour RN nursing supervision services, treatment and rehabilitation. This residential level of care primary focus is on short-term stabilization or rehabilitation. May offer residential level of care crisis services.	Revenue code ICD-10 CM code Date of birth Type of bill code	1001 Residential Treatment - Psychiatric	86X Special Facility - Residential Facility	Applicable CPT Codes for Contracts Exclusive of Professional Services H0017 Behavioral health services; short-term residential; hospital, per diem H0018 Behavioral health services; short-term residential; non-hospital, per diem	56 Psychiatric Residential Treatment Facility
2.2 Residential Treatment, Substance Use Disorders, Rehabilitation Treatment. A type of facility that offers 24-hour residential care as well as treatment and rehabilitation. This residential level of care primary focus is on short-term stabilization or rehabilitation. Residential Treatment Centers are high-intensity residential programs designed to address significant substance abuse problems and provide a highly structured recovery environment. Professional and clinical services are designed to support and promote recovery. These services require greater staff training and 24-hour RN nursing supervision and are thus able to address the needs of individuals with severe medical or emotional/behavioral problems.	Revenue code ICD-10 CM code Date of birth Type of bill code	1002 Residential Treatment - Chemical Dependency	86X Special Facility - Residential Facility	Applicable CPT Codes for Contracts Exclusive of Professional Services H0010 Sub-acute detoxification; residential addiction program inpatient H0011 Acute detoxification; residential addiction program inpatient H0017 Behavioral health services; short-term residential; hospital, per diem H0018 Behavioral health services; short-term residential; non-hospital, per diem	55 Residential Substance Abuse Treatment Facility
2.3 Residential Treatment, Eating Disorders. Intensive residential treatment used as a step-down to inpatient care and/or an alternative to inpatient or outpatient care for individuals suffering from and eating disorder. Services include medical monitoring, 24-hour RN nursing supervision, group and nutritional therapies, education, and structured meals.	Revenue code ICD-10 CM code Date of birth Type of bill code	1001 Residential Treatment - Psychiatric	86X Special Facility - Residential Facility	Applicable CPT Codes for Contracts Exclusive of Professional Services H0017 Behavioral health services; short-term residential; hospital, per diem H0018 Behavioral health services; short-term residential; non-hospital, per diem	56 Psychiatric Residential Treatment Center
2.4 Hospital/Facility Based Sub-Acute Care, Psychiatric. Sub-acute care provides a planned regimen of 24-hour professionally directed evaluation, care, and treatment for individuals. Care is delivered by an interdisciplinary team to individuals whose sub-acute biomedical emotional/behavioral problems are sufficiently severe to require 24-hour RN nursing supervision. However, the full resources of an acute care general hospital or medically managed inpatient treatment is not necessary. These programs are designed to be short-term, step-down programs with length of stay ranges from days to weeks. An example of sub-acute care is Psychiatric Sub-acute Care.	Revenue code ICD-10 CM code Date of birth Type of bill code	019X # Days Subacute Care		Applicable CPT Codes for Contracts Exclusive of Professional Services H0017 Behavioral health services; short-term residential; hospital, per diem H0018 Behavioral health services; short-term residential; non-hospital, per diem	
2.5 Hospital/Facility Based Sub-Acute Care, Substance Use Disorders, Rehabilitation Treatment. Sub-acute care provides a planned regimen of 24-hour professionally directed evaluation, care, and treatment for individuals. Care is delivered by an interdisciplinary team to individuals whose substance abuse problems are sufficiently severe to require 24-hour RN nursing supervision. However, the full resources of an acute care general hospital or medically managed inpatient treatment is not necessary. These programs are designed to be short-term, step-down programs with length of stay ranges from days to weeks. Some examples of sub-acute care are Substance Abuse Subacute Detoxification and Substance Abuse Residential Rehabilitation.	Revenue code ICD-10 CM code Date of birth Type of bill code	0190 Subacute Care-General 0191 Subacute Care-Level I		Applicable CPT Codes for Contracts Exclusive of Professional Services H0008 Sub-acute detoxification (hospital inpatient) H0010 Sub-acute detoxification; residential addiction program inpatient	

MAGELLAN UNIVERSAL SERVICES LIST - Includes Preferred HIPAA Compliant Codes

3. PARTIAL HOSPITALIZATION -Essentially the same nature and intensity as inpatient hospitalization (including medical and nursing) except the individual is in the program for less than 24-hours (4-8 hours of programming per day, at least 3 days a week).					
3.1 Partial Hospitalization, Psychiatric. Assists individuals who require structure for a portion of the day. These programs are designed to restore or maintain the functioning of individuals with serious mental and/or substance abuse disorders. Services may include; individual, group, and family therapy, medical and nursing support, medication management, skill development, and expressive and activities therapy.	Revenue code ICD-10 CM code Date of birth Type of bill code	0912 Partial Hospitalization - less intensive 0913 Partial Hospitalization - intensive	13X Hospital - Outpatient 86X Special Facility - Residential Facility	H0035 Mental health partial hospital, treatment, less than 24 hours	
3.2 Partial Hospitalization, Substance Use Disorders, Rehabilitation Treatment. Assists individuals who require structure for a portion of the day. These programs are designed to restore or maintain the functioning of individuals with serious mental and/or substance abuse disorders. Services may include; individual, group, and family therapy, medical and nursing support, medication management, skill development, and expressive and activities therapy.
