DRA Compliance Statement

Section 6032 of the Deficit Reduction Act of 2005 (DRA), effective January 1, 2007, requires all entities that receive $5 million or more in annual Medicaid payments to establish written policies that provide detailed information about the Federal False Claims Act, the administrative remedies for false claims and statements, applicable state laws that provide civil or criminal penalties for making false claims and statements, the “whistleblower” protections afforded under such laws and the role of such laws in preventing and detecting fraud, waste and abuse in federal health care programs. Entities shall establish these written policies for all employees (including management), and for any contractor or agent of the entity.

According to CMS, “an entity includes organizational units (a governmental agency, organization, unit, corporation, partnership, or other business arrangement) and individuals, as long as the organizational unit or individual receives or makes payments totaling at least $5 million annually under a Title XIX State Plan, State Plan waiver, or Title XIX demonstration. It is the responsibility of each entity to establish and disseminate written policies which must also be adopted by its contractors or agents. Written policies may be on paper or in electronic form, but must be readily available to all employees, contractors, or agents. For purposes of determining whether an individual or organization must comply with section 6032 as an entity or as a contractor:

a) if a provider is directly paid $5 million in a Federal fiscal year from the State Medicaid Agency, the provider would qualify as an entity, and must comply as such, regardless of whether the provider also contracts with a Medicaid Managed Care Organization (MCO); or
b) if a provider contracts with a Medicaid MCO that has met the $5 million threshold, but the provider itself receives less than $5 million annually directly from the State Medicaid Agency, then the provider must comply as a contractor of the Medicaid MCO, regardless of the amount it is paid by the Medicaid MCO for Medicaid patients.”

When Magellan is considered the entity under the DRA, Magellan is required to establish and to disseminate these policies to its employees, contractors, agents or other persons who furnish, or otherwise authorize the furnishing of, health care items or services; perform billing or coding functions; or are involved in the monitoring of health care services provided by Magellan. According to CMS, “for purposes of section 6032 compliance, an entity’s contractors and agents, including independent contractors, must abide by the entity’s policies to the extent applicable.”

Failure to comply may disqualify contractors, agents or other persons from receiving reimbursement for the period of non-compliance. Knowing non-compliance may violate the Federal False Claims Act as well as disqualify contractors from participation in federal health care programs.

The Federal government uses the FCA to combat fraud, waste, and abuse in federal programs, contracts, & federal purchases. (B) such person fully cooperated with any Government investigation of such violation; and
(C) at the time such person furnished the United States with the information about the violation, no criminal prosecution, civil action, or administrative action had commenced under this title with respect to such violation, and the person did not have actual knowledge of the existence of an investigation into such violation; the court may assess not less than 2 times the amount of damages which the Government sustains because of the act of the person.

(c) Exemption from disclosure. Any information furnished pursuant to subsection (a)(2) shall be exempt from disclosure under section 552 of title 5.

(d) Exclusion. This section does not apply to claims, records, or statements made under the Internal Revenue Code of 1986 [26 USCS §§ 1 et seq.].

ENFORCEMENT
31 USCS § 3730

(a) Responsibilities of the Attorney General.
The Attorney General diligently shall investigate a violation under section 3729 [31 USCS § 3729]. If the Attorney General finds that a person has violated or is violating section 3729 [31 USCS § 3729], the Attorney General may bring a civil action under this section against the person.

(b) Actions by Private Persons - Whistleblower
1. A person may bring a civil action for a violation of section 3729 [31 USCS § 3729] for the person and for the United States Government. The action shall be brought in the name of the Government. The action may be dismissed only if the court and the Attorney General give written consent to the dismissal and their reasons for consenting.
2. A copy of the complaint and written disclosure of substantially all material evidence and information the person possesses shall be served on the Government pursuant to Rule 4(d)(4) of the Federal Rules of Civil Procedure. The complaint shall be filed in camera, shall remain under seal for at least 60 days, and shall not be served on the defendant until the court so orders. The Government may elect to intervene and proceed with the action within 60 days after it receives both the complaint and the material evidence and information.
3. The Government may, for good cause shown, move the court for extensions of the time during which the complaint remains under seal under paragraph (2). Any such motions may be supported by affidavits or other submissions in camera. The defendant shall not be required to respond to any complaint filed under this section until 20 days after the complaint is unsealed and served upon the defendant pursuant to Rule 4 of the Federal Rules of Civil Procedure.
4. Before the expiration of the 60-day period or any extensions obtained under paragraph (3), the Government shall—
(A) proceed with the action, in which case the action shall be conducted by the Government; or
(B) notify the court that it declines to take over the action, in which case the person bringing the action shall have the right to conduct the action.
5. When a person brings an action under this subsection, no person other than the Government may intervene or bring a related action based on the facts underlying the pending action.

(c) Rights of the Parties to Qui Tam Actions
1. If the Government proceeds with the action, it shall have the primary responsibility for prosecuting the action, and shall not be bound by an act of the person bringing the action. Such person shall have the right to continue as a party to the action, subject to the limitations set forth in paragraph (2).
2. A. The Government may dismiss the action notwithstanding the objections of the person initiating the action if the person has been notified by the Government of the filing of the motion and the court has provided the
person with an opportunity for a hearing on the motion. B. The Government may settle the action with the defendant notwithstanding the objections of the person initiating the action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, such hearing may be held in camera. C. Upon a showing by the Government that unrestricted participation during the course of the litigation by the person initiating the action would interfere with or unduly delay the Government's prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the person's participation, such as—
   (i) limiting the number of witnesses the person may call;
   (ii) limiting the length of the testimony of such witnesses;
   (iii) limiting the person's cross-examination of witnesses; or
   (iv) otherwise limiting the participation by the person in the litigation.
D. Upon a showing by the defendant that unrestricted participation during the course of the litigation by the person initiating the action would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation by the person in the litigation.
3. If the Government elects not to proceed with the action, the person who initiated the action shall have the right to conduct the action. If the Government so requests, it shall be served with copies of all pleadings filed in the action and shall be supplied with copies of all deposition transcripts (at the Government's expense). When a person proceeds with the action, the court, without limiting the status and rights of the person initiating the action, may nevertheless permit the Government to intervene at a later date upon a showing of good cause.
4. Whether or not the Government proceeds with the action, upon a showing by the Government that certain actions of discovery by the person initiating the action would interfere with the Government's investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay such discovery for a period of not more than 60 days. Such a showing shall be conducted in camera. The court may extend the 60-day period upon a further showing in camera that the Government has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.
5. Notwithstanding subsection (b), the Government may elect to pursue its claim through any alternate remedy available to the Government, including any administrative proceeding to determine a civil money penalty. If any such alternate remedy is pursued in another proceeding, the person initiating the action shall have the same rights in such proceeding as such person would have had if the action had continued under this section. Any finding of fact or conclusion of law made in such other proceeding that has become final shall be conclusive on all parties to an action under this section. For purposes of the preceding sentence, a finding or conclusion is final if it has been finally determined on appeal to the appropriate court of the United States, if all time for filing such an appeal with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.

(d) Award to Qui Tam Plaintiff.

1. If the Government proceeds with an action brought by a person under subsection (b), such person shall, subject to the second sentence of this paragraph, receive at least 15 percent but not more than 25 percent of the proceeds of the action or settlement of the case, depending upon the extent to which the person substantially contributed to the prosecution of the action. Where the action is one which the court finds to be based primarily on disclosures of specific information (other than information provided by the person bringing the action) relating to allegations or transactions in a criminal, civil, or administrative hearing, in a congressional, administrative, or Government [General] Accounting Office report, hearing, audit, or investigation, or provided by the news media, the court may award such sums as it considers appropriate, but in no case more than 10 percent of the proceeds, taking into account the significance of the information and the role of the person bringing the action in advancing the case to litigation. Any payment to a person under the first or second sentence of this paragraph shall be made from the proceeds. Any such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.
2. If the Government does not proceed with an action under this section, the person bringing the action or settling the claim shall receive an amount which the court decides is reasonable for collecting the civil penalty and damages. The amount shall be not less than 25 percent and not more than 30 percent of the proceeds of the action or settlement and shall be paid out of such proceeds. Such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.
3. Whether or not the Government proceeds with the action, if the court finds that the action was brought by a person who planned and initiated the violation of section 3729 [31 USCS § 3729] upon which the action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action which the person would otherwise receive under paragraph (1) or (2) of this subsection, taking into account the role of that person in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the person bringing the action is convicted of criminal conduct arising from his or her role in the violation of section 3729 [31 USCS § 3729], that person shall be dismissed from the civil action and shall not receive any share of the proceeds of the action. Such dismissal shall not prejudice the right of the United States to continue the action, represented by the Department of Justice.
4. If the Government does not proceed with the action and the person bringing the action conducts the action, the court may award to the defendant its reasonable attorneys' fees and expenses if the defendant prevails in the action and the court finds that the claim of the person bringing the action was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

(e) Certain Actions Barred.

1. No court shall have jurisdiction over an action brought by a former or present member of the armed forces under subsection (b) of this section against a member of the armed forces arising out of such person's service in the armed forces.
2. (A) No court shall have jurisdiction over an action brought under subsection (b) against a Member of Congress, a member of the judiciary, or a senior executive branch official if the action is based on evidence or information known to the Government when the action was brought.
Updated – February 2020

For purposes of this paragraph, "senior executive branch official" means any officer or employee listed in paragraphs (1) through (8) of section 101(f) of the Ethics in Government Act of 1978 (5 U.S.C. App.).

3. In no event may a person bring an action under subsection (b) which
   is based upon allegations or transactions which are the subject of a civil suit or an administrative civil money penalty proceeding in which the Government is already a party.

4. (A) No court shall have jurisdiction over an action under this section based upon the public disclosure of allegations or transactions in a criminal, civil, or administrative hearing, in a congressional, administrative, or Government [General] Accounting Office report, hearing, audit, or investigation, or from the news media, unless the action is brought by the Attorney General or the person bringing the action is an original source of the information.

(B) For purposes of this paragraph, "original source" means an individual who has direct and independent knowledge of the information on which the allegations are based and has voluntarily provided the information to the Government before filing an action under this section which is based on the information.

6. Government not liable for certain expenses. The Government is not liable for expenses which a person incurs in bringing an action under this section.

7. Fees and expenses to prevailing defendant. In civil actions brought under this section by the United States, the provisions of section 2412(d) of title 28 shall apply.

(b) Relief from Retaliatory Actions.

1. In general. Any employee, contractor, or agent shall be entitled to all relief necessary to make that employee, contractor, or agent whole, if that employee, contractor, or agent is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of employment because of lawful acts done by the employee, contractor, or agent on behalf of the employee, contractor, or agent or associated others in furtherance of other efforts to stop 1 or more violations of this subchapter [31 USCS §§ 3721 et seq.].

2. Relief. Relief under paragraph (1) shall include reinstatement with the same seniority status that employee, contractor, or agent would have had but for the discrimination, 2 times the amount of back pay, interest on the back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorneys’ fees. An action under this subsection may be brought in the appropriate district court of the United States for the relief provided in this subsection.

31 USCS § 3731. False claims procedure

(a) A subpoena [subpoena] requiring the attendance of a witness at a trial or hearing conducted under section 3730 of this subtitle [31 USCS § 3730] may be served at any place within the United States.

(b) A civil action under section 3730 [31 USCS § 3730] may not be brought—

1. more than 6 years after the date on which the violation of section 3729 [31 USCS § 3729] is committed, or

2. more than 3 years after the date when facts material to the right of action are known or reasonably should have been known by the official of the United States charged with responsibility to act in the circumstances, but in no event more than 10 years after the date on which the violation is committed, whichever occurs last.

(c) If the Government elects to intervene and proceed with an action brought under section 3730(b) [31 USCS § 3730(b)], the Government may file its own complaint or amend the complaint of a person who has brought an action under section 3730(b) [31 USCS § 3730(b)] to clarify or add detail to the claims in which the Government is intervening and to add any additional claims with respect to which the Government contends it is entitled to relief. For statute of limitations purposes, any such Government pleading shall relate back to the filing date of the complaint of the person who originally brought the action, to the extent that the claim of the Government arises out of the conduct, transactions, or occurrences set forth, or attempted to be set forth, in the prior complaint of that person.

(d) In any action brought under section 3730 [31 USCS § 3730], the United States shall be required to prove all essential elements of the cause of action, including damages, by a preponderance of the evidence.

(e) Notwithstanding any other provision of law, the Federal Rules of Criminal Procedure, or the Federal Rules of Evidence, a final judgment rendered in favor of the United States in any criminal proceeding charging fraud or false statements, whether upon a verdict after trial or upon a plea of guilty or nolo contendere, shall estop the defendant from denying the essential elements of the offense in any action which involves the same transaction as in the criminal proceeding and which is brought under subsection (a) or (b) of section 3730 [31 USCS § 3730].

31 USCS § 3732. False claims jurisdiction

(a) Actions under section 3730. Any action under section 3730 [31 USCS § 3730] may be brought in any judicial district in which the defendant or, in the case of multiple defendants, any one defendant can be found, resides, transacts business, or in which any act proscribed by section 3729 [31 USCS § 3729] occurred. A summons as required by the Federal Rules of Civil Procedure shall be issued by the appropriate district court and served at any place within or outside the United States.
(b) Claims under State law. The district courts shall have jurisdiction over any action brought under the laws of any State for the recovery of funds paid by a State or local government if the action arises from the same transaction or occurrence as an action brought under section 3730 [31 USCS § 3730].

(c) Service on State or local authorities. With respect to any State or local government that is named as a co-plaintiff with the United States in an action brought under subsection (b), a seal on the action ordered by the court under section 3730(b) [31 USCS § 3730(b)] shall not preclude the Government or the person bringing the action from serving the complaint, any other pleadings, or the written disclosure of substantially all material evidence and information possessed by the person bringing the action on the law enforcement authorities that are authorized under the law of that State or local government to investigate and prosecute such actions on behalf of such governments, except that such seal applies to the law enforcement authorities so served to the same extent as the seal applies to other parties in the action.

31 USCS § 3733. Civil investigative demands

(a) In general.

(C) to give oral testimony concerning such documentary material or information, or
(D) to furnish any combination of such material, answers, or testimony.

The Attorney General may delegate the authority to issue civil investigative demands under this subsection. Whenever a civil investigative demand is an express demand for any product of discovery, the Attorney General, the Deputy Attorney General, or an Assistant Attorney General shall cause to be served, in any manner authorized by this section, a copy of such demand upon the person from whom the discovery was obtained and shall notify the person to whom such demand is issued of the date on which such copy was served. Each advisory opinion issued by the Secretary shall be binding as to the Secretary and the party or parties requesting the opinion.

(B) Application of certain rules. The Secretary shall, to the extent practicable, apply the rules under subsections (b)(3) and (b)(4) and take into account the regulations promulgated under subsection (b)(5) of section 1128D [42 USCS § 1320a-7(d)(b)(5)] in the issuance of advisory opinions under this paragraph.
(C) Regulations. In order to implement this paragraph in a timely manner, the Secretary may promulgate regulations that take effect on an interim basis, after notice and pending opportunity for public comment.

(b) Definitions and special rules. For purposes of this section:

(1) Compensation arrangement; remuneration. (A) The term "compensation arrangement" means any arrangement involving any remuneration between a physician (or an immediate family member of such physician) and an entity other than an arrangement involving only remuneration described in subparagraph (B).

(B) The term "remuneration" includes any remuneration, directly or indirectly, overtly or covertly, in cash or in kind.

(C) Remuneration described in this subparagraph is any remuneration consisting of any of the following:

(i) The forgiveness of amounts owed for inaccurate tests or procedures, mistakenly performed tests or procedures, or the correction of minor billing errors.

(ii) The provision of items, devices, or supplies that are used solely to--

(collect, transport, process, or store specimens for the entity providing the item, device, or supply, or

order or communicate the results of tests or procedures for such entity.

(iii) A payment made by an insurer or a self-insured plan to a physician to satisfy a claim, submitted on a fee for service basis, for the furnishing of health services by that physician to an individual who is covered by a policy with the insurer or by the self-insured plan, if--

(I) the health services are not furnished, and the payment is not made, pursuant to a contract or other arrangement between the insurer or the plan and the physician,

(II) the payment is made to the physician on behalf of the covered individual and would otherwise be made directly to such individual,

(III) the amount of the payment is set in advance, does not exceed fair market value, and is not determined in a manner that takes into account directly or indirectly the volume or value of any referrals, and

(IV) the payment meets such other requirements as the Secretary may impose by regulation as needed to protect against program or patient abuse.

(D) Written requirement clarified. In the case of any requirement pursuant to this section for a compensation arrangement to be in writing, such requirement shall be satisfied by such means as determined by the Secretary, including by a collection of documents, including contemporaneous documents evidencing the course of conduct between the parties involved.

(E) Special rule for signature requirements. In the case of any requirement pursuant to this section for a compensation arrangement to be in writing and signed by the parties, such signature requirement shall be met if--

(i) not later than 90 consecutive calendar days immediately following the date on which the compensation arrangement became noncompliant, the parties obtain the required signatures; and

(ii) the compensation arrangement otherwise complies with all criteria of the applicable exception.

(2) Employee. An individual is considered to be "employed by" or an "employee" of an entity if the individual would be considered to be an employee of the entity under the usual common law rules applicable in determining the employer-employee relationship (as applied for purposes of section 3121(d)(2) of the Internal Revenue Code of 1986 [26 USC § 3121(d)(2)]).

(3) Fair market value. The term "fair market value" means the value in arms length transactions, consistent with the general market value, and, with respect to rentals or leases, the value of rental property for general commercial purposes (not taking into account its intended use) and, in the case of a lease of space, not adjusted to reflect the additional value the prospective lessee or lessor would attribute to the proximity or convenience to the lessor where the lessor is a potential source of patient referrals to the lessee.

(4) Group practice.

(A) Definition of group practice. The term "group practice" means a group of 2 or more physicians legally organized as a partnership, professional corporation, foundation, not-for-profit corporation, faculty practice plan, or similar association--

(i) in which each physician who is a member of the group provides substantially the full range of services which the physician routinely provides, including medical care, consultation, diagnosis, or treatment, through the joint use of shared office space, facilities, equipment, and personnel,

(ii) for which substantially all of the services of the physicians who are members of the group are provided through the group and are billed under a billing number assigned to the group and amounts so received are treated as receipts of the group,

(iii) in which the overhead expenses of and the income from the practice are distributed in accordance with methods previously determined,

(iv) except as provided in subparagraph (B)(i), in which no physician who is a member of the group directly or indirectly receives compensation based on the volume or value of referrals by the physician,

(vi) which meets such other standards as the Secretary may impose by regulation.

(B) Special rules.

(i) Profits and productivity bonuses. A physician in a group practice may be paid a share of overall profits of the group, or a productivity bonus based on services personally performed or services incident to such personally performed services, so long as the share or bonus is not determined in any manner which is directly related to the volume or value of referrals by such physician.

(ii) Faculty practice plans. In the case of a faculty practice plan associated with a hospital, institution of higher education, or medical school with an approved medical residency training program in which physician members may provide a variety of different specialty services and provide professional services both within and outside the group, as well as perform other tasks such as research, subparagraph (A) shall be applied only with respect to the services provided within the faculty practice plan.

(5) Referral; referring physician.

(A) Physicians' services. Except as provided in subparagraph (C), in the case of an item or service for which payment may be made under part B, the request by a physician for the item or service, including the request by a physician for a consultation with another physician (and any test or procedure ordered by, or to be performed by (or under the supervision of) that other physician), constitutes a "referral" by a "referring physician".

Updated – February 2020
(B) Other items. Except as provided in subparagraph (C), the request or establishment of a plan of care by a physician which includes the provision of the designated health service constitutes a "referral" by a "referring physician".

(C) Clarification respecting certain services integral to a consultation by certain specialists. A request by a pathologist for clinical diagnostic laboratory tests and pathological examination services, a request by a radiologist for diagnostic radiology services, and a request by a radiation oncologist for radiation therapy, if such services are furnished by (or under the supervision of) such pathologist, radiologist, or radiation oncologist pursuant to a consultation requested by another physician does not constitute a "referral" by a "referring physician".

(ii) 100 percent increase limitation. The Secretary shall not permit an increase in the number of operating rooms, procedure rooms, and beds for which an applicable hospital is licensed under clause (i) to the extent such increase would result in the number of operating rooms, procedure rooms, and beds for which the applicable hospital is licensed exceeding 200 percent of the baseline number of operating rooms, procedure rooms, and beds of the applicable hospital.

The Patient Protection and Affordable Care Act (PPACA) was signed into law by President Obama on March 23, 2010. Failure to report and repay any overpayment within the timeframe outlined in Section 6402 below may result in a violation of the False Claims Act, civil monetary penalty, or other penalties. In addition, a claim that includes items or services resulting from a violation of the Anti-Kickback Statute now constitutes a false or fraudulent claim under the False Claims Act pursuant to Section 6402(f).

(3) Enforcement. Any overpayment retained by a person after the deadline for reporting and returning the overpayment under paragraph (2) is an obligation (as defined in section 3729(b)(3) of title 31, United States Code) for purposes of section 3729 of such title [31 USCS § 3729].

(4) Definitions. In this subsection:

(ii) Exclusion. Such term does not include a beneficiary.
Section 6402(f) [HEALTH CARE FRAUD — 42 USCS § 1320a-7(h)]
(2) Kickbacks. Liability under subchapter III of chapter 37 of title 31. In addition to the penalties provided for in this section or section 1128A [42 USCS § 1320a-7(a), a claim that includes items or services resulting from a violation of this section constitutes a false or fraudulent claim for purposes of subchapter III of chapter 37 of title 31, United States Code [31 USCS §§ 3721 et seq.].

(a) Notwithstanding AS 09.58.010, a person may bring an action under this section for a violation of AS 09.58.010 in the name of the person and the state.

(b) To bring an action under this section, a person shall file a complaint, in camera and under seal, and serve on the attorney general

(1) a copy of the complaint; and

(2) written disclosure of substantially all material evidence and information the person possesses that pertains to the claim.

(c) A complaint filed under this section must remain under seal for at least 60 days and may not be served on the defendant until the court so orders. The attorney general may elect to intervene and proceed with the action within 60 days after the attorney general receives the complaint, the material evidence, and the information required under (b) of this section. The attorney general may, for good cause shown, move the court, under seal, for an extension of the time during which the complaint remains under seal under this subsection.

(d) Before the expiration of the 60-day period or an extension time granted under (c) of this section, the attorney general shall conduct an investigation and make a written determination as to whether substantial evidence exists that a violation of AS 09.58.010 has occurred. After the investigation and determination are complete, the attorney general shall provide the person who brought the action and the Department of Health and Social Services with a copy of the determination unless the action has been referred to the division of the Department of Law that has responsibility for criminal cases.

(e) Before the expiration of the 60-day period or an extension obtained under (c) of this section, the attorney general shall

(1) intervene in the action and proceed with the action on behalf of the state;

(2) notify the court that the attorney general declines to take over the action, in which case the person bringing the action has the right to conduct the action; or

(3) if the attorney general determines that substantial evidence does not exist that a violation of AS 09.58.010 has occurred, or that the action is barred under AS 09.58.050, the attorney general shall move the court to dismiss the action.

(f) The named defendant in a complaint filed under this section is not required to respond to a complaint filed under this section until after the complaint is unsealed by the court and a copy of the summons and complaint are served on the defendant under the applicable Alaska Rules of Civil Procedure.

(g) When a person brings an action under this section, only the attorney general may intervene or bring a related action based on similar facts to the underlying action.

The court order or settlement agreement shall state the percentage and the amount to be received by the person who brought the action. A payment under this subsection may be paid only from proceeds received from a judgment or settlement under this section.

(b) If the attorney general does not proceed with an action brought under AS 09.58.010, the person bringing the action to judgment or settlement by court order shall receive an amount that the court decides is reasonable for collecting the civil penalty and damages based on the person’s effort to prosecute the action successfully. The amount shall be at least 25 percent but not more than 30 percent of the proceeds of the action or settlement of the claim. A payment under this subsection may be paid only from proceeds received from a judgment or settlement received under this section. Both the employee and the employer must sign this written contract, or this written contract must be set forth in the employment handbook or manual or any similar document distributed to the employee, if that document expresses the intent that it is a contract of employment, or this written contract must be set forth in a writing signed by the party to be charged. Partial performance of employment shall not be deemed sufficient to eliminate the requirements set forth in this paragraph. A.R.S. § 38-532

**TITLE 38. PUBLIC OFFICERS AND EMPLOYEES**

**CHAPTER 3. CONDUCT OF OFFICE**
Disclosure of Information by Public Employees

Prohibited Personnel Practice; Violation; Reinstatement; Exceptions; Civil penalty

A. It is a prohibited personnel practice for an employee who has control over personnel actions to take reprisal against an employee for a disclosure of information of a matter of public concern by the employee to a public body that the employee reasonably believes evidences:

1. A violation of any law.
2. Mismanagement, a gross waste of monies or an abuse of authority.

B. The disclosure by an employee to a public body alleging a violation of law, mismanagement, gross waste of monies or abuse of authority shall be in writing and shall contain the following information:

1. The date of the disclosure.
2. The name of the employee making the disclosure.
3. The nature of the alleged violation of law, mismanagement, gross waste of monies or abuse of authority.
4. If possible, the date or range of dates on which the alleged violation of law, mismanagement, gross waste of monies or abuse of authority occurred.

C. An employee who knowingly commits a prohibited personnel practice shall be ordered by the state personnel board, a community college district governing board, a school district governing board, a city or town personnel board or any other appropriate independent personnel board established or authorized pursuant to section 38-534 to pay a civil penalty of up to five thousand dollars to the state general fund, a county general fund, a community college district unrestricted general fund, a school district maintenance and operation fund or a city or town general fund, whichever is appropriate. The employee who committed the prohibited personnel practice, not the governmental entity, shall pay the civil penalty. On a finding that an employee committed a prohibited personnel practice, the employer shall take appropriate disciplinary action including dismissal, except that on a finding that an employee committed a prohibited personnel practice against an employee who disclosed information that the employee reasonably believed evidenced a violation of any law, the employee who knowingly committed the prohibited personnel practice is subject to a civil penalty of up to ten thousand dollars, the employer shall dismiss the employee and the employee is barred from any future employment by the governmental entity.

D. An employee or former employee against whom a prohibited personnel practice is committed may recover attorney fees, costs, back pay, general and special damages and full reinstatement for any reprisal resulting from the prohibited personnel practice as determined by the court.

E. An employee does not commit a prohibited personnel practice if that employee discloses information in a manner prohibited by law or the materials or information are prescribed as confidential by law.

F. This section may not be used as a defense in a disciplinary action where the employee is being disciplined for cause pursuant to section 41-773, except in a hearing on a complaint brought pursuant to this section by an employee or former employee who believes he has been the subject of a prohibited personnel practice as prescribed in this section as the result of a disclosure of information.

G. On request or at any time an employee alleges reprisal, an employer shall provide an employee who is subject to disciplinary or corrective action, suspension, demotion or dismissal with a copy of this section.

H. If an employee or former employee believes that a personnel action taken against him is the result of his disclosure of information under this section, he may make a complaint to an appropriate independent personnel board, if one is established or authorized pursuant to section 38-534, or to a community college district governing board, school district governing board or city or town council. If an independent personnel board has not been established or authorized, or if a school district governing board, a community college district governing board or a city or town council does not hear and decide personnel matters brought pursuant to this section, the employee or former employee may make a complaint to the state personnel board. A complaint made pursuant to this subsection shall be made within ten days of the effective date of the action taken against him. The state personnel board, a school district governing board, a community college district governing board, a city or town council or any other appropriate independent personnel board shall, pursuant to the rules governing appeals under section 41-780, make a determination concerning:

1. The validity of the complaint.
2. Whether a prohibited personnel practice was committed against the employee or former employee as a result of disclosure of information by the employee or former employee.
I. If the state personnel board, a community college district governing board, a school district governing board, a city or town council or any other appropriate independent personnel board established or authorized pursuant to Ark. Stat. § 38-534 determines that a prohibited personnel practice was committed as a result of disclosure of information by the employee or former employee, it shall rescind the personnel action and order that all lost pay and benefits be returned to the employee or former employee. The employee, former employee, employee alleged to have committed a prohibited personnel practice pursuant to subsection A of this section or employer may appeal the decision of the state personnel board, a community college district governing board, a school district governing board, a city or town council or any other appropriate independent personnel board established or authorized pursuant to Ark. Stat. § 38-534 to the superior court as provided in title 12, chapter 7, article 6.

J. For purposes of a hearing by the state personnel board, a school district governing board, a community college district governing board, a city or town council or any other appropriate independent personnel board conducted under this section, the employee, former employee, employee alleged to have committed the prohibited personnel practice pursuant to subsection A of this section and employer may be represented by counsel. In addition, representation by counsel in such hearings shall meet any other requirements stipulated by the state personnel board, a school district governing board, a community college district governing board, a city or town council or any other appropriate independent personnel board or as required by law.

K. An employee or former employee may also seek injunctive relief as is otherwise available in civil actions. A court may award reasonable attorney fees to an employee or former employee who prevails in an action pursuant to this section, but the award of attorney fees shall not exceed ten thousand dollars.

L. This section shall not be construed to limit or extend the civil or criminal liability of an employee or former employee for any disclosure of information or to limit an employee's right to a separate pretermination hearing with the employee's employer, as provided by law.

M. An employee who knowingly makes a false accusation that a public officer or employee who has control over personnel actions has engaged in a violation of any law, mismanagement, a gross waste of monies or an abuse of authority is personally subject to a civil penalty of up to twenty-five thousand dollars and dismissal from employment by the employer.

#### (6) State not liable for certain expenses.

The state is not liable for expenses that a relator incurs in bringing an action under this section.

#### C.R.S. 25.5-4-307 - False Medicaid claims procedures - statute of limitations

1. A civil action under section 25.5-4-306 (1) or (2) may not be brought after the later of:
   1. More than six years after the date on which the violation of section 25.5-4-305 is committed; or
   2. More than three years after the date when facts material to the right of action are known or reasonably should have been known by the official of the state charged with responsibility to act in the circumstances, but in no event more than ten years after the date on which the violation of section 25.5-4-305 is committed.

2. If the state elects to intervene and proceed with an action brought under section 25.5-4-306, the state may file its own complaint or amend the relator's complaint to clarify or add detail to the claims in which the state is intervening and to add any additional claims with respect to which the state contends it is entitled to relief. For statute of limitations purposes, any such pleadings by the state shall relate back to the filing date of the relator's complaint, to the extent that the state's claim arises out of the conduct, transactions, or occurrences set forth, or attempted to be set forth, in the prior complaint of the relator.

3. In an action brought under section 25.5-4-306, the state or relator must prove all essential elements of the cause of action, including damages, by a preponderance of the evidence.

4. Notwithstanding any other provision of law, the Colorado rules of criminal procedure, or the Colorado rules of evidence, a final judgment rendered in favor of the state in a criminal proceeding charging fraud or false statements, whether upon a verdict after trial or upon a plea of guilty or nolo contendere, shall estop the defendant from denying the essential elements of the offense in any action that involves the same transaction as in the criminal proceeding and that is brought under section 25.5-4-306.

5. A private action for retaliation under section 25.5-4-306 (7) may not be brought more than three years after the date when the retaliation occurred.

### C.R.S. 25.5-4-308 - False Medicaid claims jurisdiction

An action under section 25.5-4-306 may be brought in any judicial district in which the defendant or, in the case of multiple defendants, any one defendant can be found, resides, or transacts business or in which an act proscribed by section 25.5-4-305 occurred. A summons as required by the Colorado rules of civil procedure shall be issued by the appropriate district court and served at any place.

### C.R.S. 25.5-4-309 - False Medicaid claims civil investigation demands

1. General. (a) (1) Whenever the attorney general has reason to believe that a person may be in possession, custody, or control of documentary material or information relevant to a false Medicaid claims law investigation, the attorney general may, before commencing a civil proceeding under section 25.5-4-306 or other false Medicaid claims law or making an election under section 25.5-4-306 (2) (d), issue in writing and cause to be served upon the person a civil investigative demand requiring the person to:

(A) Produce the documentary material for inspection and copying;

(B) Answer in writing written interrogatories with respect to the documentary material or information;

(C) Give oral testimony concerning the documentary material or information; or

(D) Furnish any combination of such material, answers, or testimony;

(I) The attorney general may not delegate the authority to issue civil investigative demands under this subsection (I). Whenever a civil investigative demand is an express demand for any product of discovery, the attorney general, the deputy attorney general, or an assistant attorney general shall cause to be served, in any manner authorized by this section, a copy of the demand upon the person from whom the discovery was obtained and shall notify the person to whom the demand is issued of the date on which the copy was served.

(b) (I) Each civil investigative demand issued under this subsection (I) shall state the nature of the conduct constituting the alleged violation of a false medicaid claims law that is under investigation and the applicable provision of law alleged to be violated.

(II) If the demand is for the production of documentary material, the demand shall:

(A) Describe each class of documentary material to be produced with such definiteness and certainty as to permit the material to be fairly identified;

(B) Prescribe a return date for each such class that will provide a reasonable period of time within which the material so demanded may be assembled and made available for inspection and copying;

(C) Identify the false medicaid claims law investigator to whom the material shall be made available.

(III) If the demand is for answers to written interrogatories, the demand shall:

(A) Specify the written interrogatories to be answered;

(B) Prescribe dates on which answers to written interrogatories shall be submitted; and

(C) Identify the false medicaid claims law investigator to whom the answers shall be submitted.

(IV) If the demand is for the giving of oral testimony, the demand shall:

(A) Prescribe a date, time, and place at which oral testimony shall be commenced and notify the deponent if the oral testimony is to be video or audio recorded;

(B) Identify a false medicaid claims law investigator who shall conduct the examination and the custodian to whom the transcript of the examination shall be submitted;

(C) Specify that such attendance and testimony are necessary to the conduct of the investigation;

(D) Notify the person receiving the demand of the right to be accompanied by an attorney and any other representative; and

(E) Describe the general purpose for which the demand is being issued and the general nature of the testimony, including the primary areas of inquiry, that will be taken pursuant to the demand.

(V) A civil investigative demand issued under this section that is an express demand for any product of discovery shall not be returned or returnable until twenty days after a copy of the demand has been served upon the person from whom the discovery was obtained.
(VI) The date prescribed for the commencement of oral testimony pursuant to a civil investigative demand issued under this section shall be a date that is not less than seven days after the date on which the demand is received, unless the attorney general or an assistant attorney general designated by the attorney general determines that exceptional circumstances are present that warrant the commencement of the testimony within a lesser period of time.

(VII) The attorney general shall not authorize the issuance under this section of more than one civil investigative demand for oral testimony by the same person unless the person requests otherwise or unless the attorney general, after investigation, notifies that person in writing that an additional demand for oral testimony is necessary. Notwithstanding section 24-31-103, C.R.S., the attorney general shall not authorize the performance, by any other officer, employee, or agency, of any function vested in the attorney general under this subparagraph (VII).

(2) Protected material or information. (a) A civil investigative demand issued under subsection (1) of this section shall not require the production of documentary material, the submission of answers to written interrogatories, or the giving of oral testimony if the material, answers, or testimony would be protected from disclosure under:

(I) The standards applicable to subpoenas or subpoenas duces tecum issued by a court of this state to aid in a grand jury investigation; or

(II) The standards applicable to discovery requests under the Colorado rules of civil procedure, to the extent that the application of the standards to any such demand is appropriate and consistent with the provisions and purposes of this section.

(b) A demand that is an express demand for a product of discovery supersedes any inconsistent order, rule, or provision of law, other than this section, preventing or restraining disclosure of the product of discovery to a person. Disclosure of a product of discovery pursuant to an express demand does not constitute a waiver of any right or privilege that the person making the disclosure may be entitled to invoke to resist discovery of trial preparation materials.

(3) Service and jurisdiction. (a) A civil investigative demand issued under subsection (1) of this section or a petition brought pursuant to subsection (10) of this section may be served by a false Medicaid claims law investigator, a sheriff, or a deputy sheriff at any place within the state.

(b) A civil investigative demand issued under subsection (1) of this section or a petition filed under subsection (10) of this section may be served upon a person who is not found within the state in the manner prescribed by the Colorado rules of civil procedure for service in another state or a foreign country. To the extent that the courts of this state can assert jurisdiction over any such person consistent with due process, the district court for the city and county of Denver shall have the same jurisdiction to take an action respecting compliance with this section by any such person that the court would have if the person were personally within the jurisdiction of the court.

(4) Service on legal entities and natural persons. (a) Service of a civil investigative demand issued under subsection (1) of this section or of a petition filed under subsection (10) of this section may be made upon a partnership, corporation, association, or other legal entity by:

(I) Delivering an executed copy of the demand or petition to a partner, executive officer, managing agent, or general agent of the partnership, corporation, association, or entity, or to an agent authorized by appointment or by law to receive service of process on behalf of the partnership, corporation, association, or entity;

(II) Delivering an executed copy of the demand or petition to the principal office or place of business of the partnership, corporation, association, or entity; or

(I) Delivering an executed copy of the demand or petition to the person; or

(5) Proof of service. A verified return by the individual serving a civil investigative demand issued under subsection (1) of this section or a petition filed under subsection (10) of this section setting forth the manner of the service shall be proof of the service. In the case of service by registered or certified mail, the return shall be accompanied by the return post office receipt of delivery of the demand.

(6) Documentary material. (a) The production of documentary material in response to a civil investigative demand issued under subsection (1) of this section shall be made under a sworn certificate, in the form as the demand designates, by:

(A) In the case of a natural person, the person to whom the demand is directed; or

(B) In the case of a person other than a natural person, a person having knowledge of the facts and circumstances relating to the production and authorized to act on behalf of the person.

(b) A person upon whom a civil investigative demand for the production of documentary material has been served under this section shall make the material available for inspection and copying to the false Medicaid claims law investigator identified in the demand. The material shall be made available in writing or as the court may direct under subsection (10) of this section. The material shall be made so available on the return date specified in the demand, or on such later date as the false Medicaid claims law investigator may prescribe in writing. The person may, upon written agreement between the person and the false Medicaid claims law investigator, substitute copies for originals of all or any part of the material.

(7) Interrogatories. (a) Each interrogatory in a civil investigative demand issued under subsection (1) of this section shall be answered separately and fully in writing under oath and shall be submitted under a sworn certificate, in the form the demand designates, by:

(I) In the case of a natural person, the person to whom the demand is directed; or

(II) In the case of a person other than a natural person, the person or persons responsible for answering each interrogatory.

(b) If an interrogatory is objected to, the reasons for the objection shall be stated in the certificate instead of an answer. The certificate shall state that all information required by the demand and in the possession, custody, control, or knowledge of the person to whom the demand is directed has been submitted. To the extent that any information is not furnished, the information shall be identified and reasons set forth with particularity regarding the reasons why the information was not furnished.

(8) Oral examinations. (a) The examination of a person pursuant to a civil investigative demand for oral testimony issued under subsection (1) of this section shall be taken before an officer authorized to administer oaths and affirmations by the laws of the United States, the state of Colorado, or the place where the examination is held. The officer before whom the testimony is to be taken shall put the witness on oath or affirmation and shall, personally or with the assistance of someone acting under the direction of the officer and in the officer's presence, record the testimony of the witness. The testimony shall be taken stenographically and shall be transcribed. When the testimony is fully transcribed, the officer before whom the testimony is taken shall promptly transmit a copy of the transcript of the testimony to the custodian. This subsection (8) shall not preclude the taking of testimony by any means authorized by, and in a manner consistent with, the Colorado rules of civil procedure.

(b) The false Medicaid claims law investigator conducting the examination shall exclude from the place where the examination is held all persons except the person giving the testimony, the attorney for and any other representative of the person giving the testimony, the attorney for the state, any person who may be agreed upon by the attorney for the state and the person giving the testimony, the officer before whom the testimony is to be taken, and the stenographer who is recording the testimony.

(c) The oral testimony of a person taken pursuant to a civil investigative demand served under this section shall be taken in the judicial district of the state within which the person resides, is found, or transacts business, or in another place as may be agreed upon by the false Medicaid claims law investigator conducting the examination and the person.

(d) When the testimony is fully transcribed, the false Medicaid claims law investigator or the officer before whom the testimony is taken shall afford the witness, who may be accompanied by counsel, a reasonable
opportunity to examine and read the transcript, unless the witness waives the examination and reading. Any changes in form or substance that the witness desires to make shall be entered and identified upon the transcript by the officer or the false medicaid claims law investigator, with a statement of the reasons given by the witness for making the changes. The transcript shall then be signed by the witness, unless the witness in writing waives the signing, is ill, cannot be found, or refuses to sign. If the witness does not sign the transcript within thirty days after being afforded a reasonable opportunity to examine it, the officer or the false medicaid claims law investigator shall sign it and state on the record the fact of the waiver, illness, absence of the witness, or refusal to sign, together with the reasons, if any, given therefor.

(c) The officer before whom the testimony is taken shall certify on the transcript that the witness was sworn by the officer and that the transcript is a true record of the testimony given by the witness, and the officer or false medicaid claims law investigator shall promptly deliver the transcript, or send the transcript by registered or certified mail, to the custodian.

(f) Upon payment of reasonable charges therefor, the false medicaid claims law investigator shall furnish a copy of the transcript to the witness only; except that the attorney general, the deputy attorney general, or an assistant attorney general may, for good cause, limit the witness to inspection of the official transcript of the testimony of the witness.

(g) (I) A person compelled to appear for oral testimony under a civil investigative demand issued under subsection (1) of this section may be accompanied, represented, and advised by counsel. Counsel may advise the person, in confidence, with respect to any question asked of the person. The person or counsel may object on the record to the question in any, in whole or in part, and shall briefly state for the record the reason for the objection. An objection may be made, received, and entered upon the record when it is claimed that the person is entitled to refuse to answer the question on the grounds of any constitutional or other legal right or privilege, including the privilege against self-incrimination. The person may not otherwise object to or refuse to answer any question and may not directly or through counsel otherwise interrupt the oral examination. If the person refuses to answer a question, the false medicaid claims law investigator may file a petition in a district court under paragraph (a) of subsection (10) of this section for an order compelling the person to answer the question.

(II) If the person refuses to answer a question on the grounds of the privilege against self-incrimination, the false medicaid claims law investigator may compel the testimony of the person in accordance with the provisions of section 13.90.118, C.R.S.

(III) A person appearing for oral testimony under a civil investigative demand issued under subsection (1) of this section shall be entitled to the same fees and allowances that are paid to witnesses in the district courts of this state.

(9) Custodian of documents, answers, and transcripts. (a) The attorney general shall designate a false medicaid claims law investigator to serve as custodian of documentary material, answers to interrogatories, and transcripts of oral testimony received under this section and shall designate such additional false medicaid claims law investigators as the attorney general determines from time to time to be necessary to serve as deputies to the custodian.

(b) (I) A false medicaid claims law investigator who receives any documentary material, answers to interrogatories, or transcripts of oral testimony under this section shall transmit them to the custodian. The custodian shall take physical possession of the material, answers, or transcripts and shall be responsible for the use made of them and for the return of documentary material under paragraph (d) of this subsection (9).

(II) The custodian may cause the preparation of copies of the documentary material, answers to interrogatories, or transcripts of oral testimony as may be required for official use by a false medicaid claims law investigator or other officer or employee of the department of law who is authorized for such use under regulations that the attorney general shall issue. The material, answers, and transcripts may be used by any such authorized false medicaid claims law investigator or other officer or employee in connection with the taking of oral testimony under this section.

(III) (A) Except as otherwise provided in this subsection (9), documentary material, answers to interrogatories, or transcripts of oral testimony, or copies thereof, while in the possession of the custodian, shall not be available for examination by an individual other than a false medicaid claims law investigator or other officer or employee of the department of law authorized under subparagraph (II) of this paragraph (b).

(B) Sub-subparagraph (A) of this subparagraph (III) shall not apply if consent is given by the person who produced the material, answers, or transcripts or, in the case of any product of discovery produced pursuant to an express demand for the material, if consent is given by the person from whom the discovery was obtained.

(C) Nothing in this subparagraph (III) is intended to prevent disclosure to the general assembly, including any committee of the general assembly, or to any other agency of the state for use by the agency in furtherance of its statutory responsibilities. Disclosure of information to any such other agency shall be allowed only upon application, made by the attorney general to a district court, showing substantial need for the use of the information by the agency in furtherance of its statutory responsibilities.

(B) Transcripts of oral testimony shall be available for examination by the person who produced the testimony or by a representative of that person authorized by that person to examine the transcripts.

c) Whenever an attorney of the department of law has been designated to appear before a court, grand jury, or state agency in a case or proceeding, the custodian of any documentary material, answers to interrogatories, or transcripts of oral testimony received under this section may deliver to the attorney such material, answers, or transcripts for official use in connection with the case or proceeding as the attorney determines to be required. Upon the completion of the case or proceeding, the attorney shall return to the custodian the material, answers, or transcripts so delivered that are not in the control of the court, grand jury, or agency through introduction into the record of the case or proceeding.

d) The custodian shall, upon written request of a person who produced any documentary material in the course of any false Medicaid claims law investigation pursuant to a civil investigative demand under this section, return to the person any such material, other than copies furnished to the false Medicaid claims law investigator under paragraph (b) of subsection (6) of this section or made for the department of law under subparagraph (II) of paragraph (b) of this subsection (9), that is not in the control of a court, grand jury, or agency through introduction into the record of the case or proceeding, if:

(I) A case or proceeding before a court or grand jury arising out of the investigation or any proceeding before a state agency involving the material has been completed; or

(II) A case or proceeding in which the material may be used has not been commenced within a reasonable time after completion of the examination and analysis of all documentary material and other information assembled in the course of the investigation.

e) (I) In the event of the death, disability, or separation from service in the department of law of the custodian of any documentary material, answers to interrogatories, or transcripts of oral testimony produced pursuant to a civil investigative demand under this section, or in the event of the official relief of the custodian from responsibility for the custody and control of the material, answers, or transcripts, the attorney general shall promptly:

(A) Designate another false Medicaid claims law investigator to serve as custodian of the material, answers, or transcripts; and

(B) Transmit in writing to the person who produced the material, answers, or testimony notice of the identity and address of the successor so designated.

(II) A person who is designated to be a successor under this paragraph (e) shall have, with regard to the material, answers, or transcripts, the same duties and responsibilities as were imposed by this section upon that person's predecessor in office; except that the successor shall not be held responsible for any default or dereliction that occurred before that designation.

(10) Judicial proceedings. (a) Whenever a person fails to comply with a civil investigative demand issued under subsection (1) of this section, or whenever satisfactory copying or reproduction of the material requested in a demand cannot be done and the person refuses to surrender the material, the attorney general may file, in a district court for the judicial district in which the person resides, is found, or transacts business, and serve upon the person a petition for an order of the court for the enforcement of the civil investigative demand.

(b) (I) A person who has received a civil investigative demand issued under subsection (1) of this section may file a petition for an order of the court to modify or set aside the demand. The person shall file the petition in a district court for the judicial district in which the discovery was obtained is or was last pending. The person shall file a petition under this subparagraph (I):

(A) Within twenty days after the date of service of the civil investigative demand or at any time before the return date specified in the demand, whichever date is earlier; or

(B) Within such longer period as may be prescribed in writing by a false Medicaid claims law investigator identified in the demand.
(II) The petition shall specify each ground upon which the petitioner relies in seeking relief under subparagraph (I) of this paragraph (b) and may be based upon any failure of the demand to comply with the provisions of this section or upon any constitutional or other legal right or privilege of the person. During the pendency of the petition in the court, the court may stay, as it deems proper, the running of the time allowed for compliance with the demand, in whole or in part; except that the person filing the petition shall comply with any portions of the demand not sought to be modified or set aside.

(c) (I) In the case of a civil investigative demand issued under subsection (1) of this section that is an express demand for a product of discovery, the person from whom the discovery was obtained may file a petition for an order of the court to modify or set aside those portions of the demand requiring production of any product of discovery. The person shall file the petition in the district court for the judicial district in which the proceeding in which the discovery was obtained is or was last pending and shall serve a copy of the petition upon the false Medicaid claims law investigator identified in the demand and upon the recipient of the demand. The person shall file a petition under this subparagraph (I):

(A) Within twenty days after the date of service of the civil investigative demand or at any time before the return date specified in the demand, whichever date is earlier; or

(B) Within such longer period as may be prescribed in writing by the false Medicaid claims law investigator identified in the demand.

(II) The petition shall specify each ground upon which the petitioner relies in seeking relief under subparagraph (I) of this paragraph (c), and may be based upon any failure of the portions of the demand from which relief is sought to comply with the provisions of this section or upon any constitutional or other legal right or privilege of the petitioner. During the pendency of the petition, the court may stay, as it deems proper, the running of the time allowed for compliance with the demand.

(d) At any time during which a custodian is in custody or control of any documentary material or answers to interrogatories produced, or transcripts of oral testimony given, by a person in compliance with a civil investigative demand issued under subsection (1) of this section, the person, and in the case of an express demand for any product of discovery, the person from whom the discovery was obtained, may file a petition for an order of the court to require the performance by the custodian of any duty imposed upon the custodian by this section. The person shall file the petition in the district court for the judicial district within which the office of the custodian is situated and shall serve a copy of the petition upon the custodian.

(e) Whenever a petition is filed in a district court under this subsection (10), the court shall have jurisdiction to hear and determine the matter so presented and to enter such order or orders as may be required to carry out the provisions of this section. A final order so entered shall be subject to appeal under section 13-4-102, C.R.S. Any disobedience of a final order entered by a court under this section shall be punished as a contempt of the court.

(f) The Colorado rules of civil procedure shall apply to a petition under this subsection (10) to the extent that the rules are consistent with the provisions of this section.

Upon the conclusion of the investigation, the Attorney General shall where necessary, report any findings to the Governor, or in matters involving criminal activity, to the Chief State's Attorney. In addition to the exempt records provision of *section 4-276*, the Auditors of Public Accounts and the Attorney General shall not, after receipt of any information from a person under the provisions of this section or *section 4-276*, disclose the identity...

(2) (A) Not later than ninety days after learning of the specific incident giving rise to a claim that a personnel action has been threatened or has occurred in violation of subdivision (1) of this subsection, a state or quasi-public agency employee, an employee of a large state contractor or the employee's attorney may file a complaint against the state agency, quasi-public agency, large state contractor or appointing authority concerning such personnel action with the Chief Human Rights Referee designated under section 46a-57. If such agency or quasi-public agency fails to produce such witness, books, papers or documents, not later than thirty days after such order, the human rights referee may order a state agency or quasi-public agency to test

(B) The Chief Human Rights Referee shall adopt regulations, in accordance with the provisions of chapter 54, establishing the procedure for filing complaints and noticing and conducting hearings under subparagraph (A) of this subdivision.

(3) As an alternative to the provisions of subdivision (2) of this subsection: (A) A state or quasi-public agency employee who alleges that a personnel action has been threatened or taken may file an appeal not later than ninety days after learning of the specific incident giving rise to such claim with the Employees' Review Board under section 46a-202 or, in the case of a state or quasi-public agency employee covered by a collective bargaining contract, in accordance with the procedure provided by such contract; (B) an employee of a large state contractor alleging that such action has been threatened or taken may, after exhausting all available administrative remedies, bring a civil action in accordance with the provisions of section 31-51m.

(4) In any proceeding under subdivision (2) or (3) of this subsection concerning a personnel action taken or threatened against any state or quasi-public agency employee or any employee of a large state contractor, which personnel action occurs not later than two years after the employee first transmits facts and information concerning a matter under subdivision (a) of this section or discloses information under subdivision (1) of this subsection to the Auditors of Public Accounts, the Attorney General or an employee of a state agency or quasi-public agency, as applicable, there shall be a rebuttable presumption that the personnel action is in retaliation for the action taken by the employee under subsection (a) of this section or subdivision (1) of this subsection.

(5) If a state officer or employee, as defined in section 4-141, a quasi-public agency officer or employee, an officer or employee of a large state contractor or an appointing authority takes or threatens to take any action to impede, fail to renew or cancel a contract between a state agency and a large state contractor, or between a large state contractor and its subcontractor, in retaliation for the disclosure of information pursuant to subsection (a) of this section or subdivision (1) of this subsection, such affected agency, contractor or subcontractor may, not later than ninety days after learning of such action, threaten or fail to renew, bring a civil action in the superior court for the judicial district of Hartford to recover damages, attorney's fees and costs.

In the case of a state or quasi-public agency employee, such action shall be subject to appeal to the Employees' Review Board in accordance with section 46a-203, or in the case of state or quasi-public agency employees included in collective bargaining contracts, the procedure provided by such contracts.

(g) On or before September first, annually, the Auditors of Public Accounts shall submit, in accordance with the provisions of section 11-4a, to the clerk of each house of the General Assembly a report indicating the number of matters for which facts and information were transmitted to the auditors pursuant to this section during the preceding state fiscal year and the disposition of each such matter.
(h) Each contract between a state or quasi-public agency and a large state contractor shall provide that, if an officer, employee or appointing authority of a large state contractor takes or threatens to take any personnel action against any employee of the contractor in retaliation for such employee's disclosure of information to any employee of the contracting state or quasi-public agency or the Auditors of Public Accounts or the Attorney General under the provisions of subsection (a) or subdivision (I) of subsection (c) of this section, the contractor shall be liable for a civil penalty of not more than five thousand dollars for each offense, up to a maximum of twenty per cent of the value of the contract. Each violation shall be a separate and distinct offense and in the case of a continuing violation each calendar day's continuance of the violation shall be deemed to be a separate and distinct offense. The executive head of the state or quasi-public agency may request the Attorney General to bring a civil action in the superior court for the judicial district of Hartford to seek imposition and recovery of such civil penalty.

(i) Each state agency or quasi-public agency shall post a notice of the provisions of this section relating to state employees and quasi-public agency employees in a conspicuous place that is readily available for viewing by employees of such agency or quasi-public agency. Each large state contractor shall post a notice of the provisions of this section relating to large state contractors in a conspicuous place which is readily available for viewing by the employees of the contractor.

(2) (A) Not later than ninety days after learning of the specific incident giving rise to a claim that a personnel action has been threatened or has occurred in violation of subdivision (1) of this subsection, an employee of a state shellfish grounds lessee or the employee's attorney may file a complaint against the state shellfish grounds lessee concerning such personnel action with the Chief Human Rights Referee designated under section 46a-57. Such complaint may be amended if an additional incident giving rise to a claim under this subdivision occurs subsequent to the filing of the original complaint. The Chief Human Rights Referee shall assign the complaint to a human rights referee appointed under section 46a-57, who shall conduct a hearing and issue a decision concerning whether the officer or employee taking or threatening to take the personnel action violated any provision of this subsection. The human rights referee may order a state shellfish grounds lessee to produce (i) an employee of such lessee to testify as a witness in any proceeding under this subdivision or (ii) books, papers or other documents relevant to the complaint, without issuing a subpoena. If such state shellfish grounds lessee fails to produce such witness, books, papers or documents, not later than thirty days after such order, the human rights referee may consider such failure as supporting evidence for the complaint. If, after the hearing, the human rights referee finds a violation, the referee may award the aggrieved employee reinstatement to his or her former position, back pay and reestablishment of any employee benefits for which the employee would otherwise have been eligible if such violation had not occurred, reasonable attorneys' fees and any other damages. For the purposes of this subsection, such human rights referee shall act as an independent hearing officer. The decision of a human rights referee under this subsection may be appealed by any person who was a party at such hearing, in accordance with the provisions of section 4-183.

(B) The Chief Human Rights Referee shall adopt regulations, in accordance with the provisions of chapter 54, establishing the procedure for filing complaints and noticing and conducting hearings under subparagraph (A) of this subdivision.

(3) As an alternative to the provisions of subdivision (2) of this subsection, an employee of a state shellfish grounds lessee who alleges that a personnel action has been threatened or taken may, after exhausting all available administrative remedies, bring a civil action in accordance with the provisions of subsection (c) of section 31-31w.

(4) In any proceeding under subdivision (2) or (3) of this subsection concerning a personnel action taken or threatened against any employee of a state shellfish grounds lessee, which personnel action occurs not later than two years after the employee first transmits facts and information to an employee of the leasing agency concerning the state shellfish grounds lease, there shall be a rebuttable presumption that the personnel action is in retaliation for the action taken by the employee under subdivision (1) of this subsection.

Qui Tam Actions & Remedies

Del. Code Ann. tit. 6 § 1203 (Commerce and Trade)

§ 1203. Civil actions for false claims
(a) Responsibilities of the Attorney General. -- The Attorney General shall diligently investigate suspected violations under this chapter. If the Attorney General finds that a person has violated or is violating the provisions of this chapter, the Attorney General may bring a civil action under this section against the person.

(b) Private actions.

(1) A private civil action may be brought by any person or labor organization as defined by § 1107A(d) of Title 19 (hereinafter "private party" or "party") for a violation of this chapter on behalf of the party bringing suit and for the government. The action shall be brought in the name of the government. The action may be dismissed only if the court and the Department of Justice give written consent to the dismissal and their reasons for consenting.

(2) A copy of the complaint and written disclosure of substantially all material evidence and information the private party possesses shall be served on the Department of Justice pursuant to Rules 4 and 5 of the Superior Court Civil Rules. The complaint shall be filed in camera and shall remain under seal for at least 60 days. The complaint shall not be served on the defendant until the expiration of 60 days or any extension approved under paragraph (b)(3) of this section. Within 60 days after receiving a copy of the complaint, the Department of Justice shall conduct an investigation of the factual allegations and legal contentions made in the complaint. The Department of Justice may elect to intervene and proceed with the action within 60 days after it receives the complaint, the material evidence and information.

(3) The Department of Justice may, for good cause shown, move the court for extensions of the time during which the complaint remains under seal under paragraph (b)(2) of this section. Any such motion may be supported by affidavits or other submissions in camera. The defendant shall not be required to respond to any complaint filed under this section until 20 days after the complaint is unsealed and served upon the defendant pursuant to Rule 4 of the Superior Court Civil Rules.

Section 1205. Award to Qui Tam plaintiff.

(a) If the Department of Justice proceeds with an action brought by a party under § 1203(b) of this title, such party shall, subject to the second sentence of this subsection, receive at least 15 percent but not more than 25 percent of the proceeds of the action or settlement of the claim, depending upon the extent to which the party substantially contributed to the prosecution of the action. Where the action is one which the court finds to be based primarily on disclosures of specific information (other than information provided by the party bringing the action) relating to allegations or transactions in a criminal, civil or administrative hearing, or from the news media, the court may award such sums as it considers appropriate, but in no case more than 10 percent of the proceeds, taking into account the significance of the information and the role of the party bringing the action in advancing the case to litigation. Any payment to a party under the first or second sentence of this paragraph shall be made from the proceeds. Any such party shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. In determining the amount of reasonable attorneys' fees and costs, the court shall consider, without limitation, whether such fees and costs were necessary to the prosecution of the action, were incurred for activities which were duplicative of the activities of the Department of Justice in prosecuting the case, or were repetitious, irrelevant or for purposes of harassment, or caused the defendant undue burden or unnecessary expense. All such expenses, fees and costs shall be awarded against the defendant.

(b) If the Department of Justice does not proceed with an action under this chapter, the party bringing the action or settling the claim shall receive an amount which the court decides is reasonable for collecting the civil penalty and damages. The amount shall be not less than 25 percent and not more than 30 percent of the proceeds of the action or settlement and shall be paid out of such proceeds. Such party shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. In determining the amount of reasonable attorneys' fees and costs, the court shall consider, without limitation, whether such fees and costs were necessary to the prosecution of the action, were incurred for activities which were duplicative of the activities of the Department of Justice in prosecuting the case, or were repetitious, irrelevant or for purposes of harassment, or caused the defendant undue burden or unnecessary expense. All such expenses, fees, and costs shall be awarded against the defendant.

(c) Whether or not the Department of Justice proceeds with the action, if the court finds that the action was brought by a party who planned and initiated the violation upon which the action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action which the party would otherwise receive under subsection (a) or (b) of this section, taking into account the role of that party in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the party bringing the action is convicted of criminal conduct arising from that party's own role in the violation of this chapter, that party shall be dismissed from the civil action and shall not receive any share of the proceeds of the action. Such dismissal shall not prejudice the right of the Department of Justice to continue the action on behalf of the government.

(d) If the Department of Justice does not proceed with the action and the person bringing the action conducts the action, the court may award to the defendant its reasonable attorneys' fees and expenses if the defendant prevails in the action and the court finds that the claim of the person bringing the action was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

(h) (1) Unless otherwise indicated in the debarment or suspension decision, the debarment or suspension of a person shall be effective for all District government agencies.

(2) Unless otherwise indicated in the debarment or suspension decision, the debarment or suspension of a person shall constitute a debarment or suspension of any affiliate of that person.

(i) If a person is charged with or convicted of committing any offense listed in subsection (c)(1) through (5) of this section, the Office of the Attorney General for the District of Columbia or the United States Attorney, whoever is responsible for prosecuting the charge, shall immediately notify the CPO of the charge or conviction and shall provide such information to the CPO as may otherwise be permitted by law to enable the CPO to take any action authorized by this section. The CPO, in turn, shall immediately notify both the Office of the Attorney General for the District of Columbia and the United States Attorney of any action taken or finding made under this section.

(j) (1) The Office of Contracting and Procurement shall compile and maintain a list of persons who have been debarred or suspended in the District to be known as the "Excluded Parties List," which shall include:

(A) The name and phone number of the OCP official responsible for maintaining the list;

(B) The names and addresses of suspended and debarred persons;

(C) The name of the agency that instituted the suspension or debarment;

(D) The cause of the suspension or debarment; and

(E) The dates and terms of each suspension or debarment.

(2) (A) The Excluded Parties List shall be updated monthly and prominently published on the OCP's website.
(B) Copies of the Excluded Parties List shall be distributed electronically to District contracting officers and contract administrators on a monthly basis.

(C) (i) Bids or proposals received from a person named on the Excluded Parties List shall be rejected unless the CPO provides the person with a written statement before the bid or proposal is submitted stating the compelling reasons why the bid or proposal should be considered. The CPO’s determination shall be appended to the bid or proposal submitted.

(ii) If the bid or proposal is awarded to the debarred or suspended person, the award, along with the CPO’s determination, shall be prominently published on the OCP’s website within 15 days of the issuance of the award and published in the District of Columbia Register as soon as is practicable.

(3) Immediately before the award of a contract, the contracting officer or administrator shall review the most recent version of the Excluded Parties List to ensure that persons being considered for the award are not named on the list. If a person being considered for the award appears on the Excluded Parties List, the contracting officer or administrator shall notify the person in writing that the person’s bid or proposal shall be rejected unless the person provides a written statement from the CPO in accordance with subparagraph (i) of this subparagraph within 15 days of receipt of the written notification.

(k) A person who has been debarred 2 times by the District shall be banned permanently from contracting with a District agency or office; provided, that the suspensions leading to debarment resulted from a violation, conviction, or judicial determination listed in subsection (b)(1) of this section but not a charge listed in subsection (b)(2) of this subsection. A permanent ban from contracting with the District bars a person from consideration for award of contracts or subcontracts permanently; provided, that 10 years after the person’s debarment, the person may be eligible for reinstatement if the CPO provides written notification to the Chairman of the Council that the person’s business practices have been reformed.

Qui Tam Actions & Remedies

D.C. Code § 2-381.03 - Investigations and prosecutions; powers of prosecuting authority; civil actions by individuals as qui tam plaintiffs; jurisdiction of courts

(a) The Attorney General for the District of Columbia shall investigate, with such assistance from other District agencies as may be required, violations pursuant to § 2-381.02 involving District funds. If the Attorney General for the District of Columbia finds that a person has violated or is violating the provisions of § 2-381.02, the Attorney General for the District of Columbia may bring a civil action against that person in the Superior Court of the District of Columbia.

(b) (1) A person may bring a civil action for a violation of § 2-381.02 for the person and for the District. The action shall be brought in the name of the District. The person bringing the action shall be referred to as the qui tam plaintiff. The action may be dismissed only if the court and the Attorney General for the District of Columbia give written consent to the dismissal and their reasons for consenting.

(2) A complaint filed by a qui tam plaintiff pursuant to this subsection shall be filed in the Superior Court in camera and may remain under seal for up to 180 days, unless the seal is extended by the court. No service shall be made on the defendant until after the complaint is unsealed.

(3) On the same day as the complaint is filed pursuant to paragraph (2) of this subsection, the qui tam plaintiff shall serve the Attorney General for the District of Columbia by mail, return receipt requested, with a copy of the complaint and a written disclosure of substantially all material evidence and information the person possesses.

(4) Within 180 days after receiving a complaint alleging violations involving District funds, the Attorney General for the District of Columbia shall do either of the following:

(A) Notify the court that he or she intends to proceed with the action, in which case the seal may be lifted unless, for good cause shown, the court continues the seal; or

(B) Notify the court that he or she declines to take over the action, in which case the seal shall be lifted and the qui tam plaintiff shall have the right to conduct the action.
(5) Upon a showing of good cause, the Attorney General for the District of Columbia may move the court for extensions of the time during which the complaint remains under seal.

(6) When a qui tam plaintiff brings an action pursuant to this subsection, no person other than the District may intervene or bring a related action based on the facts underlying the pending action.

(7) The District is not liable for expenses which a qui tam plaintiff incurs in bringing an action under this section.

(c) (1) No person may bring an action pursuant to subsection (b) of this section against a member of the Council of the District of Columbia, a member of the District judiciary, or an elected official in the executive branch of the District, if the action is based on evidence or information known to the District when the action was brought.

(2) No person may bring an action under subsection (b) of this section which is based upon allegations or transactions which are the subject of a civil suit or an administrative civil money penalty proceeding in which the District is already a party.

(c-1) (1) Except as provided in paragraph (2) of this subsection, a court shall dismiss an action or claim under this section if substantially the same allegations or transactions as alleged in the action or claim were publicly disclosed:

(A) In a criminal, civil, or administrative hearing in which the District or its agent is a party;

(B) In a report, hearing, audit, or investigation by the Council of the District of Columbia, the Auditor of the District of Columbia, the Inspector General of the District of Columbia, or other District agency; or

(C) By the news media.

(2) A court shall not dismiss an action or claim as provided in paragraph (1) of this subsection if:

(A) The action is brought by the Attorney General for the District of Columbia;

(B) The District is opposed to the dismissal; or

(C) The action is brought by a qui tam plaintiff and the qui tam plaintiff is an original source of the information.

(d) (1) If the District proceeds with the action, it shall have the primary responsibility for prosecuting the action, and shall not be bound by an act of the qui tam plaintiff. The qui tam plaintiff shall have the right to continue as a party to the action, subject to the limitations set forth in paragraph (2) of this subsection.

(2) (A) The District may dismiss the action notwithstanding the objections of the qui tam plaintiff if the qui tam plaintiff has been notified by the District of the filing of the motion to dismiss and the court has provided the qui tam plaintiff with an opportunity for a hearing on the motion.

(B) The District may settle the action with the defendant, notwithstanding the objections of the qui tam plaintiff, if the court determines, after a hearing providing the qui tam plaintiff an opportunity to be heard, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, the hearing may be held in camera.

(C) Upon a showing by the District that unrestricted participation during the course of the litigation by the qui tam plaintiff would interfere with or unduly delay the District's prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the qui tam plaintiff's participation, such as:

(i) Limiting the number of witnesses the qui tam plaintiff may call;

(ii) Limiting the length of the testimony of such witnesses;
(iii) Limiting the qui tam plaintiff’s cross-examination of witnesses; or

(iv) Otherwise limiting the participation by the qui tam plaintiff in the litigation.

(D) Upon a showing by the defendant that unrestricted participation during the course of the litigation by the qui tam plaintiff would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may, in its discretion, limit the participation by the qui tam plaintiff.

(e) (1) If the District elects not to proceed and the qui tam action was proper pursuant to subsection (c) of this section, the qui tam plaintiff shall have the same right to conduct the action as the Attorney General for the District of Columbia would have had if he or she had chosen to proceed pursuant to subsection (b) of this section. If the District so requests, the District shall be served with copies of all pleadings filed in the action.

(2) When the qui tam plaintiff proceeds with the action, the court, without limiting the status and rights of the qui tam plaintiff, may nevertheless permit the District to intervene at a later date upon a showing of good cause.

(f) (1) (A) If the District proceeds with an action brought by a qui tam plaintiff pursuant to subsection (b) of this section, the qui tam plaintiff, subject to subparagraph (B) of this paragraph, shall receive at least 15%, but not more than 25%, of the proceeds of the action or settlement of the claim, depending upon the extent to which the qui tam plaintiff substantially contributed to the prosecution of the action.

(B) Where the action is one which the court finds to be based primarily on disclosures of specific information, other than information provided by the qui tam plaintiff, relating to allegations or transactions in a criminal, civil, or administrative hearing, in a report, hearing, audit, or investigation conducted by a District agency, or from the news media, the court may award such sums as it considers appropriate, but in no case more than 10% of the proceeds, taking into account the significance of the information and the role of the qui tam plaintiff in advancing the case to litigation.

(C) Any payment to a qui tam plaintiff under this paragraph shall be made from the proceeds of the judgment or the settlement of the claim. Any qui tam plaintiff receiving a payment under this paragraph shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorney’s fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

(2) (A) If the District does not proceed with an action brought by a qui tam plaintiff pursuant to subsection (b) of this section, the qui tam plaintiff shall receive an amount which the court decides is reasonable for collecting the civil penalty and damages; provided, that the amount shall be not less than 25%, and not more than 50%, of the proceeds of the action or settlement of the claim.

(B) Any payment to a qui tam plaintiff under this paragraph shall be made from the proceeds of the judgment or the settlement of the claim. Any qui tam plaintiff receiving a payment under this paragraph shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorney’s fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

(3) The portion of the recovery not distributed pursuant to paragraphs (1) and (2) of this subsection shall be paid to the District treasury.

(4) (A) Whether or not the District proceeds with the action, if the court finds that the action was brought by a qui tam plaintiff who planned and initiated the violation of § 2-381.02 upon which the action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action which the qui tam plaintiff would otherwise receive under paragraph (1) or (2) of this subsection, taking into account the role of the qui tam plaintiff in advancing the case to litigation and any relevant circumstances pertaining to the violation.

(B) If the qui tam plaintiff is convicted of criminal conduct arising from his or her role in the violation of § 2-381.02, the qui tam plaintiff shall be dismissed from the civil action and shall not receive any share of the proceeds of the action. Such dismissal shall not prejudice the right of the District to continue the action, represented by the Attorney General for the District of Columbia.

(5) If the District does not proceed with the action and the qui tam plaintiff conducts the action, the court may award to the defendant reasonable attorneys fees and expenses necessarily incurred if the defendant prevails in the action and the court finds that the claim of the qui tam plaintiff was frivolous, vexatious, or brought solely for purposes of harassment.

(6) (A) Notwithstanding subsection (b) of this section, the District may elect to pursue a violation of § 2-381.02 through any alternate remedy available to the District, including an administrative proceeding to determine a civil money penalty. If any such alternate remedy is pursued in another proceeding, the qui tam plaintiff shall have the same rights in such proceeding as such person would have had if the qui tam action had continued under this section. Any finding of fact or conclusion of law made in such other proceeding that has become final shall be conclusive on all parties to an action under this section.
(B) For the purposes of this paragraph, a finding or conclusion is final if it has been finally determined on appeal to the appropriate court, if all time for filing such an appeal with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.

(g) (1) Whether or not the District proceeds with the action, upon a showing by the District that certain actions of discovery by the qui tam plaintiff would interfere with the investigation or prosecution of a criminal or civil matter by the District or a criminal matter in the District of Columbia arising out of the same facts, the court may stay such discovery for a period of not more than 60 days.

(2) Upon a further showing that the District or the United States Attorney’s Office for the District of Columbia has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the qui tam action will interfere with the ongoing criminal or civil investigation or proceedings, the court may extend the stay of discovery provided for in paragraph (1) of this subsection.

(3) Any showing provided for under this subsection shall be conducted in camera.

D.C. Code § 2-381.05 - Limitation of actions; burden of proof

(a) A civil action brought pursuant to § 2-381.03 may not be brought:

(1) More than 6 years after the date on which the violation of § 2-381.02 is committed; or

(2) More than 3 years after the date when facts material to the right of action are known or reasonably should have been known by the official of the District charged with the responsibility to act in those circumstances, but in no event more than 10 years after the date on which the violation of § 2-381.02 is committed, whichever occurs last.

(b) A civil action brought pursuant to § 2-381.03 may not be brought for activity prior to April 12, 1997.

(c) In any action brought pursuant to § 2-381.03, the District or the qui tam plaintiff shall be required to prove all essential elements of the cause of action, including damages, by a preponderance of the evidence.

(d) Notwithstanding any other provision of law, a judgment of guilt in a criminal proceeding charging false statements or fraud, upon a verdict after trial or upon a plea of guilty or nolo contendere, shall estop the defendant from denying the essential elements of the offense in any action brought pursuant to § 2-381.03 which involves the same transaction as in the criminal proceeding.

(e) (1) If the District elects to intervene and proceed with an action brought under § 2-381.03, the District may file its own complaint or amend the complaint of a qui tam plaintiff who has brought an action under § 2-381.03(b) to clarify or add detail to the claims in which the District is intervening and to add any additional claims with respect to which the District contends it is entitled to relief.

(2) Any District pleading as provided for in this subsection shall relate back to the filing date of the complaint of the qui tam plaintiff who originally brought the action, and thereby comply with the statute of limitations as provided for in this subchapter, to the extent that the claim of the District arises out of the conduct, transactions, or occurrences set forth, or attempted to be set forth, in the prior complaint of the qui tam plaintiff.

(b) “Complaint” means an allegation that fraud, abuse, or an overpayment has occurred.
(c) “Fraud” means an intentional deception or misrepresentation made by a person with the knowledge that the deception results in unauthorized benefit to herself or himself or another person. The term includes any act that constitutes fraud under applicable federal or state law.
(d) “Medical necessity” or “medically necessary” means any goods or services necessary to palliate the effects of a terminal condition, or to prevent, diagnose, correct, cure, alleviate, or preclude deterioration of a condition that threatens life, causes pain or suffering, or results in illness or infirmity, which goods or services are provided in accordance with generally accepted standards of medical practice. For purposes of determining Medicaid reimbursement, the agency is the final arbiter of medical necessity. Determinations of medical necessity must be made by a licensed physician employed by or under contract with the agency and must be based upon information available at the time the goods or services are provided.
(e) “Overpayment” includes any amount that is not authorized to be paid by the Medicaid program whether paid as a result of inaccurate or improper cost reporting, improper claiming, unacceptable practices, fraud, abuse, or mistake.
(f) “Person” means any natural person, corporation, partnership, association, clinic, group, or other entity, whether or not such person is enrolled in the Medicaid program or is a provider of health care.

(2) The agency shall conduct, or cause to be conducted by contract or otherwise, reviews, investigations, analyses, audits, or any combination thereof, to determine possible fraud, abuse, overpayment, or recipient neglect in the Medicaid program and shall report the findings of any overpayments in audit reports as appropriate. At least 5 percent of all audits shall be conducted on a random basis. As part of its ongoing fraud detection activities, the agency shall identify and monitor, by contract or otherwise, patterns of overutilization of Medicaid services based on state averages. The agency shall track Medicaid provider prescription and billing patterns and evaluate them against Medicaid medical necessity criteria and coverage and limitation guidelines adopted by rule. Medical necessity determination requires that service be consistent with symptoms or confirmed diagnosis of illness or injury under treatment and not in excess of the patient’s needs. The agency shall conduct reviews of provider exceptions to peer group norms and shall, using statistical methodologies, provider profiling, and analysis of billing patterns, detect and investigate abnormal or unusual increases in billing or payment of claims for Medicaid services and medically unnecessary provision of services.

(3) The agency may conduct, or may contract for, prepayment review of provider claims to ensure cost-effective purchasing; to ensure that billing by a provider to the agency is in accordance with applicable provisions of all Medicaid rules, regulations, handbooks, and policies and in accordance with federal, state, and local law; and to ensure that appropriate care is rendered to Medicaid recipients. Such prepayment reviews may be conducted as determined appropriate by the agency, without any suspicion or allegation of fraud, abuse, or neglect, and may last for up to 1 year. Unless the agency has reliable evidence of fraud, misrepresentation, abuse, or neglect, claims shall be adjudicated for denial or payment within 90 days after receipt of complete documentation by the agency for review. If there is reliable evidence of fraud, misrepresentation, abuse, or neglect, claims shall be adjudicated for denial of payment within 180 days after receipt of complete documentation by the agency for review.

(4) Any suspected criminal violation identified by the agency must be referred to the Medicaid Fraud Control Unit of the Office of the Attorney General for investigation. The Attorney General and the Attorney General shall enter into a memorandum of understanding, which must include, but need not be limited to, a protocol for regularly sharing information and coordinating casework. The protocol must establish a
procedure for the referral by the agency of cases involving suspected Medicaid fraud to the Medicaid Fraud Control Unit for investigation, and the return to the agency of those cases where investigation determines that administrative action by the agency is appropriate. Offices of the Medicaid program integrity program and the Medicaid Fraud Control Unit of the Department of Legal Affairs, shall, to the extent possible, be collocated. The agency and the Department of Legal Affairs shall periodically conduct joint training and other joint activities designed to increase communication and coordination in recovering overpayments.

(5) A Medicaid provider is subject to having goods and services that are paid for by the Medicaid program reviewed by an appropriate peer-review organization designated by the agency. The written findings of the applicable peer-review organization are admissible in any court or administrative proceeding as evidence of medical necessity or the lack thereof.

(6) Any notice required to be given to a provider under this section is presumed to be sufficient notice if sent to the address last shown on the provider enrollment file. It is the responsibility of the provider to furnish and keep the agency informed of the provider's current address. United States Postal Service proof of mailing or certified or registered mailing of such notice to the provider at the address shown on the provider enrollment file constitutes sufficient proof of notice. Any notice required to be given to the agency by this section must be sent to the agency at an address designated by rule.

(7) When presenting a claim for payment under the Medicaid program, a provider has an affirmative duty to supervise the provision of, and be responsible for, goods and services claimed to have been provided, to supervise and be responsible for preparation and submission of the claim, and to present a claim that is true and accurate and that is for goods and services that:

(a) Have actually been furnished to the recipient by the provider prior to submitting the claim.
(b) Are Medicaid-covered goods or services that are medically necessary.
(c) Are of a quality comparable to those furnished to the general public by the provider's peers.
(d) Have not been billed in whole or in part to a recipient or a recipient's responsible party, except for such copayments, coinsurance, or deductibles as are authorized by the agency.
(e) Are provided in accord with applicable provisions of all Medicaid rules, regulations, handbooks, and policies and in accordance with federal, state, and local law.
(f) Are documented by records at the time the goods or services were provided, demonstrating the medical necessity for the goods or services rendered. Medicaid goods or services are excessive or not medically necessary unless both the medical basis and the specific need for them are fully and properly documented in the recipient's medical record.

The agency shall deny payment or require repayment for goods or services that are not presented as required in this subsection.

(8) The agency shall not reimburse any person or entity for any prescription for medications, medical supplies, or medical services if the prescription was written by a physician or other prescribing practitioner who is not enrolled in the Medicaid program. This section does not apply:

(a) In instances involving bona fide emergency medical conditions as determined by the agency;
(b) To a provider of medical services to a patient in a hospital emergency department, hospital inpatient or outpatient setting, or nursing home;
(c) To bona fide non-bono services by preapproved non-Medicaid providers as determined by the agency;
(d) To prescribing physicians who are board-certified specialists treating Medicaid recipients referred for treatment by a treating physician who is enrolled in the Medicaid program;
(e) To prescriptions written for dually eligible Medicare beneficiaries by an authorized Medicare provider who is not enrolled in the Medicaid program;
(f) To other physicians who are not enrolled in the Medicaid program but who provide a medically necessary service or prescription not otherwise reasonably available from a Medicaid-enrolled physician, or
(g) To prescriptions written for dually eligible Medicare recipients referred for treatment by a treating physician who is enrolled in the Medicaid program and to bona fide non-bono services by preapproved non-Medicaid providers as determined by the agency;

(9) A Medicaid provider shall retain medical, professional, financial, and business records pertaining to services and goods furnished to a Medicaid recipient and billed to Medicaid for a period of 5 years after the date of furnishing such services or goods. The agency may investigate, review, or analyze such records, which must be made available during normal business hours. However, 24-hour notice must be provided if patient treatment would be disrupted. The provider must keep the agency informed of the location of the provider's Medicaid-related records. The authority of the agency to obtain Medicaid-related records from a provider is neither curtailed nor limited during a period of litigation between the agency and the provider.

(10) Payments for the services of billing agents or persons participating in the preparation of a Medicaid claim shall not be based on amounts for which they bill nor based on the amount a provider receives from the Medicaid program.

(11) The agency shall deny payment or require repayment for inappropriate, medically unnecessary, or excessive goods or services from the person furnishing them, the person under whose supervision they were furnished, or the person causing them to be furnished.

(12) The complaint and all information obtained pursuant to an investigation of a Medicaid provider, or the authorized representative or agent of a provider, relating to an allegation of fraud, abuse, or neglect are confidential and exempt from the provisions of s. 119.071.

(a) Until the agency takes final agency action with respect to the provider and requires repayment of any overpayment, or imposes an administrative sanction;
(b) Until the Attorney General refers the case for criminal prosecution;
(c) Until 10 days after the complaint is determined without merit; or
(d) At all times if the complaint or information is otherwise protected by law.

(13) The agency shall terminate participation of a Medicaid provider in the Medicaid program and may seek civil remedies or impose other administrative sanctions against a Medicaid provider, if the provider or any principal, officer, director, agent, managing employee, or affiliated person of the provider, or any partner or shareholder having an ownership interest in the provider equal to 5 percent or greater, has been convicted of a criminal offense under federal law or the law of any state relating to the practice of the provider's profession, or a criminal offense listed under s. 803.0094, s. 809.907(10), or s. 433.561(2). If the
agency determines that the provider did not participate or acquiesce in the offense, termination will not be imposed. If the agency effects a termination under this subsection, the agency shall take final agency action.

(14) The provider has been suspended or terminated from participation in the Medicaid program or the Medicare program by the Federal Government or any state, the agency must immediately suspend or terminate, as appropriate, the provider's participation in this state's Medicaid program for a period no less than that imposed by the Federal Government or any other state, and may not enroll such provider in this state’s Medicaid program while such foreign suspension or termination remains in effect. The agency shall also immediately suspend or terminate, as appropriate, a provider’s participation in this state’s Medicaid program if the provider participated or acquiesced in any action for which any principal, officer, director, agent, managing employee, or affiliated person of the provider, or any partner or shareholder having an ownership interest in the provider equal to 5 percent or greater, was suspended or terminated from participating in the Medicaid program or the Medicare program by the Federal Government or any state. This sanction is in addition to all other remedies provided by law.

(15) The agency shall seek a remedy provided by law, including, but not limited to, any remedy provided in subsections (13) and (16) and s. 812.035, if:

(a) The provider’s license has not been renewed, or has been revoked, suspended, or terminated, for cause, by the licensing agency of any state;

(b) The provider has failed to make available or has refused access to Medicaid-related records to an auditor, investigator, or other authorized employee or agent of the agency, the Attorney General, a state attorney, or the Federal Government;

(c) The provider has not furnished or has failed to make available such Medicaid-related records as the agency has found necessary to determine whether Medicaid payments are or were due and the amounts thereof;

(d) The provider has failed to maintain medical records made at the time of service, or prior to service if prior authorization is required, demonstrating the necessity and appropriateness of the goods or services rendered;

(e) The provider is not in compliance with provisions of Medicaid provider publications that have been adopted by reference as rules in the Florida Administrative Code; with provisions of state or federal laws, rules, or regulations; with provisions of the provider agreement between the agency and the provider; or with certifications found on claim forms or on transmittal forms for electronically submitted claims that are submitted by the provider or authorized representative, as such provisions apply to the Medicaid program;

(f) The provider or person who ordered, authorized, or prescribed the care, services, or supplies has furnished, or ordered or authorized the furnishing of, goods or services to a recipient which are inappropriate, unnecessary, excessive, or harmful to the recipient or are of inferior quality;

(g) The provider has demonstrated a pattern of failure to provide goods or services that are medically necessary;

(h) The provider or an authorized representative of the provider, or a person who ordered, authorized, or prescribed the goods or services, has submitted or caused to be submitted false or a pattern of erroneous Medicaid claims;

(i) The provider or an authorized representative of the provider, or a person who has ordered, authorized, or prescribed the goods or services, has committed or caused to be committed a Medicaid fraud, abuse, or misuse.

(16) The agency shall impose any of the following sanctions or disincentives on a provider or a person for any of the acts described in subsection (15):

(a) Suspension for a specific period of time ranging from more than 1 year to 20 years. Suspension precludes participation in the Medicaid program, which includes any action that results in a claim for payment to the Medicaid program for furnishing, supervising a person who is furnishing, or causing a person to furnish goods or services.

(b) Termination for a specific period of time ranging from more than 1 year to 20 years. Termination precludes participation in the Medicaid program, which includes any action that results in a claim for payment to the Medicaid program for furnishing, supervising a person who is furnishing, or causing a person to furnish goods or services.
(c) Imposition of a fine of up to $5,000 for each violation. Each day that an ongoing violation continues, such as refusing to furnish Medicaid-related records or refusing access to records, is considered a separate violation. Each instance of improper billing of a Medicaid recipient; each instance of including an unallowable cost on a hospital or nursing home Medicaid cost report after the provider or authorized representative has been advised in an audit exit conference or previous audit report of the cost unallowability; each instance of furnishing a Medicaid recipient goods or professional services that are inappropriate or of inferior quality as determined by competent peer judgment; each instance of knowingly submitting a materially false or erroneous Medicaid provider enrollment application, request for prior authorization for Medicaid services, drug exception request, or cost report; each instance of inappropriate prescribing of drugs for a Medicaid recipient as determined by competent peer judgment; and each false or erroneous Medicaid claim leading to an overpayment to a provider is considered a separate violation.

(4) Immediate suspension, if the agency has received information of patient abuse or neglect or of any act prohibited by s. 120.569(2)(m). Upon suspension, the agency must issue an immediate final order under s. 120.569(2)(m).

(e) A fine, not to exceed $10,000, for a violation of paragraph (15)(j).

(f) Imposition of liens against provider assets, including, but not limited to, financial assets and real property, not to exceed the amount of fines or recoveries sought, upon entry of an order determining that such moneys are due or recoverable.

(g) Prepayment reviews of claims for a specified period of time.

(h) Comprehensive followup reviews of providers every 6 months to ensure that they are billing Medicaid correctly.

(i) Corrective-action plans that remain in effect for up to 3 years and that are monitored by the agency every 6 months while in effect.

(j) Other remedies permitted by law to effect the recovery of a fine or overpayment.

If a provider voluntarily relinquishes its Medicaid provider number or an associated license, or allows the associated licensure to expire after receiving written notice that the agency is conducting, or has conducted, an audit, survey, inspection, or investigation and a sanction of suspension or termination will or would be imposed for noncompliance discovered as a result of the audit, survey, inspection, or investigation, the agency shall impose the sanction of termination for cause against the provider. The agency's termination with cause is subject to hearing rights as may be provided under chapter 120. The Secretary of Health Care Administration may make a determination that imposition of a sanction or disincentive is not in the best interest of the Medicaid program, in which case a sanction or disincentive may not be imposed.

(17) In determining the appropriate administrative sanction to be applied, or the duration of any suspension or termination, the agency shall consider:

(a) The seriousness and extent of the violation or violations.

(b) Any prior history of violations by the provider relating to the delivery of health care programs which resulted in either a criminal conviction or in administrative sanction or penalty.

(c) Evidence of continued violation within the provider's management control of Medicaid statutes, rules, regulations, or policies after written notification to the provider of improper practice or instance of violation.

(d) The effect, if any, on the quality of medical care provided to Medicaid recipients as a result of the acts of the provider.

(e) Any action by a licensing agency respecting the provider in any state in which the provider operates or has operated.

(f) The apparent impact on access by recipients to Medicaid services if the provider is suspended or terminated, in the best judgment of the agency.

The agency shall document the basis for all sanctioning actions and recommendations.

(18) The agency may take action to sanction, suspend, or terminate a particular provider working for a group provider, and may suspend or terminate Medicaid participation at a specific location, rather than or in addition to taking action against an entire group.

(19) The agency shall establish a process for conducting followup reviews of a sampling of providers who have a history of overpayment under the Medicaid program. This process must consider the magnitude of previous fraud or abuse and the potential effect of continued fraud or abuse on Medicaid costs.

(20) In making a determination of overpayment to a provider, the agency must use accepted and valid auditing, accounting, analytical, statistical, or peer-review methods, or combinations thereof. Appropriate statistical methods may include, but are not limited to, sampling and extension to the population, parametric and nonparametric statistics, tests of hypotheses, and other generally accepted statistical methods. Appropriate analytical methods may include, but are not limited to, reviews to determine variances between the quantities of the same products paid for by the Medicaid program for the same period, taking into appropriate consideration sales of the same products to non-Medicaid customers during the same period. In meeting its burden of proof in any administrative or court proceeding, the agency may introduce the results of such statistical methods as evidence of overpayment.

(21) When making a determination that an overpayment has occurred, the agency shall prepare and issue an audit report to the provider showing the calculation of overpayments. The agency’s determination must be based solely upon information available to it before issuance of the audit report and, in the case of documentation obtained to substantiate claims for Medicaid reimbursement, based solely upon contemporaneous records. The agency may consider addenda or modifications to a note that was made contemporaneously with the patient care episode if the addenda or modifications are germane to the note.

(22) The audit report, supported by agency work papers, showing an overpayment to a provider constitutes evidence of the overpayment. A provider may not present or elicit testimony on direct examination or cross-examination in any court or administrative proceeding, regarding the purchase or acquisition by any means of drugs, goods, or supplies; sales or divestment by any means of drugs, goods, or supplies; or inventory of drugs, goods, or supplies, unless such acquisition, sales, divestment, or inventory is documented by written invoices, written inventory records, or other competent written documentary evidence.
(23) (a) In an audit or investigation of a violation committed by a provider which is conducted pursuant to this section, the agency is entitled to recover all investigative, legal, and expert witness costs if the agency’s findings were not contested by the provider or, if contested, the agency ultimately prevailed.

(b) The agency has the burden of documenting the costs, which include salaries and employee benefits and out-of-pocket expenses. The amount of costs that may be recovered must be reasonable in relation to the seriousness of the violation and must be set taking into consideration the financial resources, earning ability, and needs of the provider, who has the burden of demonstrating such factors.

(c) The provider may pay the costs over a period to be determined by the agency if the agency determines that an extreme hardship would result to the provider from immediate full payment. Any default in payment of costs may be collected by any means authorized by law.

(24) If the agency imposes an administrative sanction pursuant to subsection (13), subsection (14), or subsection (15), except paragraphs (15)(e) and (o), upon any provider or any principal, officer, director, agent, managing employee, or affiliated person of the provider who is regulated by another state entity, the agency shall notify that other entity of the imposition of the sanction within 5 business days. Such notification must include the provider’s or person’s name and license number and the specific reasons for sanction.

(25) (a) The agency shall withhold Medicaid payments, in whole or in part, to a provider upon receipt of reliable evidence that the circumstances giving rise to the need for a withholding of payments involve fraud, willful misrepresentation, or abuse under the Medicaid program, or a crime committed while rendering goods or services to Medicaid recipients. If it is determined that fraud, willful misrepresentation, abuse, or a crime did not occur, the payments withheld must be paid to the provider within 14 days after such determination. Amounts not paid within 14 days accrue interest at the rate of 10 percent per year, beginning after the 14th day.

(b) The agency shall deny payment, or require repayment, if the goods or services were furnished, supervised, or caused to be furnished by a person who has been suspended or terminated from the Medicaid program or Medicare program by the Federal Government or any state.

(c) Overpayments owed to the agency bear interest at the rate of 10 percent per year from the date of final determination of the overpayment by the agency, and payment arrangements must be made within 30 days after the date of the final order, which is not subject to further appeal.

(d) The agency, upon entry of a final agency order, a judgment or order of a court of competent jurisdiction, or a stipulation or settlement, may collect the moneys owed by all means allowable by law, including, but not limited to, notifying any fiscal intermediary of Medicare benefits that the state has a superior right of payment. Upon receipt of such written notification, the Medicare fiscal intermediary shall remit to the state the sum claimed.

(e) The agency may institute amnesty programs to allow Medicaid providers the opportunity to voluntarily repay overpayments. The agency may adopt rules to administer such programs.

(26) The agency may impose administrative sanctions against a Medicaid recipient, or the agency may seek any other remedy provided by law, including, but not limited to, the remedies provided in ss. 409.920 and 812.035, if the agency finds that a recipient has engaged in solicitation in violation of s. 409.920 or that the recipient has otherwise abused the Medicaid program.

(27) When the Agency for Health Care Administration has made a probable cause determination and alleged that an overpayment to a Medicaid provider has occurred, the agency, after notice to the provider, shall:

(a) Withhold, and continue to withhold during the pendency of an administrative hearing pursuant to chapter 120, any medical assistance reimbursement payments until such time as the overpayment is recovered, unless within 30 days after receiving notice thereof the provider:

1. Makes repayment in full; or
2. Establishes a repayment plan that is satisfactory to the Agency for Health Care Administration.

(b) Withhold, and continue to withhold during the pendency of an administrative hearing pursuant to chapter 120, medical assistance reimbursement payments if the terms of a repayment plan are not adhered to by the provider.

(28) Venue for all Medicaid program integrity cases lies in Leon County, at the discretion of the agency.

(29) Notwithstanding other provisions of law, the agency and the Medicaid Fraud Control Unit of the Department of Legal Affairs may review a provider’s Medicaid-related and non-Medicaid-related records in order to determine the total output of a provider’s practice to reconcile quantities of goods or services billed to Medicaid with quantities of goods or services used in the provider’s total practice.

(30) The agency shall terminate a provider’s participation in the Medicaid program if the provider fails to reimburse an overpayment or pay an agency-imposed fine that has been determined by final order, not subject to further appeal, within 30 days after the date of the final order, unless the provider and the agency have entered into a repayment agreement.
(31) If a provider requests an administrative hearing pursuant to chapter 120, such hearing must be conducted within 90 days following assignment of an administrative law judge, absent exceptionally good cause shown as determined by the administrative law judge or hearing officer. Upon issuance of a final order, the outstanding balance of the amount determined to constitute the overpayment and fines is due. If a provider fails to make payments in full, fails to enter into a satisfactory repayment plan, or fails to comply with the terms of a repayment plan or settlement agreement, the agency shall withhold reimbursement payments for Medicaid services until the amount due is paid in full.

(32) Only authorized agents and employees of the agency shall have the power to inspect, during normal business hours, the records of any pharmacy, wholesale establishment, or manufacturer, or any other place in which drugs and medical supplies are manufactured, packed, packaged, made, stored, sold, or kept for sale, for the purpose of verifying the amount of drugs and medical supplies ordered, delivered, or purchased by a provider. The agency shall provide at least 2 business days’ prior notice of any such inspection. The notice must identify the provider whose records will be inspected, and the inspection shall include only records specifically related to that provider.

(33) In accordance with federal law, Medicaid recipients convicted of a crime pursuant to 42 U.S.C. s. 1320a-7b may be limited, restricted, or suspended from Medicaid eligibility for a period not to exceed 1 year, as determined by the agency head or designee.

(34) To deter fraud and abuse in the Medicaid program, the agency may limit the number of Schedule II and Schedule III refill prescription claims submitted from a pharmacy provider. The agency shall limit the allowable amount of reimbursement of prescription refill claims for Schedule II and Schedule III pharmaceuticals if the agency or the Medicaid Fraud Control Unit determines that the specific prescription refill was not requested by the Medicaid recipient or represented for whom the refill claim is submitted or was not prescribed by the recipient’s medical provider or pharmacist. Any such refill request must be consistent with the original prescription.

(35) The Office of Program Policy Analysis and Government Accountability shall provide a report to the President of the Senate and the Speaker of the House of Representatives on a biennial basis, beginning January 31, 2006, on the agency’s efforts to prevent, detect, and deter, as well as recover funds lost to, fraud and abuse in the Medicaid program.

(36) The agency may provide to a sample of Medicaid recipients or their representatives through the distribution of explanations of benefits information about services reimbursed by the Medicaid program for goods and services to such recipients, including information on how to report inappropriate or incorrect billing to the agency or other law enforcement entities for review or investigation information on how to report criminal Medicaid fraud to the Medicaid Fraud Control Unit’s toll-free hotline number, and information about the rewards available under s. 409.9203. The explanation of benefits may not be mailed for Medicaid independent laboratory services as described in s. 409.905(7) or for Medicaid certified match services as described in ss. 409.9071 and 1011.70.

(37) The agency shall post on its website a current list of each Medicaid provider, including any principal, officer, director, agent, managing employee, or affiliated person of the provider, or any partner or shareholder having an ownership interest in the provider equal to 5 percent or greater, who has been terminated for cause from the Medicaid program or sanctioned under this section. The list must be searchable by a variety of search parameters and provide for the creation of formatted lists that may be printed or imported into other applications, including spreadsheets. The agency shall update the list at least monthly.

In order to improve the detection of health care fraud, use technology to prevent and detect fraud, and maximize the electronic exchange of health care fraud information, the agency shall:

(a) Compile, maintain, and publish on its website a detailed list of all state and federal databases that contain health care fraud information and update the list at least biannually;

(b) Develop a strategic plan to connect all databases that contain health care fraud information to facilitate the electronic exchange of health information between the agency, the Department of Health, the Department of Law Enforcement, and the Attorney General’s Office. The plan must include recommended standard data formats, fraud identification strategies, and specifications for the technical interface between state and federal health care fraud databases;

(c) Monitor innovations in health information technology, specifically as it pertains to Medicaid fraud prevention and detection; and

(d) Periodically publish policy briefs that highlight available new technology to prevent or detect health care fraud and projects implemented by other states, the private sector, or the Federal Government which use technology to prevent or detect health care fraud.

4. Knowingly make or in any way cause to be made any false statement or false representation of a material fact, by commission or omission, in any document containing items of income and expense that is or may be used by the agency to determine a general or specific rate of payment for an item or service provided by a provider.

Claims: Act to obtain a monetary award.

(10) In carrying out the duties and responsibilities under this section, the Attorney General may:

(a) Enter upon the premises of any health care provider, excluding a physician, participating in the Medicaid program to examine all accounts and records that may, in any manner, be relevant in determining the existence of fraud in the Medicaid program, to investigate alleged abuse or neglect of patients, or to investigate alleged misappropriation of patients' private funds. A participating physician is required to make available any accounts or records that may, in any manner, be relevant in determining the existence of fraud in the Medicaid program, alleged abuse or neglect of patients, or alleged misappropriation of patients' private funds. The accounts or records of a non-Medicaid patient may not be reviewed by, or turned over to, the Attorney General without the patient's written consent.

(b) Subpoena witnesses or materials, including medical records relating to Medicaid recipients, within or outside the state and, through any duly designated employee, administer oaths and affirmations and collect evidence for possible use in either civil or criminal judicial proceedings.

(c) Seek any civil remedy provided by law, including, but not limited to, the remedies provided in ss. 68.081-68.092 and 812.035 and this chapter.

(d) Refer to the agency for collection each instance of overpayment to a provider of health care under the Medicaid program which is discovered during the course of an investigation.

Fla. Stat. § 456.054 - Kickbacks prohibited

§ 456.054. Kickbacks prohibited

(1) As used in this section, the term "kickback" means a remuneration or payment, by or on behalf of a provider of health care services or items, to any person as an incentive or inducement to refer patients for past or future services or items, when the payment is not tax deductible as an ordinary and necessary expense.

(2) It is unlawful for any health care provider or any provider of health care services to offer, pay, solicit, or receive a kickback, directly or indirectly, overtly or covertly, for referring or soliciting patients.

(3) Violations of this section shall be considered patient brokering and shall be punishable as provided in s. 817.505.

Fla. Stat. § 458.331 - Grounds for disciplinary action; action by the board and department

(1) The following acts constitute grounds for denial of a license or disciplinary action, as specified in s. 456.072:

(a) Attempting to obtain, obtaining, or renewing a license to practice medicine by bribery, by fraudulent misrepresentations, or through an error of the department or the board.

(b) Having a license or the authority to practice medicine revoked, suspended, or otherwise acted against, including the denial of licensure, by the licensing authority of any jurisdiction, including its agencies or subdivisions. The licensing authority's acceptance of a physician's relinquishment of a license, stipulation, consent order, or other settlement, offered in response to or in anticipation of the filing of administrative charges against the physician's license, shall be construed as action against the physician's license.

(c) Being convicted or found guilty of, or entering a plea of nolo contendere to, regardless of adjudication, a crime in any jurisdiction which directly relates to the practice of medicine or to the ability to practice medicine.

(d) False, deceptive, or misleading advertising.
(e) Failing to report to the department any person who the licensee knows is in violation of this chapter or of the rules of the department or the board. However, a person who the licensee knows is unable to practice medicine with reasonable skill and safety to patients by reason of illness or use of alcohol, drugs, narcotics, chemicals, or as a result of a mental or physical condition, may be reported to a consultant operating an impaired practitioner program as described in s. 456.076 rather than to the department.

(f) Aiding, assisting, procuring, or advising any unlicensed person to practice medicine contrary to this chapter or to a rule of the department or the board.

(g) Failing to perform any statutory or legal obligation placed upon a licensed physician.

(h) Making or filing a report which the licensee knows to be false, intentionally or negligently failing to file a report or record required by state or federal law, willfully impeding or obstructing such filing or inducing another person to do so. Such reports or records shall include only those which are signed in the capacity as a licensed physician.

(i) Paying or receiving any commission, bonus, kickback, or rebate, or engaging in any split-fee arrangement in any form whatsoever with a physician, organization, agency, or person, either directly or indirectly, for patients referred to providers of health care goods and services, including, but not limited to, hospitals, nursing homes, clinical laboratories, ambulatory surgical centers, or pharmacies. The provisions of this paragraph shall not be construed to prevent a physician from receiving a fee for professional consultation services.

(j) Exercising influence within a patient-physician relationship for purposes of engaging a patient in sexual activity. A patient shall be presumed to be incapable of giving free, full, and informed consent to sexual activity with his or her physician.

(k) Making deceptive, untrue, or fraudulent representations in or related to the practice of medicine or employing a trick or scheme in the practice of medicine.

(l) Soliciting patients, either personally or through an agent, through the use of fraud, intimidation, undue influence, or a form of overreaching or vexatious conduct. A solicitation is any communication which directly or implicitly requests an immediate oral response from the recipient which in itself is likely to induce the recipient to act on his or her own without any prior consultation with a licensed physician. Soliciting is not limited to: (1) A religious practice, as defined in s. 766.102; (2) A practice regulated under s. 768.13, which is in any public court records or documents, and the proceedings when enforcing this paragraph. Medical malpractice shall not be construed to mean any practice within the course of a patient's professional practice.

(m) Failing to keep legible, as defined by department rule in consultation with the board, medical records that identify the licensed physician or the physician extender and supervising physician by name and professional title who is or are responsible for rendering, ordering, supervising, or billing for each diagnostic or treatment procedure and that justify the course of treatment of the patient, including, but not limited to, patient histories; examination results; test results; records of drugs prescribed, dispensed, or administered; and reports of consultations and hospitalizations.

(n) Exercising influence on the patient or client in such a manner as to exploit the patient or client for financial gain of the licensee or of a third party, which shall include, but not be limited to, the soliciting or selling of services, goods, appliances, or drugs.

(o) Promoting or advertising on any prescription form of a community pharmacy unless the form shall also state “This prescription may be filled at any pharmacy of your choice.”

(p) Performing professional services which have not been duly authorized by the patient or client, or his or her legal representative, except as provided in s. 456.50, s. 51.011, or s. 766.13.

(q) Prescribing, dispensing, administering, mixing, or otherwise preparing a legend drug, including any controlled substance, other than in the course of the physician's professional practice. For the purposes of this paragraph, it shall be legally presumed that prescribing, dispensing, administering, mixing, or otherwise preparing legend drugs, including all controlled substances, inappropriately or in excessive or inappropriate quantities is not in the best interest of the patient and is not in the course of the physician's professional practice, without regard to his or her intent.

(r) Prescribing, dispensing, or administering any medicinal drug appearing on any schedule set forth in chapter 895 by the physician to himself or herself, except one prescribed, dispensed, or administered to the physician by another practitioner authorized to prescribe, dispense, or administer medicinal drugs.

(s) Being unable to practice medicine with reasonable skill and safety to patients by reason of illness or use of alcohol, drugs, narcotics, chemicals, or any other type of material or as a result of any mental or physical condition. In enforcing this paragraph, the department shall have, upon a finding of the State Surgeon General or the State Surgeon General's designee that probable cause exists to believe that the licensee is unable to practice medicine because of the reasons stated in this paragraph, the authority to issue an order to compel a licensee to submit to a mental or physical examination by physicians designated by the department. If the licensee refuses to comply with such order, the department's order directing such examination may be enforced by filing a petition for enforcement in the circuit court where the licensee resides or does business. The licensee against whom the petition is filed may not be named or identified by initials in any public court records or documents, and the proceedings shall be closed to the public. The department shall be entitled to the summary procedure provided in s. 51.011. A licensee or certificateholder affected under this paragraph shall at reasonable intervals be afforded an opportunity to demonstrate that he or she can resume the competent practice of medicine with reasonable skill and safety to patients.

(t) Notwithstanding s. 456.072(2) but as specified in s. 456.09(2):

1. Committing medical malpractice as defined in s. 456.30. The board shall give great weight to the provisions of s. 766.102 when enforcing this paragraph. Medical malpractice shall not be construed to mean any practice within the course of a patient’s professional practice.

2. Committing gross medical malpractice.

3. Committing repeated medical malpractice as defined in s. 456.50. A person found by the board to have committed repeated medical malpractice based on s. 456.50 may not be licensed or continue to be licensed by this state to provide health care services as a medical doctor in this state.

Nothing in this paragraph shall be construed to require that a physician be incompetent to practice medicine in order to be disciplined pursuant to this paragraph. A recommended order by an administrative law judge or a final order of the board finding a violation under this paragraph shall specify whether the licensee was found to have committed “gross medical malpractice,” “repeated medical malpractice,” or “medical malpractice,” or any combination thereof, and any publication by the board must so specify.

(u) Performing any procedure or prescribing any therapy which, by the prevailing standards of medical practice in the community, would constitute experimentation on a human subject, without first obtaining full, informed, and written consent.

The board shall by rule establish guidelines for the disbarment of disciplinary cases involving specific types of violations. Such guidelines may include maximum and minimum fines, periods of supervision or probation, or conditions of probation or reissuance of a license. “Medical malpractice,” “repeated medical malpractice,” and “medical malpractice,” under paragraph (1)(t) shall each be considered distinct types of violations requiring specific individual guidelines.

The board shall not reinstate the license of a practitioner, or cause a license to be issued to a person it deems or has deemed unqualified, until such time as it is satisfied that he or she has complied with all the terms and conditions set forth in the final order and that such person is capable of safely engaging in the practice of medicine. However, the board may not issue a license to, or reinstate the license of, any medical doctor found by the board to have committed repeated medical malpractice based on s. 456.35, regardless of the extent to which the licensee or prospective licensee has complied with all terms and conditions set forth in the final order and is capable of safely engaging in the practice of medicine.

The board may enter an order denying licensure or imposing any of the penalties in s. 456.0721 against any applicant for licensure or licensee who is found guilty of violating any provision of s. 456.0721. In determining what action is appropriate, the board must first consider any sanctions which are necessary to protect the public or to compensate the patient. Only after those sanctions have been imposed may the disciplinary authority consider and include in the order requirements designed to rehabilitate the physician. All costs associated with compliance with orders issued under this subsection are the obligation of the physician.

In any administrative action against a physician which does not involve revocation or suspension of license, the division shall have the burden, by the greater weight of the evidence, to establish the existence of grounds for disciplinary action. The division shall establish grounds for revocation or suspension of license by clear and convincing evidence.

The board shall institute the investigation of any complaint or document which resulted in the initiation of the investigation, as provided by s. 456.027, a report of peer review disciplinary action submitted to the department pursuant to s. 458.337(2), providing that the investigation proceedings, and records relating to such peer review disciplinary action shall continue to retain their privileged status even as to the licensee who is the subject of the investigation, as provided by s. 458.337(3), a report of a closed claim submitted pursuant to s. 456.912, a report of the state's claim submitted pursuant to s. 766.106(2), a report brought under the Florida Birth-Related Neurological Injury Compensation Plan, pursuant to s. 766.305(2), the physician's written response shall be considered by the probable cause panel.

A probable cause panel convened to consider disciplinary action against a physician assisted to have violated s. 456.072 or this section must include one physician assistant. The physician assistant must hold a valid license to practice as a physician assistant in this state and be appointed to the panel by the Council of Physician Assistants. The physician assistant may hear only cases involving disciplinary actions against a physician assistant. If the appointed physician assistant is not present at the disciplinary hearing, the panel may consider the matter and vote on the case in the absence of the physician assistant. The training requirements set forth in s. 458.407(4) do not apply to the appointed physician assistant. Rules need not be adopted to implement this subsection.

(q) “Violation” means any omission or act performed by a provider, entity, or person that is contrary to Medicaid laws, the laws that govern the provider's profession, or the Medicaid provider agreement.
1. For purposes of this rule, each day that an ongoing violation continues, and each instance of an act or omission contrary to a Medicaid law, a law that governs the provider's profession, or the Medicaid provider agreement shall be considered a “separate violation.”
2. For purposes of determining first, second, third, or subsequent offenses under this rule, prior Agency actions during the preceding five years will be counted where the provider, entity, or person was deemed to have committed the same violation.
3. The failure to comply with a corrective action plan constitutes a violation, and is an ongoing violation, for each day following the deadline for submission of the corrective action plan that the failure continues.
4. For purposes of determining a violation regarding including an unallowed cost in a cost report (paragraph (7)(a) and section 409.913(3)(d), F.S.), if the unallowed cost or costs are the subject of an administrative hearing pursuant to Chapter 120, F.S., inclusion of the unallowed cost, or costs, in a cost report is not a violation until the conclusion of the administrative proceedings.
5. For purposes of violations under paragraph (7)(n) of this rule, regarding purchase shortages (as opposed to shortages of time), each good found to be short, by units of each type of goods, such as each tablet of a particular drug, is a violation.
6. For purposes of violations under paragraph (7)(q) of this rule (generally, non-payment on a payment plan), a second, third, or subsequent offense occurs when there has been a prior violation on any repayment agreement.

(4) Limits on sanctions.
(a) Where a sanction is applied for violations of Medicaid laws (under paragraph (7)(e) of this rule), for a pattern of erroneous claims (under paragraph (7)(b) of this rule), or shortages of goods (under paragraph (7)(n) of this rule), and the violations are a "first offense" as set forth in this rule, if the cumulative amount of the fine to be imposed as a result of the violations giving rise to that overpayment exceeds 20% of the amount of the overpayment, the fine shall be adjusted to 20% of the amount of the overpayment.
(b) Where a sanction is applied for violations of Medicaid laws (under paragraph (7)(e) of this rule), for a pattern of erroneous claims (under paragraph (7)(b) of this rule), or shortages of goods (under paragraph (7)(n) of this rule), and the violations are a "second offense" as set forth in this rule, if the cumulative amount of the fine to be imposed as a result of the violations giving rise to that overpayment exceeds 40% of the amount of the overpayment, the fine shall be adjusted to 40% of the amount of the overpayment.
(c) Where a sanction is applied for violations of Medicaid laws (under paragraph (7)(e) of this rule), for a pattern of erroneous claims (under paragraph (7)(b) of this rule), or shortages of goods (under paragraph (7)(n) of this rule), and the violations are a "third" or "subsequent offense" as set forth in this rule, if the cumulative amount of the fine for violations giving rise to the overpayment exceeds 50% of the amount of the overpayment, the fine shall be adjusted to 50% of the amount of the overpayment.
(d) Where the audit report does not include an overpayment determination, it only applies a sanction, and where a fine is assessed for violations that are a "first offense" as set forth in this rule, the cumulative amount of the fine shall not exceed $20,000; where the violations are a "second offense" as set forth in this rule, the cumulative amount of the fine shall not exceed $50,000; where the violations are a "third or subsequent offense" as set forth in this rule, there are no limits on the cumulative amount of the fine to be imposed.
(e) Where a sanction would apply pursuant to this rule, no sanction will be imposed if the Agency has instituted an amnesty pursuant to section 409.911(2)(b), F.S.

(5) Mandatory termination or suspension. Whenever the Agency is required to terminate or suspend participation in the Medicaid program and the required period of time for the exclusion exceeds one year, the sanction of termination shall apply.

(6) Additional requirements regarding suspension and termination.
(a) For purposes of this rule a "suspension" precludes participation for one year, or such shorter period of time as is set forth in this rule. The suspension period begins from the date of the Final Order that imposes the Agency action.
1. To resume participation following the suspension period, a written request must be submitted to the Agency's Bureau of Medicaid Program Integrity seeking to be reinstated in the Medicaid program.
   The request must include a copy of the notice of suspension and a statement regarding whether the violation(s) that brought rise to the suspension have been remedied. If the provider, entity, or person was not enrolled in the Medicaid program at the time of the suspension, the request must also include a complete and accurate provider enrollment application, even if the person or entity seeks only to prescribe, or otherwise order or authorize goods or services, and does not seek to directly furnish goods or services to Medicaid recipients; the application will be processed, and accepted or denied in the standard course of business by the Agency.
2. Participation in the Medicaid program may not resume until written confirmation is issued from the Agency indicating that participation has been authorized. Where a Medicaid provider application is required, authorization is at the point where the person or entity is enrolled as a provider, if the application is not granted, the person or entity may not resume participation.
(b) For purposes of this rule, a "termination" shall preclude participation in the Medicaid program for twenty years from the date of the Agency action. The termination period begins from the date of the Final Order that imposes the Agency action, unless the termination is an "immediate termination." An immediate termination period begins from the date of notice of the termination.
   To resume participation, the provider, entity, or person must submit a complete and accurate provider enrollment application, which will be processed, and accepted or denied in the standard course of business by the Agency. In addition to the application, the provider, entity, or person must include a copy of the notice of termination issued by the Agency, and a written acknowledgement regarding whether the violation(s) that brought rise to the termination has been remedied.
(7) Sanctions. In addition to the recoupment of the overpayment, if any, the Agency will impose sanctions as outlined in this subsection. Except when the Secretary of the Agency determines not to impose a sanction, pursuant to section 409.913(15)(o), F.S., sanctions shall be imposed as follows:

(a) A required license is not renewed, or is revoked, suspended, or terminated: For a first offense of suspension, suspension for the duration of the licensure suspension; for all other violations, including suspension after a first offense, termination (section 409.913(15)(o), F.S.).

(1) For the purposes of this section:

(a) A person commits a "fraudulent insurance act" if the person:

1. Knowingly and with intent to defraud presents, causes to be presented, or prepares with knowledge or belief that it will be presented, to or by an insurer, self-insurer, self-insurance fund, servicing corporation, purported insurer, broker, or any agent thereof, any written statement as part of, or in support of, an application for the issuance of, or the rating of, any insurance policy, or a claim for payment or other benefit pursuant to any insurance policy, which the person knows to contain materially false information concerning any fact material thereto or if the person conceals, for the purpose of misleading another, information concerning any fact material thereto.

2. Knowingly submits:

   a. A false, misleading, or fraudulent application or other document when applying for licensure as a health care clinic, seeking an exemption from licensure as a health care clinic, or demonstrating compliance with part X of chapter 400 with an intent to use the license, exemption from licensure, or demonstration of compliance to provide services or seek reimbursement under the Florida Motor Vehicle No-Fault Law.

   b. A claim for payment or other benefit pursuant to a personal injury protection insurance policy under the Florida Motor Vehicle No-Fault Law if the person knows that the payee knowingly submitted a false, misleading, or fraudulent application or other document when applying for licensure as a health care clinic, seeking an exemption from licensure as a health care clinic, or demonstrating compliance with part X of chapter 400.

(b) The term "insurer" also includes a health maintenance organization, and the term "insurance policy" also includes a health maintenance organization subscriber contract.
(2) If, by its own inquiries or as a result of complaints, the department or its Division of Investigative and Forensic Services has reason to believe that a person has engaged in, or is engaging in, a fraudulent insurance act, an act or practice that violates s. 626.9541 or s. 817.234, or an act or practice punishable under s. 624.15, it may administer oaths and affirmations, request the attendance of witnesses or proffering of matter, and collect evidence. The department or its Division of Investigative and Forensic Services shall not compel the attendance of any person or matter in any such investigation except pursuant to subsection (4).

(3) If matter that the department or its division seeks to obtain by request is located outside the state, the person so requested may make it available to the division or its representative to examine the matter at the place where it is located. The division may designate representatives, including officials of the state in which the matter is located, to inspect the matter on its behalf, and it may respond to similar requests from officials of other states.

(4) (a) The department or its division may request that an individual who refuses to comply with any such request be ordered by the circuit court to provide the testimony or matter. The court shall not order such compliance unless the department or its division has demonstrated to the satisfaction of the court that the testimony of the witness or the matter under request has a direct bearing on the commission of a fraudulent insurance act, on a violation of s. 626.9541 or s. 817.234, or on an act or practice punishable under s. 624.15 or is pertinent and necessary to further such investigation.

(b) Except in a prosecution for perjury, an individual who complies with a court order to provide testimony or matter after asserting a privilege against self-incrimination to which the individual is entitled by law may not be subjected to a criminal proceeding or to a civil penalty with respect to the act concerning which the individual is required to testify or produce relevant matter.

(c) In the absence of fraud or bad faith, a person is not subject to civil liability for libel, slander, or any other relevant tort by virtue of filing reports, without malice, or furnishing other information, without malice, required by this section or required by the department or division under the authority granted in this section, and no civil cause of action of any nature shall arise against such person:

1. For any information relating to suspected fraudulent insurance acts or persons suspected of engaging in such acts furnished to or received from law enforcement officials, their agents, or employees;

2. For any information relating to suspected fraudulent insurance acts or persons suspected of engaging in such acts furnished to or received from other persons subject to the provisions of this chapter;

3. For any such information furnished in reports to the department, the division, the National Insurance Crime Bureau, the National Association of Insurance Commissioners, or any local, state, or federal enforcement officials or their agents or employees; or

4. For other actions taken in cooperation with any of the agencies or individuals specified in this paragraph in the lawful investigation of suspected fraudulent insurance acts.

(d) In addition to the immunity granted in paragraph (c), persons identified as designated employees whose responsibilities include the investigation and disposition of claims relating to suspected fraudulent insurance acts may share information relating to persons suspected of committing fraudulent insurance acts with other designated employees employed by the same or other insurers whose responsibilities include the investigation and disposition of claims relating to fraudulent insurance acts, provided the department has been given written notice of the names and job titles of such designated employees prior to such designated employees sharing information. Unless the designated employees of the insurer act in bad faith or in reckless disregard for the rights of any insured, neither the insurer nor its designated employees are civilly liable for libel, slander, or any other relevant tort, and a civil action does not arise against the insurer or its designated employees:

1. For any information related to suspected fraudulent insurance acts provided to an insurer; or

2. For any information relating to suspected fraudulent insurance acts provided to the National Insurance Crime Bureau or the National Association of Insurance Commissioners.

Provided, however, that the qualified immunity against civil liability conferred on any insurer or its designated employees shall be forfeited with respect to the exchange or publication of any defamatory information with third persons not expressly authorized by this paragraph to share in such information.

(e) The Chief Financial Officer and any employee or agent of the department, commission, office, or division, when acting without malice and in the absence of fraud or bad faith, is not subject to civil liability for libel, slander, or any other relevant tort, and no civil cause of action of any nature exists against such person by virtue of the execution of official activities or duties of the department, commission, or office under this section or by virtue of the publication of any report or bulletin related to the official activities or duties of the department, commission, or office under this section.

(f) This section does not abrogate or modify in any way any common-law or statutory privilege or immunity heretofore enjoyed by any person.
(5) The office's and the department's papers, documents, reports, or evidence relative to the subject of an investigation under this section are confidential and exempt from the provisions of s. 119.071(1) until such investigation is completed or ceases to be active. For purposes of this subsection, an investigation is considered "active" while the investigation is being conducted by the office or department with a reasonable, good faith belief that it could lead to the filing of administrative, civil, or criminal proceedings. An investigation does not cease to be active if the office or department is proceeding with reasonable dispatch and has a good faith belief that action could be initiated by the office or department or other administrative or law enforcement agency. After an investigation is completed or ceases to be active, portions of records relating to the investigation shall remain exempt from the provisions of s. 119.071(1) if disclosure would:

(a) Jeopardize the integrity of another active investigation;
(b) Impair the safety and soundness of an insurer;
(c) Reveal personal financial information;
(d) Reveal the identity of a confidential source;
(e) Defame or cause unwarranted damage to the good name or reputation of an individual or jeopardize the safety of an individual; or
(f) Reveal investigative techniques or procedures. Further, such papers, documents, reports, or evidence relative to the subject of an investigation under this section shall not be subject to discovery until the investigation is completed or ceases to be active. Office, department, or division investigators shall not be subject to subpoenas in civil actions by any court of this state to testify concerning any matter of which they have knowledge pursuant to a pending insurance fraud investigation by the division.

(6) Any person, other than an insurer, agent, or other person licensed under the code, or an employee thereof, having knowledge of or who believes that a fraudulent insurance act or any other act or practice which, upon conviction, constitutes a felony or a misdemeanor under the code, or under s. 817.234, is being or has been committed may send to the Division of Investigative and Forensic Services a report or information pertinent to such knowledge or belief and such additional information relative thereto as the department may request. Any professional practitioner licensed or regulated by the Department of Business and Professional Regulation, except as otherwise provided by law, any medical review committee as defined in s. 766.101, any private medical review committee, and any insurer, agent, or other person licensed under the code, or an employee thereof, having knowledge of or who believes that a fraudulent insurance act or any other act or practice which, upon conviction, constitutes a felony or a misdemeanor under the code, or under s. 817.234, is being or has been committed shall send to the Division of Investigative and Forensic Services a report or information pertinent to such knowledge or belief and such additional information relative thereto as the department may require. The Division of Investigative and Forensic Services shall review such information or reports and select such information or reports as, in its judgment, may require further investigation. It shall then cause an independent examination of the facts surrounding such information or report to be made to determine the extent, if any, to which a fraudulent insurance act or any other act or practice which, upon conviction, constitutes a felony or a misdemeanor under the code, or under s. 817.234, is being or has been committed. The Division of Investigative and Forensic Services shall report any alleged violations of law which its investigations disclose to the appropriate licensing agency and state attorney or other prosecuting agency having jurisdiction with respect to any such violation, as provided in s. 624.310. If prosecution by the state attorney or other prosecuting agency having jurisdiction with respect to such violation is not begun within 60 days of the division's report, the state attorney or other prosecuting agency having jurisdiction with respect to such violation shall inform the division of the reasons for the lack of prosecution.

(7) Division investigators shall have the power to make arrests for criminal violations established as a result of investigations. Such investigators shall also be considered state law enforcement officers for all purposes and shall have the power to execute arrest warrants and search warrants; to serve subpoenas issued for the examination, investigation, and trial of all offenses; and to arrest upon probable cause without warrant any person found in the act of violating any of the provisions of applicable laws. Investigators empowered to make arrests under this section shall be empowered to bear arms in the performance of their duties. In such a situation, the investigator must be certified in compliance with the provisions of s. 943.133 or must meet the temporary employment or appointment exemption requirements of s. 943.131 until certified.

(8) It is unlawful for any person to resist an arrest authorized by this section or in any manner to interfere, either by abetting or assisting such resistance or otherwise interfering, with division investigators in the duties imposed upon them by law or department rule.

(9) In recognition of the complementary roles of investigating instances of workers' compensation fraud and enforcing compliance with the workers' compensation coverage requirements under chapter 440, the Department of Financial Services shall prepare and submit a joint performance report to the President of the Senate and the Speaker of the House of Representatives by January 1 of each year. The annual report must include, but need not be limited to:

If a person brings an action under subsection (2) and the action is based upon the facts underlying a pending investigation by the Department of Financial Services, the Department of Financial Services, instead of the department, may take over the action on behalf of the state. In order to take over the action, the Department of Financial Services must give the department written notification within 20 days after the action is filed that the Department of Financial Services is conducting an investigation of the facts of the action and that the Department of Financial Services, instead of the department, will take over the action filed under subsection (2). If the Department of Financial Services takes over the action under this subsection, the word "department" as used in this act means the Department of Financial Services, and that department, for purposes of that action, shall have all rights and standing granted the department under this act.

5. The department may, for good cause shown, request the court to extend the time during which the complaint remains under seal under subsection (2). Any such motion may be supported by affidavits or other submissions in camera. The defendant is not required to respond to any complaint filed under this section until 20 days after the complaint is unsealed and served upon the defendant in accordance with law.

6. Before the expiration of the 60-day period or any extensions obtained under subsection (5), the department shall:

   (a) Proceed with the action, in which case the action is conducted by the department on behalf of the state; or

   (b) Notify the court that it declines to take over the action, in which case the person bringing the action has the right to conduct the action.
(7) When a person files an action under this section, no person other than the department may intervene or bring a related action based on the facts underlying the pending action.

(8) (a) Except as otherwise provided in this subsection, the complaint and information held by the department pursuant to an investigation of a violation of §68.082 is confidential and exempt from §119.07(1) and §24(a), Art. I of the State Constitution. This paragraph is subject to the Open Government Sunset Review Act in accordance with §119.12 and shall stand repeal on October 2, 2018, unless reviewed and saved from repeal through reenactment by the Legislature.

(b) Information made confidential and exempt under paragraph (a) may be disclosed by the department to a law enforcement agency or another administrative agency in the performance of its official duties and responsibilities.

(c) Information made confidential and exempt under paragraph (a) is no longer confidential and exempt once the investigation is completed, unless the information is otherwise protected by law.

(d) For purposes of this subsection, an investigation is considered complete:

1. Under subsection (1) once the department either files its own action or closes its investigation without filing an action.

2. Under subsection (2) upon the unsealing of the qui tam action or its voluntary dismissal prior to any unsealing.

The Attorney General may delegate the authority to issue civil investigative demands under this subsection, including to a district attorney or other local government attorney. Whenever a civil investigative demand is an express demand for any product of discovery, the Attorney General, the deputy attorney general, or an assistant attorney general shall cause to be served, in any manner authorized by this Code section, a copy of such demand upon the person from whom the discovery was obtained and shall notify the person to whom such demand is issued of the date on which such copy was served. Any information obtained by the Attorney General or a designee of the Attorney General under this Code section may be shared with any qui tam relator if the Attorney General or such designee determines it is necessary as part of any false claims law investigation.

(2) (A) Each civil investigative demand issued under paragraph (1) of this subsection shall state the nature of the conduct constituting the alleged violation of a false claims law which is under investigation and the applicable provision of law alleged to have been violated.

(B) If such demand is for the production of documentary material, the demand shall:

(i) Describe each class of documentary material to be produced with such definiteness and certainty as to permit such documentary material to be fairly identified;

(ii) Prescribe a return date for each such class which will provide a reasonable period of time within which the documentary material so demanded may be assembled and made available for inspection and copying; and

(iii) Identify the false claims law investigator to whom such documentary material shall be made available.

(C) If such demand is for answers to written interrogatories, the demand shall:

(i) Set forth with specificity the written interrogatories to be answered;

(ii) Prescribe dates at which time the answers to such written interrogatories shall be submitted; and

(iii) Identify the false claims law investigator to whom such answers shall be submitted.

(D) If such demand is for the giving of oral testimony, the demand shall:

(i) Prescribe a date, time, and place at which the oral testimony shall be commenced;

(ii) Identify a false claims law investigator who shall conduct the examination and the custodian to whom the transcript of such examination shall be submitted;

(iii) Specify that such attendance and testimony are necessary to the conduct of the investigation;

(iv) Notify the person receiving the demand of the right to be accompanied by an attorney and any other representative; and

(v) Describe the general purpose for which the demand is being issued and the general nature of the testimony, including the primary areas of inquiry, which will be taken pursuant to the demand.

(E) Any civil investigative demand issued under this Code section which is an express demand for any product of discovery shall not be returned or returnable until 20 days after a copy of such demand has been served upon the person from whom the product of discovery was obtained.

(F) The date prescribed for the commencement of oral testimony pursuant to a civil investigative demand issued under this Code section shall be a date which is not less than seven days after the date on which such
demand is received, unless the Attorney General or his or her designee determines that exceptional circumstances are present which warrant the commencement of such testimony within a lesser period of time.

(G) The Attorney General or his or her designee shall not authorize the issuance under this Code section of more than one civil investigative demand for oral testimony by the same person unless the person requests otherwise or unless the Attorney General, after investigation, notifies that person in writing that an additional demand for oral testimony is necessary.

(c) (1) A civil investigative demand issued under subsection (b) of this Code section shall not require the production of any documentary material, the submission of any answers to written interrogatories, or the giving of any oral testimony if such documentary material, answers, or testimony would be protected from disclosure under:

(A) Standards applicable to subpoenas or subpoenas duces tecum issued by a court of the state or of the United States to aid in a grand jury investigation; or

(B) Standards applicable to discovery requests under Chapter 11 of Title 9, the "Georgia Civil Practice Act," to the extent that the application of such standards to any such demand is appropriate and consistent with the provisions and purposes of this Code section.

(2) Any such demand which is an express demand for any product of discovery supersedes any inconsistent order, rule, or provision of law, other than this Code section, preventing or restraining disclosure of such product of discovery to any person. Disclosure of any product of discovery pursuant to any such express demand shall not constitute a waiver of any right or privilege which the person making such disclosure may be entitled to invoke to resist discovery of trial preparation materials.

(d) (1) Any civil investigative demand issued under subsection (b) of this Code section may be served in this state by a false claims law investigator or by a sheriff, deputy sheriff, marshal, or deputy marshal at any place within the territorial jurisdiction of any court of this state.

(2) Any such demand or any petition filed under subsection (k) of this Code section may be served upon any person who is not found within the territorial jurisdiction of any court of this state in such manner as applicable law prescribes for service outside this state. To the extent that the courts of this state can assert jurisdiction over any such person consistent with due process, any such court shall have the same jurisdiction to take any action respecting compliance with this Code section by any such person that such court would have if such person were personally within the jurisdiction of such court. Compliance with this Code section may also be enforced in courts of other states, of the District of Columbia, and of the United States.

(e) (1) Service of any civil investigative demand issued under subsection (b) of this Code section or of any petition filed under subsection (k) of this Code section may be made upon a partnership, corporation, association, or other legal entity by:

(A) Delivering an executed copy of such demand or petition to any partner, executive officer, managing agent, or general agent of the partnership, corporation, association, or entity, or to any agent authorized by appointment or by law to receive service of process on behalf of such partnership, corporation, association, or entity;

(B) Delivering an executed copy of such demand or petition to the principal office or place of business of the partnership, corporation, association, or entity; or

(A) Delivering an executed copy of such demand or petition to the person; or

(B) Depositing an executed copy of such demand or petition via the United States Postal Service by registered or certified mail or statutory overnight delivery, return receipt requested, addressed to the person at the person's residence or principal office or place of business.

(i) A verified return by the individual serving any civil investigative demand issued under subsection (b) of this Code section or any petition filed under subsection (k) of this Code section setting forth the manner of such service shall be proof of such service. In the case of service by registered or certified mail or statutory overnight delivery, such return shall be accompanied by the return post office receipt or other receipt of delivery of

7) (A) Any person compelled to appear for oral testimony under a civil investigative demand issued under subsection (b) of this Code section may be accompanied, represented, and advised by counsel. Such person may not otherwise object to or refuse to answer any question, and shall not, directly or through counsel, otherwise interrupt the oral examination.

(i) (1) The Attorney General shall designate a false claims law investigator to serve as custodian of documentary material, answers to interrogatories, and transcripts of oral testimony received under this Code section and shall designate such additional false claims law investigators as the Attorney General determines from time to time to be necessary to serve as deputies to the custodian.

(ii) (A) A false claims law investigator who receives any documentary material, answers to interrogatories, or transcripts of oral testimony under this Code section shall transmit them to the custodian. The custodian shall take physical possession of such documentary material, answers, or transcripts and shall be responsible for the use made of them and for the return of documentary material under paragraph (4) of this subsection.

(B) The custodian may cause the preparation of such copies of such documentary material, answers to interrogatories, or transcripts of oral testimony as may be required for official use by any false claims law investigator or other officer or employee of the Attorney General or any other agency of the state or local government participating in an investigation of the matters in question. Such documentary material, answers, and transcripts may be used by any authorized false claims law investigator or other officer or employee in connection with the taking of oral testimony under this Code section.

(C) Except as otherwise provided in this subsection, no documentary material, answers to interrogatories, or transcripts of oral testimony, or copies thereof, while in the possession of the custodian, shall be available for examination by any individual other than a false claims law investigator or other officer or employee of the Attorney General or any other agency of the federal government or of a state or local government participating in an investigation of the matters in question authorized under subparagraph (B) of this paragraph. Nothing in this subparagraph is intended to prevent disclosure to the General Assembly, including any committee or subcommittee of the General Assembly, or to any other agency of the state or local government or the United States for use by such agency in furtherance of its statutory responsibilities.

(D) While in the possession of the custodian and under such reasonable terms and conditions as the Attorney General shall prescribe:

The civil action may be dismissed only if the court and the Attorney General give written consent to the dismissal and state the reasons for consenting to such dismissal.

(c) Where a private person brings a civil action under this article, such person shall follow the following special procedures:

(1) A copy of the complaint and written disclosure of substantially all material evidence and information the person possesses shall be served on the Attorney General;

(2) The complaint shall be filed in camera, shall remain under seal for at least 60 days, and shall not be served on the defendant until the court so orders. The purpose of the period under seal shall be to allow the Attorney General to investigate the allegations of the complaint. The Attorney General may elect to intervene and proceed with the civil action within 60 days after it receives both the complaint and the material evidence and information;
The Attorney General may, for good cause shown, move the court for extensions of the time during which the complaint remains under seal under paragraph (2) of this subsection. Any such motions may be supported by affidavits or other submissions in camera;

Before the expiration of the 60 day period or any extensions obtained under paragraph (3) of this subsection, the Attorney General shall:

(A) Proceed with the civil action, in which case the civil action shall be conducted by the Attorney General; or

(B) Notify the court that it declines to take over the civil action, in which case the person bringing the civil action shall have the right to proceed with the civil action;

The defendant shall not be required to respond to any complaint filed under this Code section until 30 days after the complaint is unsealed and served upon the defendant; and

When a person brings a civil action under this subsection, no person other than the Attorney General may intervene or bring a related civil action based on the facts underlying the pending civil action.

If the Attorney General elects to intervene and proceed with the civil action, he or she shall have the primary responsibility for prosecuting the civil action and shall not be bound by an act of the person bringing such civil action. Such person shall have the right to continue as a party to the civil action, subject to the limitations set forth in this subsection.

The Attorney General may dismiss the civil action, notwithstanding the objections of the person initiating the civil action, if the person has been notified by the Attorney General of the filing of the motion and the court has provided the person with an opportunity for a hearing on the motion.

The Attorney General may settle the civil action with the defendant notwithstanding the objections of the person initiating the civil action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, such hearing may be held in camera.

Upon a showing by the Attorney General that unrestricted participation during the course of the litigation by the person initiating the civil action would interfere with or unduly delay the Attorney General's litigation of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the person's participation, such as:

(A) Limiting the number of witnesses the person may call;

(B) Limiting the length of the testimony of such witnesses;

(C) Limiting the person's cross-examination of witnesses; or

(D) Otherwise limiting the participation by the person in the litigation.

Whether or not the Attorney General proceeds with the civil action, upon a showing by the Attorney General that certain actions of discovery by the person initiating the civil action would interfere with the Attorney General's investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay such discovery for a period of not more than 60 days. Such a showing shall be conducted in camera. The court may extend the 60 day period upon a further showing in camera that the Attorney General has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the

civil action will interfere with the ongoing criminal or civil investigation or proceedings.

(b) Notwithstanding subsections (b) and (c) of this Code section, the Attorney General may elect to pursue this state's claim through any alternate remedy available to the Attorney General, including any administrative proceeding to determine a civil money penalty. If any such alternate remedy is pursued in another proceeding, the person initiating the civil action shall have the same rights in such proceeding as such person would have had if the civil action had continued under this Code section. Any finding of fact or conclusion of law made in such other proceeding that has become final shall be conclusive on all parties to a civil action under this Code section. For purposes of this subsection, a finding or conclusion is final if it has been finally determined on appeal to the appropriate court of the State of Georgia, if all time for filing such an appeal with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.

(i) (1) If the Attorney General proceeds with a civil action brought by a private person under subsection (b) of this Code section, such person shall, subject to the second sentence of this paragraph, receive at least 15 percent but not more than 25 percent of the proceeds of the civil action or settlement of the claim, depending upon the extent to which the person substantially contributed to the prosecution of the civil action. Where the civil action is one which the court finds to be based primarily on disclosures of specific information, other than information provided by the person bringing the civil action, relating to allegations or transactions in a criminal, civil, or administrative hearing, in a legislative, administrative, or Attorney General hearing, audit, or investigation, or from the news media, the court may award such sums as it considers appropriate, but in no case more than 10 percent of the proceeds, taking into account the significance of the information and the role of the person bringing such civil action in advancing the case to litigation. Any payment to a person under the first or second sentence of this paragraph shall be made from the proceeds of the civil action. The remaining proceeds shall be payable to the State of Georgia, by and through the Department of Community Health, for the purposes of operating, sustaining, protecting, and administering the Georgia Medicaid program. Any such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorney's fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

(2) If the Attorney General does not proceed with a civil action under this Code section, the person bringing the civil action or settling the claim shall receive an amount which the court decides is reasonable for collecting the civil penalty and damages. Such amount shall be not less than 25 percent and not more than 30 percent of the proceeds of the civil action or settlement and shall be paid out of such proceeds. The remaining proceeds shall be payable to the State of Georgia, by and through the Department of Community Health, for the purposes of operating, sustaining, protecting, and administering the Georgia Medicaid program. Such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorney's fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

(3) Whether or not the Attorney General proceeds with the civil action, if the court finds that the civil action was brought by a person who planned and initiated the violation of Code Section 49-4-168 which upon which the civil action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the civil action which the person would otherwise receive under paragraph (1) or (2) of this subsection, taking into account the role of that person in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the person bringing the civil action is convicted of criminal conduct arising from his or her role in the violation of Code Section 49-4-168, such person shall be dismissed from the civil action and shall not receive any share of the proceeds of the civil action. Such dismissal shall not prejudice the right of the State of Georgia to continue the civil action, represented by the Attorney General.

(4) If the Attorney General does not proceed with the civil action and the person bringing the civil action conducts the civil action, the court may award to the defendant its reasonable attorney's fees and expenses against the person bringing the civil action if the defendant prevails in the civil action and the court finds that the claim of the person bringing the civil action was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

(5) The State of Georgia shall not be liable for expenses which a private person inures in bringing a civil action under this article.

(i) In no event may a person bring a civil action under this article which is based upon allegations or transactions which are the subject of a civil or administrative proceeding to which the State of Georgia is already party.

(k) No civil action may be brought under this article with respect to any claim relating to the assessment, payment, nonpayment, refund, or collection of taxes pursuant to any provisions of Title 48.

(l) (1) As used in this subsection, the term "original source" means an individual who:

(A) Prior to public disclosure, has voluntarily disclosed to the Attorney General the information on which allegations or transactions in a claim are based; or

(B) Has knowledge that is independent of and materially adds to publicly disclosed allegations or transactions and who has voluntarily provided such information to the Attorney General before filing a civil action under this Code section.

O.C.G.A. § 23-3-122 - Investigations by Attorney General; civil actions authorized; intervention by government; limitation on participating in litigation; stay of discovery; alternative remedies; division of recovery; limitations

(a) The Attorney General shall be authorized to investigate suspected, alleged, and reported violations of this article. If the Attorney General finds that a person has violated or is violating this article, then the Attorney General may bring a civil action against such person under this article. The Attorney General may delegate authority to a district attorney or other appropriate official of a local government to investigate violations that may have resulted in damages to such local government under Code Section 23-3-121 and may delegate to the local government the authority to bring a civil action on its own behalf, or on behalf of any subdivision of such local government, to recover damages sustained by such local government as a result of such violations, as well as all multiple damages, costs, expenses, attorney’s fees, and civil penalties available under Code Section 23-3-121. The Attorney General may delegate to a district attorney or local government the authority to pursue an action brought by a private person under subsection (b) of this Code section. Notwithstanding any such delegation of authority, the Attorney General shall retain the authority to continue or discontinue the prosecution of any such action and to withdraw any such authority previously delegated to a district attorney or local government.

(b) (1) Subject to the exclusions set forth in this Code section, a civil action under this article may also be brought by a private person upon written approval by the Attorney General. A civil action shall be brought in the name of the State of Georgia or local government, as applicable. The civil action may be dismissed only if the Attorney General gives written consent to the dismissal stating the reasons for consenting to such dismissal and the court enters an order approving the dismissal.

A copy of the complaint and written disclosure of substantially all material evidence and information the person possesses shall be served on the Attorney General by certified mail or statutory overnight delivery. The complaint shall be filed in camera and under seal, shall remain under seal for at least 60 days, and shall not be served on the defendant until the court so orders. The state or, if delegated the authority by the Attorney General, a local government may elect to intervene and proceed with the action within 60 days after the Attorney General receives both the complaint and the material evidence and information.

3 The state or, if delegated the authority by the Attorney General, a local government may, for good cause shown, move the court for extensions of the time during which the complaint remains under seal under paragraph (2) of this subsection. Any such motions may be supported by affidavits or other submissions in camera. The defendant shall not be required to respond to any complaint filed under this Code section until 30 days after the complaint is unsealed and served upon the defendant.

4 Before the expiration of the 60 day period or any extensions obtained under paragraph (3) of this subsection, the state or local government shall:

(A) Proceed with the civil action, in which case the civil action shall be conducted by the state or local government; or

(B) Notify the court that it declines to take over the civil action, in which case the person bringing the civil action shall have the right to proceed with the civil action.

5 When a person brings a civil action under this subsection, no person other than the state or, if delegated the authority by the Attorney General, the local government may intervene or bring a related civil action based on the facts underlying the pending civil action.
(6) Any evidence and information provided to the Attorney General or his or her designee, including any district attorney or local government, by a private person in connection with an action under this Code section shall not constitute public records and shall be exempt from disclosure under Article 4 of Chapter 18 of Title 50. Any such evidence also shall be protected by the common interest privilege and work product doctrine. To effectuate the law enforcement purposes of this article in combating fraud and false claims directed at the public’s funds, it is the public policy of this state that private persons be authorized to take actions to provide to the Attorney General or local government such information and evidence.

(c) (1) If the state or local government elects to intervene and proceeds with the civil action, it shall have the primary responsibility for prosecuting the civil action and shall not be bound by an act of the person bringing such civil action. Such person shall have the right to continue as a party to the civil action, subject to the limitations set forth in this subsection.

(2) If the Attorney General has consented to a dismissal or elected not to proceed with a civil action, a local government may dismiss the civil action, notwithstanding the objections of the person initiating the civil action, if the person has been notified by the local government of the filing of the motion and the court has provided the person with an opportunity for a hearing on the motion.

(3) The state or local government may settle the civil action with the defendant, notwithstanding the objections of the person initiating the civil action, if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, such hearing may be held in camera.

(4) Upon a showing by the state or local government that unrestricted participation during the course of the litigation by the person initiating the civil action would interfere with or unduly delay the state or local government's litigation of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the person's participation, such as:

(A) Limiting the number of witnesses the person may call;

(B) Limiting the length of the testimony of such witnesses;

(C) Limiting the person's cross-examination of witnesses; or

(D) Otherwise limiting the participation of the person in the litigation.

(d) Upon a showing by the defendant that unrestricted participation during the course of the litigation by the person initiating the civil action would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation of the person in the litigation.

(e) If the state or local government elects not to proceed with the civil action, the person who initiated the civil action shall have the right to conduct the civil action. If the state or local government so requests, it shall be served with copies of all pleadings filed in the civil action and shall be supplied, without cost, with copies of all deposition transcripts. When a person proceeds with the civil action, the court may nevertheless permit the state or local government to intervene at a later date upon a showing of good cause.

(f) Whether or not the state or local government proceeds with the civil action, upon a showing by the state or local government that certain actions of discovery by the person initiating the civil action would interfere with the state or local government's investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay such discovery for a period of not more than 60 days. Such a showing shall be conducted in camera. The court may extend the 60 day period upon a further showing in camera that the state or local government has pursued the criminal or civil investigation or proceedings with reasonable diligence, and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

(g) Notwithstanding subsection (b) of this Code section, the state or local government may elect to pursue its claim through any alternate remedy available to the state or local government, including any administrative proceeding to determine a civil money penalty. If any such alternate remedy is pursued in another proceeding, the person initiating the civil action shall have the same rights in such proceeding as such person would have had if the civil action had continued under this Code section. Any finding of fact or conclusion of law made in such other proceeding that becomes final shall be conclusive on all parties to a civil action under this Code section. For purposes of this subsection, a finding or conclusion shall be deemed final if it has been finally determined on appeal to the appropriate court, if all time for filing such an appeal with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.

(h) (1) If the state or local government proceeds with a civil action brought by a private person under subsection (b) of this Code section, such person shall, subject to the second sentence of this paragraph, receive at least...
15 percent but not more than 25 percent of the proceeds of the civil action or settlement of the claim, depending upon the extent to which the person substantially contributed to the prosecution of the civil action. Where the civil action is one which the court finds to be based primarily on disclosures of specific information, other than information provided by the person bringing the civil action, relating to allegations or transactions in a criminal, civil, or administrative hearing; in a legislative, administrative, or State Accounting Office report, hearing, audit, or investigation; or from the news media, the court may award such sums as it considers appropriate, but in no case more than 10 percent of the proceeds, taking into account the significance of the information and the role of the person bringing such civil action in advancing the case to litigation. Any payment to a person under the first or second sentence of this paragraph shall be made from the proceeds. Any such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorney's fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

(2) If the state or local government does not proceed with a civil action under this Code section, the person bringing the civil action or settling the claim shall receive an amount which the court decides is reasonable for collecting the civil penalty and damages. Such amount shall be not less than 25 percent and not more than 30 percent of the proceeds of the civil action or settlement and shall be paid out of such proceeds. Such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorney's fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

(3) Whether or not the state or local government proceeds with the civil action, if the court finds that the civil action was brought by a person who planned and initiated the violation of this article upon which the civil action was based, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the civil action which the person would otherwise receive under paragraph (1) or (2) of this subsection, taking into account the role of that person in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the person bringing the civil action is convicted of criminal conduct arising from his or her role in the violation of this article, such person shall be dismissed from the civil action and shall not receive any share of the proceeds of the civil action. Such dismissal shall not prejudice the right of the State of Georgia to continue the civil action, represented by the Attorney General or local government attorney to whom the Attorney General has delegated authority.

(4) If the state or local government does not proceed with the civil action and the person bringing the civil action conducts the civil action, the court may award to the defendant its reasonable attorney's fees and expenses against the person bringing the civil action if the defendant prevails in the civil action and the court finds that the claim of the person bringing the civil action was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

(i) For purposes of this subsection, the term "public employee," "public official," and "public employment" shall include federal, state, and local employees and officials. No civil action shall be brought under this article by a person who is or was a public employee or public official if the allegations of such action are substantially based upon:

(1) Allegations of wrongdoing or misconduct which such person had a duty or obligation to report or investigate within the scope of his or her public employment or office; or

(2) Information or records to which such person had access as a result of his or her public employment or office.

(j) (1) No court shall have jurisdiction over a civil action brought under subsection (b) of this Code section against a member of the General Assembly or a member of the judiciary if the civil action is based on evidence or information known to the state when the civil action was brought.

(2) In no event may a person bring a civil action under subsection (b) of this Code section which is based upon allegations or transactions which are the subject of a civil or administrative proceeding to which the State of Georgia is already a party.

(3) The court shall dismiss a civil action or claim under this Code section, unless opposed by the state or local government, if substantially the same allegations or transactions as alleged in the action or claim were publicly disclosed:

(A) In a state criminal, civil, or administrative hearing in which the state or local government or its agent is a party;

(B) In a state or local government legislative or other state or local government report, hearing, audit, or investigation that is made on the public record or disseminated broadly to the general public, provided that such information shall not be deemed publicly disclosed in a report or investigation because it was disclosed or provided pursuant to Article 4 of Chapter 18 of Title 50, the federal Freedom of Information Act, or under any other federal, state, or local law, rule, or program enabling the public to request, receive, or view documents or information in the possession of public officials or public agencies; or

(C) From the news media, provided that such allegations or transactions are not publicly disclosed in the news media merely because information of allegations or transactions have been posted on the Internet or on a
computer network, unless the action is brought by the Attorney General or local government, or the person bringing the action is an original source of the information. For purposes of this subparagraph, the term "original source" means a person who:

(i) Prior to a public disclosure under this paragraph, has voluntarily disclosed to the state or a local government the information on which allegations or transactions in a claim are based; or

(ii) Has knowledge that is independent of and materially adds to the publicly disclosed allegations or transactions and who has voluntarily provided the information to the state or a local government before filing a civil action under this Code section.

(k) The state or local government shall not be liable for expenses which a private person incurs in bringing a civil action under this article.

(l) (1) Any employee, contractor, or agent shall be entitled to all relief necessary to make that employee, contractor, or agent whole if that employee, contractor, or agent is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of employment because of lawful acts done by the employee, contractor, agent, or associated others in furtherance of a civil action under this Code section or other efforts to stop one or more violations of this article.

(2) Relief under paragraph (1) of this subsection shall include reinstatement with the same seniority status that the employee, contractor, or agent would have had but for the discrimination, two times the amount of back pay, interest on the back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorney's fees. An action under this subsection may be brought in the appropriate superior court of this state for the relief provided in this subsection.

(3) A civil action under this subsection shall not be brought more than three years after the date when the discrimination occurred.

O.C.G.A. § 49-4-168.3 - Standard of proof; procedure; intervention by Attorney General

(a) In any civil action brought under this article, the State of Georgia or person bringing the civil action shall be required to prove all essential elements of the cause of civil action, including damages, by a preponderance of the evidence.

(b) Except as otherwise provided in this article, all civil actions brought under this article shall be governed by the provisions of Chapter 11 of Title 9, the "Georgia Civil Practice Act."

(c) If the Attorney General elects to intervene and proceed with a civil action brought pursuant to this article, the Attorney General may file his or her own complaint or amend the complaint of a person who has brought a civil action under this article to clarify or add detail to the claims in which the Attorney General is intervening and to add any additional claims with respect to which the State of Georgia contends it is entitled to relief. For purposes of the statute of limitations, any such pleading by the Attorney General shall relate back to the filing date of a civil action under this Code section or other efforts to stop one or more violations of this article.

Relief under paragraph (1) of this subsection shall include reinstatement with the same seniority status that the employee, contractor, or agent would have had but for the discrimination, two times the amount of back pay, interest on the back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorney's fees. An action under this subsection may be brought in the appropriate superior court of this state for the relief provided in this subsection.

A civil action under this subsection shall not be brought more than three years after the date when the discrimination occurred.

(b) A subpoena requiring the attendance of a witness at a trial or hearing conducted under Code Section 23-3-122 may be served at any place in this state.

(c) For purposes of applying subsection (b) of Code Section 9-11-9, in pleading a civil action brought under this article, the qui tam plaintiff shall not be required to identify specific claims that result from an alleged course of misconduct or any specific records or statements used if the facts alleged in the complaint, if ultimately proven true, would provide a reasonable indication that one or more violations of Code Section 23-3-121 are likely to
have occurred and if the allegations in the pleading provide adequate notice of the specific nature of the alleged misconduct to permit the state or a local government to investigate effectively and defendants to defend fairly the allegations made.

(d) If the state or local government elects to intervene and proceed with a civil action brought under subsection (b) of Code Section 23-3-122, the state or local government may file its own complaint or amend the complaint of a person who has brought an action under such subsection to clarify or add detail to the claims in which the state or local government is intervening and to add any additional claims with respect to which the state or local government contends it is entitled to relief. For statute of limitations purposes, any such state or local government pleading shall relate back to the filing date of the complaint of the person who originally brought the action, to the extent that the claim of the state or local government arises out of the conduct, transactions, or occurrences set forth, or attempted to be set forth, in the prior complaint of that person.

(e) In any action brought under Code Section 23-3-122, the plaintiff shall be required to prove all essential elements of the cause of action, including damages, by a preponderance of the evidence.

(f) Notwithstanding any other provision of law, a final judgment rendered in favor of the state or local government or the United States in any criminal proceeding charging fraud or false statements, whether upon a verdict after trial or upon a plea of guilty or nolo contendere, shall estop the defendant from denying the essential elements of the offense in any civil action which involves the same transaction as in the criminal proceeding and which is brought under subsection (a) or (b) of Code Section 23-3-122.

(a) If the State proceeds with an action under section 661-25, the State shall have the primary responsibility for prosecuting the action and shall not be bound by an act of the person bringing the action. The person shall have the right to continue as a party to the action, subject to the following limitations:

(1) The State may dismiss the action notwithstanding the objections of the person initiating the action if the court determines, after a hearing on the motion, that dismissal should be allowed;

(2) The State may settle the action with the defendant notwithstanding the objections of the person initiating the action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable. Upon a showing of good cause, the hearing may be held in camera;

(3) The court, upon a showing by the State that unrestricted participation during the course of the litigation by the person initiating the action would interfere with or unduly delay the State’s prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, may, in its discretion impose limitations on the person's participation by:

(A) Limiting the number of witnesses the person may call;

(B) Limiting the length of the testimony of the witnesses;

(C) Limiting the person's cross-examination of witnesses; or

(D) Otherwise limiting the participation by the person in the litigation.

(b) The defendant, by motion upon the court, may show that unrestricted participation during the course of the litigation by the person initiating the action would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense. At the court's discretion, the court may limit the participation by the person in the litigation.

(c) If the State elects not to proceed with the action, the person who initiated that action shall have the right to conduct the action. If the State so requests, it shall be served with copies of all pleadings filed in the action and shall be supplied with copies of all deposition transcripts at the State’s expense. When a person proceeds with the action, the court without limiting the status and rights of the person initiating the action, may nevertheless permit the State to intervene at a later date upon showing of good cause.

(d) Whether or not the State proceeds with the action, upon motion and a showing by the State that certain actions of discovery by the person initiating the action would interfere with the State's investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay the discovery for a period of not more than sixty days. The court may extend the sixty-day period upon a motion and showing by the State that the State has pursued the investigation or prosecution of the criminal or civil matter with reasonable diligence and the proposed discovery would interfere with the ongoing investigation or prosecution of the criminal or civil matter.

(e) Notwithstanding section 661-25, the State may elect to pursue its claim through any alternate remedy available to the State, including any administrative proceedings to determine civil monetary penalties. If any alternate remedy is pursued in another proceeding, the person initiating the action shall have the same rights in the proceedings as the person would have had if the action had continued under this section. Any finding of fact or conclusion of law made in the other proceeding that becomes final shall be conclusive on all parties to an action under this section.

(f) Whether or not the State elects to proceed with the action, the parties to the action shall receive court approval of any settlements reached.

(a) If the State proceeds with an action brought by a person under section 661-25, the person shall receive at least fifteen per cent but not more than twenty-five per cent of the proceeds of the action or settlement of the claim, depending upon the extent to which the person substantially contributed to the prosecution of the action. Where the action is one that the court finds to be based primarily on disclosures of specific information,
other than information provided by the person bringing the action, relating to allegations or transactions in a criminal, civil, or administrative hearing, in a legislative or administrative report, hearing, audit, or investigation, or from the news media, the court may award sums as it considers appropriate, but in no case more than ten per cent of the proceeds, taking into account the significance of the information and the role of the person bringing the action in advancing the case to litigation. Any payment to a person under this subsection shall be made from the proceeds. The person shall also receive an amount for reasonable expenses that the court finds to have been necessarily incurred, plus reasonable attorneys’ fees and costs. All expenses, fees, and costs shall be awarded against the defendant.

(b) If the State proceeds with an action brought under section 661-21, the State may file its own complaint or amend the complaint of a person who has brought an action under section 661-21 to clarify or add detail to the claims in which the State is intervening and to add any additional claims with respect to which the State contends it is entitled to relief. For statute of limitations purposes, any such state pleading shall relate back to the filing date of the complaint of the person who originally brought the action, to the extent that the claim of the State arises out of the conduct, transactions, or occurrences set forth, or attempted to be set forth, in the prior complaint of that person.

(c) If the State does not proceed with an action brought under this section, the person bringing the action or settling the claim shall receive an amount that the court decides is reasonable for collecting the civil penalty and damages. The amount shall be not less than twenty-five per cent and not more than thirty per cent of the proceeds of the action or settlement and shall be paid out of the proceeds. The person shall also receive an amount for reasonable expenses that the court finds to have been necessarily incurred, plus reasonable attorneys’ fees and costs. All expenses, fees, and costs shall be awarded against the defendant.

(d) Whether or not the State proceeds with the action, if the court finds that the action was brought by a person who planned and initiated the violation of section 661-21 upon which the action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action that the person would otherwise receive under subsection (a), taking into account the role of that person in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the person bringing the action is convicted of criminal conduct arising from the person's role in the violation of section 661-21, that person shall be dismissed from the civil action and shall not receive any share of the proceeds of the action. The dismissal shall not prejudice the right of the State to continue the action.

(e) If the State does not proceed with the action and the person bringing the action conducts the action, the court may award to the defendant its reasonable attorneys' fees and expenses if the defendant prevails in the action and the court finds that the claim of the person bringing the action was frivolous, vexatious, or brought primarily for purposes of harassment.

(f) In no event may a person bring an action under section 661-25:

(1) Against a member of the state senate or state house of representatives, a member of the judiciary, or an elected official in the executive branch of the State, if the action is based on evidence or information known to the State. For purposes of this section, evidence or information known only to the person or persons against whom an action is brought shall not be considered to be known to the State; or

(2) That is based upon allegations or transactions that are the subject of a civil suit or an administrative civil money penalty proceeding in which the State is already a party.

(a) In no event may a person bring an action under this part that is based upon allegations or transactions which are the subject of a civil suit or an administrative civil money penalty proceeding in which the State is already a party.

(b) The court shall dismiss an action or claim under this part, unless opposed by the State, if the allegations or transactions alleged in the action or claim are substantially the same as those publicly disclosed:

(1) In a state criminal, civil, or administrative hearing in which the State or its agent is a party;

(2) In a state legislative or other state report, hearing, audit, or investigation; or

(3) By the news media, unless the action is brought by the attorney general or the person bringing the action is an original source of the information.

Civil actions for false claims.

Sec. 4. Civil actions for false claims. (a) Responsibilities of the Attorney General and the Department of State Police. The Attorney General or the Department of State Police shall diligently investigate a civil violation under Section 3 [740 ILCS 175/3]. If the Attorney General finds that a person violated or is violating Section 3 [740 ILCS 175/3], the Attorney General may bring a civil action under this Section against the person. The State shall receive an amount for reasonable expenses that the court finds to have been necessarily incurred by the Attorney General, including reasonable attorneys’ fees and costs. All such expenses, fees, and costs shall be awarded against the defendant. The court may award amounts from the proceeds of an action or settlement that it considers appropriate to any governmental entity or program that has been adversely affected by a defendant. The Attorney General, if necessary, shall direct the State Treasurer to make a disbursement of funds as provided in court orders or settlement agreements.

(b) Actions by private persons. (1) A person may bring a civil action for a violation of Section 3 [740 ILCS 175/3] for the person and for the State. The action shall be brought in the name of the State. The action may be dismissed only if the court and the Attorney General give written consent to the dismissal and their reasons for consenting.

(2) A copy of the complaint and written disclosure of substantially all material evidence and information the person possesses shall be served on the State. The complaint shall be filed in camera, shall remain under seal for at least 60 days, and shall not be served on the defendant until the court so orders. The State may elect to intervene and proceed with the action within 60 days after it receives both the complaint and the material evidence and information.

(3) The State may, for good cause shown, move the court for extensions of the time during which the complaint remains under seal under paragraph (2). Any such motions may be supported by affidavits or other submissions in camera. The defendant shall not be required to respond to any complaint filed under this Section until 20 days after the complaint is unsealed and served upon the defendant.

(4) Before the expiration of the 60-day period or any extensions obtained under paragraph (3), the State shall:

(A) proceed with the action, in which case the action shall be conducted by the State; or

(B) notify the court that it declines to take over the action, in which case the person bringing the action shall have the right to conduct the action.

**Rights of the parties to Qui Tam actions.**

1. If the State proceeds with the action, it shall have the primary responsibility for prosecuting the action, and shall not be bound by an act of the person bringing the action. Such person shall have the right to continue as a party to the action, subject to the limitations set forth in paragraph (2).

2. (A) The State may dismiss the action notwithstanding the objections of the person initiating the action if the person has been notified by the State of the filing of the motion and the court has provided the person with an opportunity for a hearing on the motion.

   (B) The State may settle the action with the defendant notwithstanding the objections of the person initiating the action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, such hearing may be held in camera.

   (C) Upon a showing by the State that unrestricted participation during the course of the litigation by the person initiating the action would interfere with or unduly delay the State's prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the person's participation, such as:

   - limiting the number of witnesses the person may call;
   - limiting the length of the testimony of such witnesses;
   - limiting the person's cross-examination of witnesses; or
   - otherwise limiting the participation by the person in the litigation.

3. If the State elects not to proceed with the action, the person who initiated the action shall have the right to continue as a party to the action, subject to the limitations set forth in paragraph (2).

4. Whether or not the State proceeds with the action, upon a showing by the State that unrestricted participation during the course of the litigation by the person initiating the action would interfere with or unduly delay the civil action will interfere with the ongoing criminal or civil investigation or proceedings. Such a showing shall be conducted in camera. The court may extend the 60-day period upon a further showing in camera that the State has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

5. Notwithstanding subsection (b), the State may elect to pursue its claim through any alternate remedy available to the State, including any administrative proceeding to determine a civil money penalty. If any such alternate remedy is pursued in another proceeding, the person initiating the action shall have the same rights in such proceeding as such person would have had if the action had continued under this Section. Any finding of fact or conclusion of law made in such other proceeding that has become final shall be conclusive on all parties to an act. For purposes of the preceding sentence, a finding or conclusion is final if it has been finally determined on appeal to the appropriate court, if all time for filing such an appeal with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.

6. (A) The State may dismiss the action notwithstanding the objections of the person initiating the action if the person has been notified by the State of the filing of the motion and the court has provided the person with an opportunity for a hearing on the motion.

   (B) The State may settle the action with the defendant notwithstanding the objections of the person initiating the action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, such hearing may be held in camera.

   (C) Upon a showing by the State that unrestricted participation during the course of the litigation by the person initiating the action would interfere with or unduly delay the State's prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the person's participation, such as:

   - limiting the number of witnesses the person may call;
   - limiting the length of the testimony of such witnesses;
   - limiting the person's cross-examination of witnesses; or
   - otherwise limiting the participation by the person in the litigation.

   (D) Upon a showing by the defendant that unrestricted participation during the course of the litigation by the person initiating the action would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation by the person in the litigation.

7. If the State elects not to proceed with the action, the person who initiated the action shall have the right to continue as a party to the action, subject to the limitations set forth in paragraph (2).

8. Whether or not the State proceeds with the action, upon a showing by the State that certain actions of discovery by the person initiating the action would interfere with the State's investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay such discovery for a period of not more than 60 days. Such a stay shall be conducted in camera. The court may extend the 60-day period upon a further showing in camera that the State has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

9. (A) The State may dismiss the action notwithstanding the objections of the person initiating the action if the person has been notified by the State of the filing of the motion and the court has provided the person with an opportunity for a hearing on the motion.

   (B) The State may settle the action with the defendant notwithstanding the objections of the person initiating the action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, such hearing may be held in camera.

   (C) Upon a showing by the State that unrestricted participation during the course of the litigation by the person initiating the action would interfere with or unduly delay the civil action will interfere with the ongoing criminal or civil investigation or proceedings. Such a showing shall be conducted in camera. The court may extend the 60-day period upon a further showing in camera that the State has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

10. (A) The State may dismiss the action notwithstanding the objections of the person initiating the action if the person has been notified by the State of the filing of the motion and the court has provided the person with an opportunity for a hearing on the motion.

    (B) The State may settle the action with the defendant notwithstanding the objections of the person initiating the action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, such hearing may be held in camera.

    (C) Upon a showing by the State that unrestricted participation during the course of the litigation by the person initiating the action would interfere with or unduly delay the State's prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the person's participation, such as:

        - limiting the number of witnesses the person may call;
        - limiting the length of the testimony of such witnesses;
        - limiting the person's cross-examination of witnesses; or
        - otherwise limiting the participation by the person in the litigation.

    (D) Upon a showing by the defendant that unrestricted participation during the course of the litigation by the person initiating the action would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation by the person in the litigation.

11. If the State elects not to proceed with the action, the person who initiated the action shall have the right to continue as a party to the action, subject to the limitations set forth in paragraph (2).

12. Whether or not the State proceeds with the action, upon a showing by the State that certain actions of discovery by the person initiating the action would interfere with the State's investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay such discovery for a period of not more than 60 days. Such a showing shall be conducted in camera. The court may extend the 60-day period upon a further showing in camera that the State has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

13. (A) The State may dismiss the action notwithstanding the objections of the person initiating the action if the person has been notified by the State of the filing of the motion and the court has provided the person with an opportunity for a hearing on the motion.

    (B) The State may settle the action with the defendant notwithstanding the objections of the person initiating the action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, such hearing may be held in camera.

    (C) Upon a showing by the State that unrestricted participation during the course of the litigation by the person initiating the action would interfere with or unduly delay the State's prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the person's participation, such as:

        - limiting the number of witnesses the person may call;
        - limiting the length of the testimony of such witnesses;
        - limiting the person's cross-examination of witnesses; or
        - otherwise limiting the participation by the person in the litigation.

    (D) Upon a showing by the defendant that unrestricted participation during the course of the litigation by the person initiating the action would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation by the person in the litigation.
shall be made from the proceeds. Any such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. The State shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred by the Attorney General, including reasonable attorneys' fees and costs. All such expenses, fees, and costs shall be awarded against the defendant. The court may award amounts from the proceeds of an action or settlement that it considers appropriate to any governmental entity or program that has been adversely affected by a defendant. The Attorney General, if necessary, shall direct the State Treasurer to make a disbursement of funds as provided in court orders or settlement agreements.

(2) If the State does not proceed with an action under this Section, the person bringing the action or settling the claim shall receive an amount which the court decides is reasonable for collecting the civil penalty and damages. The amount shall not be less than 25% and not more than 30% of the proceeds of the action or settlement and shall be paid out of such proceeds. Such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. All such expenses, fees, and costs shall be awarded against the defendant. The court may award amounts from the proceeds of an action or settlement that it considers appropriate to any governmental entity or program that has been adversely affected by a defendant. The Attorney General, if necessary, shall direct the State Treasurer to make a disbursement of funds as provided in court orders or settlement agreements.

(3) Whether or not the State proceeds with the action, if the court finds that the action was brought by a person who planned and initiated the violation of Section 3 [740 ILCS 175/3] upon which the action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action which the person would otherwise receive under paragraph (1) or (2) of this subsection (d), taking into account the role of that person in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the person bringing the action is convicted of criminal conduct arising from his or her role in the violation of Section 3 [740 ILCS 175/3], that person shall be dismissed from the civil action and shall not receive any share of the proceeds of the action. Such dismissal shall not prejudice the right of the State to continue the action, represented by the Attorney General.

(4) If the State does not proceed with the action and the person bringing the action conducts the action, the court may award to the defendant its reasonable attorneys' fees and expenses if the defendant prevails in the action and the court finds that the claim of the person bringing the action was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

(c) Certain actions barred. (1) No court shall have jurisdiction over an action brought by a former or present member of the Guard under subsection (b) of this Section against a member of the Guard arising out of such person's service in the Guard.

(2) (A) No court shall have jurisdiction over an action brought under subsection (b) against a member of the General Assembly, a member of the judiciary, or an exempt official if the action is based on evidence or information known to the State when the action was brought.

(B) For purposes of this paragraph (2), "exempt official" means any of the following officials in State service: directors of departments established under the Civil Administrative Code of Illinois [20 ILCS 5/1-1 et seq.], the Adjutant General, the Assistant Adjutant General, the Director of the State Emergency Services and Disaster Agency, members of the boards and commissions, and all other positions appointed by the Governor by and with the consent of the Senate.

(3) In no event may a person bring an action under subsection (b) which is based upon allegations or transactions which are the subject of a civil suit or an administrative civil money penalty proceeding in which the State is already a party.

(4) (A) No court shall have jurisdiction over an action under this Section based upon the public disclosure of allegations or transactions in a criminal, civil, or administrative hearing, in a legislative, administrative, or Auditor General's report, hearing, audit, or investigation, or from the news media, unless the action is brought by the Attorney General or the person bringing the action is an original source of the information.

(B) For purposes of this paragraph (4), "original source" means an individual who has direct and independent knowledge of the information on which the allegations are based and has voluntarily provided the information to the State before filing an action under this Section which is based on the information.

(f) State not liable for certain expenses. The State is not liable for expenses which a person incurs in bringing an action under this Section.

(2) Amend the complaint of a person who has brought an action under section 4 of this chapter, to:

(A) clarify or add detail to the claims in which the state is intervening; or

(B) add additional claims to which the state contends the state is entitled to relief.

(3) Move for a change of venue to Marion County if the attorney general or the inspector general files a motion for change of venue not later than ten (10) days after the attorney general or the inspector general intervenes.

For statute of limitation purposes, a pleading filed by the attorney general or the inspector general relates back to the filing date of the complaint of the person who originally brought the action, to the extent that the claim of the state arises out of the conduct, transactions, or occurrences set forth, or attempted to be set forth, in the original filed complaint. Except as provided in this section, the person who initially filed the complaint may continue as a party to the action.
(b) With the approval of the court, the attorney general or the inspector general may dismiss the action after:

(1) notifying the person who initially filed the complaint; and

(2) the court has conducted a hearing at which the person who initially filed the complaint was provided the opportunity to be heard on the motion.

The court may consider a request by the attorney general or the inspector general to dismiss the action but is not bound by the request. Additionally, the court may permit the attorney general or inspector general to withdraw his or her appearance in the case and may permit the person who initially filed the complaint to continue to prosecute the action in the name of the state.

c) The attorney general or the inspector general may settle the action if a court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable in light of the circumstances. Upon a showing of good cause, the court may:

(1) conduct the settlement hearing in camera; or

(2) lift all or part of the seal to facilitate the investigative process or settlement.

The court may consider an objection to the settlement brought by the person who initially filed the complaint, but is not bound by this objection.

d) Upon a showing by the attorney general, the inspector general, or the defendant that unrestricted participation by the person who initially filed the complaint:

(1) will interfere with or unduly delay the prosecution of the case by the attorney general or the inspector general;

(2) will involve the presentation of repetitious or irrelevant evidence, or evidence introduced for purposes of harassment; or

(3) will cause the defendant to suffer undue burden or unnecessary expense;

the court may impose reasonable limitations on the person's participation, including a limit on the number of witnesses that the person may call, a limit to the length of testimony that the person's witness may present, a limit to the person's cross-examination of a witness, or otherwise limit the participation by the person in the litigation.

e) If the attorney general or the inspector general elects not to intervene in the action, the person who initially filed the complaint has the right to prosecute the action. Upon request, the attorney general or the inspector general shall be served with copies of all documents filed in the action and may obtain a copy of depositions and other transcripts at the state's expense.

(f) If the attorney general and the inspector general have elected not to intervene in an action in accordance with section 4 of this chapter, upon a showing of good cause, a court may permit either the attorney general or the inspector general to intervene at a later time. The attorney general may move to intervene by providing written notice to the attorney general of the inspector general's intent to intervene. If the attorney general does not move to intervene earlier than fifteen (15) days after receipt of the notice of intent to intervene, the inspector general may move to intervene. If the attorney general or the inspector general intervenes under this subsection, the attorney general or the inspector general is responsible for prosecuting the action as if the attorney general or the inspector general had intervened in accordance with section 4 of this chapter.

(g) If the attorney general or inspector general shows that a specific discovery action by the person who initially filed the complaint will interfere with the investigation or prosecution of a civil or criminal matter arising out of the same facts, the court may, following a hearing in camera, stay discovery for not more than sixty (60) days. After the court has granted a sixty (60) day stay, the court may extend the stay, following a hearing in camera, if it determines that the state has pursued the civil or criminal investigation with reasonable diligence and that a specific discovery action by the person who initially filed the complaint will interfere with the state's investigation or prosecution of the civil or criminal matter.

(h) A court may dismiss an action brought under this chapter to permit the attorney general or the inspector general to pursue its claim through an alternative proceeding, including an administrative proceeding or a proceeding brought in another jurisdiction. The person who initially filed the complaint has the same rights in the alternative proceedings as the person would have had in the original proceedings. A finding of fact or conclusion of law made in the alternative proceeding is binding on all parties to an action under this section once the determination made in the alternative proceeding is final under the rules, regulations, statutes, or law governing the alternative proceeding, or if the time for seeking an appeal or review of the determination made in the alternative proceeding has elapsed.

The person who initially filed the complaint is entitled to the following amounts if the state prevails in the action:

1. Except as provided in subdivision (2), if the attorney general or the inspector general intervened in the action, the person is entitled to receive at least fifteen percent (15%) and not more than twenty-five percent (25%) of the proceeds of the action or settlement, plus reasonable attorney's fees and an amount to cover the expenses and costs of bringing the action.

2. If the attorney general or the inspector general intervened in the action and the court finds that the evidence used to prosecute the action consisted primarily of specific information, other than information provided by the person bringing the action, contained in:
   - a transcript of a criminal, a civil, or an administrative hearing;
   - a legislative, an administrative, or another public state report, hearing, audit, or investigation; or
   - a news media report;
   the person is entitled to receive not more than ten percent (10%) of the proceeds of the action or settlement, taking into account the significance of the information and the role of the person bringing the action in advancing the case to litigation, plus reasonable attorney's fees and an amount to cover the expenses and costs of bringing the action.

3. If the attorney general or the inspector general did not intervene in the action, the person is entitled to receive at least twenty-five percent (25%) and not more than thirty percent (30%) of the proceeds of the action or settlement, plus reasonable attorney's fees and an amount to cover the expenses and costs of bringing the action.

4. If the person who initially filed the complaint:
   - planned and initiated the violation of section 2 of this chapter; or
   - has been convicted of a crime related to the person's violation of section 2 of this chapter;
   the person is not entitled to an amount under this section.

After conducting a hearing at which the attorney general or the inspector general and the person who initially filed the complaint may be heard, the court shall determine the specific amount to be awarded under this section to the person who initially filed the complaint. The award of reasonable attorney's fees plus an amount to cover the expenses and costs of bringing the action is an additional cost assessed against the defendant and may not be paid from the proceeds of the civil action.

(b) If:
   - the attorney general or the inspector general did not intervene in the action; and
   - the defendant prevails;
   the court may award the defendant reasonable attorney's fees plus an amount to cover the expenses and costs of defending the action, if the court finds that the action is frivolous, vexatious, or brought primarily for purposes of harassment.

(c) The state is not liable for the expenses, costs, or attorney's fees of a party to an action brought under this chapter.

**Chapter 5.5 False Claims and Whistleblower Protection**

**Burns Ind. Code Ann. § 5-11-5.5-4 -- Civil actions on behalf of person or state -- Procedure -- Dismissal.**

(a) A person may bring a civil action for a violation of section 2 [IC 5.11-5.5-2] of this chapter on behalf of the person and on behalf of the state. The action:

(1) must be brought in the name of the state; and

(2) may be filed in a circuit or superior court in:

(A) the county in which the person resides;

(B) the county in which a defendant resides; or

(C) Marion County.

(b) Except as provided in section 5 [IC 5.11-5.5-5] of this chapter, an action brought under this section may be dismissed only if:

(1) the attorney general or the inspector general, if applicable, files a written motion to dismiss explaining why dismissal is appropriate; and

(2) the court issues an order:

(A) granting the motion; and
(B) explaining the court's reasons for granting the motion.

(c) A person who brings an action under this section shall serve:

(1) a copy of the complaint; and

(2) a written disclosure that describes all relevant material evidence and information the person possesses;

on both the attorney general and the inspector general. The person shall file the complaint under seal, and the complaint shall remain under seal for at least one hundred twenty (120) days. The complaint shall not be served on the defendant until the court orders the complaint served on the defendant following the intervention or the election not to intervene of the attorney general or the inspector general. The state may elect to intervene and proceed with the action not later than one hundred twenty (120) days after it receives both the complaint and the written disclosure.

(d) For good cause shown, the attorney general or the inspector general may move the court to extend the time during which the complaint must remain under seal. A motion for extension may be supported by an affidavit or other evidence. The affidavit or other evidence may be submitted in camera.

(e) Before the expiration of the time during which the complaint is sealed, the attorney general or the inspector general may:

(1) intervene in the case and proceed with the action, in which case the attorney general or the inspector general shall conduct the action; or

(2) elect not to proceed with the action, in which case the person who initially filed the complaint may proceed with the action.

(f) The defendant in an action filed under this section is not required to answer the complaint until twenty-one (21) days after the complaint has been unsealed and served on the defendant.

(g) After a person has filed a complaint under this section, no person other than the attorney general or the inspector general may:

(1) intervene; or

(2) bring another action based on the same facts.

(h) If the person who initially filed the complaint:

(1) planned and initiated the violation of section 2 of this chapter; or

(2) has been convicted of a crime related to the person's violation of section 2 of this chapter;

upon motion of the attorney general or the inspector general, the court shall dismiss the person as a plaintiff.

Chapter 5.5 False Claims and Whistleblower Protection
Burns Ind. Code Ann. § 5-11-5.5-4 - Intervention by attorney general or inspector general -- Prosecution by original complainant -- Pursuance of claim through alternative proceedings.

(a) If the attorney general or the inspector general intervenes in an action under section 4 [IC 5.5.5.4] of this chapter, the attorney general or the inspector general is responsible for prosecuting the action and is not bound by an act of the person who initially filed the complaint. The attorney general or the inspector general may move for a change of venue to Marion County if the attorney general or the inspector general files a motion for change of venue not later than ten (10) days after the attorney general or the inspector general intervenes. Except as provided in this section, the person who initially filed the complaint may continue as a party to the action.

(b) The attorney general or the inspector general may dismiss the action after:

(1) notifying the person who initially filed the complaint; and

(2) the court has conducted a hearing at which the person who initially filed the complaint was provided the opportunity to be heard on the motion.
The attorney general or the inspector general may settle the action if a court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable in light of the circumstances. Upon a showing of good cause, the court may:

1. conduct the settlement hearing in camera; or
2. lift all or part of the seal to facilitate the investigative process or settlement.

The court may consider an objection to the settlement brought by the person who initially filed the complaint, but is not bound by this objection.

The attorney general or the inspector general, or the defendant that unrestricted participation by the person who initially filed the complaint:

1. will interfere with the prosecution of the case by the attorney general or the inspector general; or
2. will involve the presentation of repetitious or irrelevant evidence, or evidence introduced for purposes of harassment;

the court may impose reasonable limitations on the person’s participation, including a limit on the number of witnesses that the person may call, a limit to the amount and type of evidence that the person may introduce, a limit to the length of testimony that the person’s witness may present, and a limit to the person’s cross-examination of a witness.

If the attorney general or the inspector general elects not to intervene in the action, the person who initially filed the complaint has the right to prosecute the action. Upon request, the attorney general or the inspector general shall be served with copies of all documents filed in the action and may obtain a copy of depositions and other transcripts at the state's expense.

If the attorney general and the inspector general have elected not to intervene in an action in accordance with section 4 of this chapter, upon a showing of good cause, a court may permit either the attorney general or the inspector general to intervene at a later time. The attorney general may move to intervene at any time. If the attorney general has not moved to intervene, the inspector general may move to intervene by providing written notice to the attorney general of the inspector general's intent to intervene. If the attorney general does not move to intervene earlier than fifteen (15) days after receipt of the notice of intent to intervene, the inspector general may move to intervene. If the attorney general or the inspector general intervenes under this subsection, the attorney general or the inspector general is responsible for prosecuting the action as if the attorney general or the inspector general had intervened in accordance with section 4 of this chapter.

If the attorney general or inspector general shows that a specific discovery action by the person who initially filed the complaint will interfere with the investigation or prosecution of a civil or criminal matter arising out of the same facts, the court may, following a hearing in camera, stay discovery for not more than sixty (60) days. After the court has granted a sixty (60) day stay, the court may extend the stay, following a hearing in camera, if it determines that the state has pursued the civil or criminal investigation with reasonable diligence and that a specific discovery action by the person who initially filed the complaint will interfere with the state's investigation or prosecution of the civil or criminal matter.

A court may dismiss an action brought under this chapter to permit the attorney general or the inspector general to pursue its claim through an alternative proceeding, including an administrative proceeding or a proceeding brought in another jurisdiction. The person who initially filed the complaint has the same rights in the alternative proceedings as the person would have had in the original proceedings. A finding of fact or conclusion of law made in the alternative proceeding is binding on all parties to an action under this section once the determination made in the alternative proceeding has been final under the rules, regulations, statutes, or laws governing the alternative proceeding, or if the time for seeking an appeal or review of the determination made in the alternative proceeding has elapsed.

Chapter 5.5 False Claims and Whistleblower Protection
Burns Ind. Code Ann. § 5-11.5-5 - Awards to initial complainant.

The person who initially filed the complaint is entitled to the following amounts if the state prevails in the action:

1. Except as provided in subdivision (2), if the attorney general or the inspector general intervened in the action, the person is entitled to receive at least fifteen percent (15%) and not more than twenty-five percent (25%) of the proceeds of the action or settlement, plus reasonable attorney’s fees and an amount to cover the expenses and costs of bringing the action.
2. If the attorney general or the inspector general intervened in the action and the court finds that the evidence used to prosecute the action consisted primarily of specific information contained in:
   A transcript of a criminal, a civil, or an administrative hearing.

(c) Limiting the qui tam plaintiff's cross-examination of witnesses.

(d) Otherwise limiting the participation of the qui tam plaintiff in the litigation.

(4) Upon a showing by the defendant that unrestricted participation during the course of the litigation by the qui tam plaintiff would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation by the qui tam plaintiff in the litigation.

c. If the state elects not to proceed with the action, the qui tam plaintiff shall have the right to conduct the action. If the state so requests, the state shall be served with copies of all pleadings filed in the action and shall be supplied with copies of all deposition transcripts at the state's expense. When a qui tam plaintiff proceeds with the action, the court, without limiting the status and rights of the qui tam plaintiff, may permit the state to intervene at a later date upon a showing of good cause.

d. Whether or not the state proceeds with the action, upon a showing by the state that certain actions of discovery by the qui tam plaintiff would interfere with the state's investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay such discovery for a period of not more than sixty days. Such a showing shall be conducted in camera. The court may extend the sixty-day period upon a further showing in camera that the state has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

e. Notwithstanding subsection 2, the state may elect to pursue the state's claim through any alternate remedy available to the state, including any administrative proceeding to determine a civil penalty. If any such alternate remedy is pursued in another proceeding, the qui tam plaintiff shall have the same rights in such proceeding as such qui tam plaintiff would have had if the action had continued under this section. (1) If the state proceeds with an action brought by a qui tam plaintiff under subsection 2, the qui tam plaintiff shall, subject to subparagraph (2), receive at least fifteen percent but not more than twenty-five percent of the proceeds of the action or settlement of the claim, depending upon the extent to which the qui tam plaintiff substantially contributed to the prosecution of the action.

(2) If the action is one which the court finds to be based primarily on disclosures of specific information, other than information provided by the qui tam plaintiff, relating to allegations or transactions in a criminal, civil, or administrative hearing, or in a legislative, administrative or state auditor report, hearing, audit, or investigation, or from the news media, the court may award an amount the court considers appropriate, but in no case more than ten percent of the proceeds, taking into account the significance of the information and the role of the qui tam plaintiff in advancing the case to litigation.

(3) Any payment to a qui tam plaintiff under subparagraph (1) or (2) shall be made from the proceeds. Any such qui tam plaintiff shall also receive an amount for reasonable expenses which the appropriate court finds to have been necessarily incurred, plus reasonable attorney fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

b. If the state does not proceed with an action under this section, the qui tam plaintiff or person settling the claim shall receive an amount which the court decides is reasonable for collecting the civil penalty and damages. The amount shall be not less than twenty-five percent and not more than thirty percent of the proceeds of the action or settlement and shall be paid out of such proceeds. Such qui tam plaintiff or person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorney fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

c. Whether or not the state proceeds with the action, if the court finds that the action was brought by a qui tam plaintiff who planned and initiated the violation of section 685.2 upon which the action was brought, the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action which the qui tam plaintiff would otherwise receive under paragraph "a" or "b", taking into account the role of that qui tam plaintiff in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the qui tam plaintiff is convicted of criminal conduct arising from the qui tam plaintiff's role in the violation of section 685.2, the qui tam plaintiff shall be dismissed from the civil action and shall not receive any share of the proceeds of the action. Such dismissal shall not prejudice the right of the state to continue the action represented by the attorney general.

d. If the state does not proceed with the action and the qui tam plaintiff conducts the action, the court may award to the defendant reasonable attorney fees and expenses if the defendant prevails in the action and the court finds that the claim of the qui tam plaintiff was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

5. a. A court shall not have jurisdiction over an action brought by a former or present member of the Iowa national guard under this chapter against a member of the Iowa national guard arising out of such person's services in the Iowa national guard.

b. A qui tam plaintiff shall not bring an action under subsection 2 which is based upon allegations or transactions which are the subject of a civil suit or an administrative civil penalty proceeding in which the state is already a party.

c. A court shall dismiss an action or claim under this section, unless opposed by the state, if substantially the same allegations or transactions as alleged in the action or claim were publicly disclosed in a state criminal, civil, or administrative hearing in which the state or an agent of the state is a party; in a state legislative, state auditor, or o

**Iowa Code § 88.9 Discrimination and discharge.**

1. Aggrieved persons.

   a. Judicial review of any order of the appeal board issued under section 88.8, subsection 3, may be sought in accordance with the terms of the Iowa administrative procedure Act, chapter 17A. Notwithstanding the terms
of the Iowa administrative procedure Act, chapter 17A, petitions for judicial review may be filed in the district court of the county in which the violation is alleged to have occurred or where the employer has its principal office and may be filed within sixty days following the issuance of such order. The appeal board’s copy of the testimony shall be available to all parties for examination at all reasonable times, without cost, and for the purpose of judicial review of the appeal board’s orders.

b. The commissioner may obtain judicial review or enforcement of any final order or decision of the appeal board by filing a petition in the district court of the county in which the alleged violation occurred or in which the employer has its principal office. The judicial review provisions of chapter 17A shall govern such proceedings to the extent applicable.

c. Notwithstanding section 10A.601, subsection 7, and chapter 17A, the commissioner has the exclusive right to represent the appeal board in any judicial review of an appeal board decision under this chapter in which the commissioner does not appeal the appeal board decision, except as provided by section 88.17.

2. Uncontested appeal board orders. If no petition for judicial review is filed within sixty days after service of the appeal board’s order, the appeal board’s findings of fact and order shall be conclusive in connection with any petition for enforcement which is filed by the commissioner after the expiration of such sixty-day period. In any such case, as well as in the case of a noncontested citation or notification by the commissioner which has become a final order of the appeal board under section 88.8, subsection 1 or 2, the clerk of the district court, unless otherwise ordered by the court, shall forthwith enter a decree enforcing the order and shall transmit a copy of such decree to the appeal board and the employer named in the petition. In any contempt proceeding brought to enforce a decree of a district court entered pursuant to this subsection or subsection 1, the district court may assess the penalties provided in section 88.14 in addition to invoking any other available remedies.

3. Discrimination and discharge.

a. (1) A person shall not discharge or in any manner discriminate against an employee because the employee has filed a complaint or instituted or caused to be instituted a proceeding under or related to this chapter or has testified or is about to testify in any such proceeding or because of the exercise by the employee on behalf of the employee or others of a right afforded by this chapter.

(2) A person shall not discharge or in any manner discriminate against an employee because the employee, who with no reasonable alternative, refuses in good faith to expose the employee’s self to a dangerous condition of a nature that a reasonable person, under the circumstances then confronting the employee, would conclude that there is a real danger of death or serious injury; provided the employee, where possible, has first sought through resort to regular statutory enforcement channels, unless there has been insufficient time due to the urgency of the situation, or the employee has sought and been unable to obtain from the person, a correction of the dangerous condition.

b. (1) An employee who believes that the employee has been discharged or otherwise discriminated against by a person in violation of this subsection may, within thirty days after the violation occurs, file a complaint with the commissioner alleging discrimination.

(2) Upon receipt of the complaint, the commissioner shall conduct an investigation as the commissioner deems appropriate. If, upon investigation, the commissioner determines that the provisions of this subsection have been violated, the commissioner shall bring an action in the appropriate district court against the person. In any such action, the district court has jurisdiction to restrain violations of this subsection and order all appropriate relief including rehiring or reinstatement of the employee to the employee’s former position with back pay.

(3) Within ninety days of the receipt of a complaint filed under this subsection, the commissioner shall notify the complainant of the commissioner’s determination under this subsection.

### Qui Tam Actions & Remedies

La. R.S. 46:439.1

§ 46:439.1. Qui tam action, civil action filed by private person

http://legis.la.gov/Legis/Law.aspx?d=100874

A. A private person may institute a civil action in the courts of this state on behalf of the medical assistance programs and himself to seek recovery for a violation of R.S. 46:438.2, 438.3, or 438.4 pursuant to the provisions of this Subpart. The instituted shall be known as a "qui tam plaintiff" and the civil action shall be known as a "qui tam action".

B. No qui tam action shall be instituted more than six years after the date on which the violation of the Louisiana Medical Assistance Programs Integrity Law is committed or more than three years after the date the facts material to the right of action are known or reasonably should have been known by the official of the state of Louisiana charged with the responsibility to act in the circumstances, but no more than ten years after the date on which the violation is committed, whichever occurs last.

C. The burden of proof in a qui tam action instituted pursuant to this Subpart shall be the same as that set forth in R.S. 46:438.8.
D. (1) The court shall dismiss an action or claim in accordance with this Section, unless opposed by the government, if substantially the same allegations or transactions as alleged in the action or claim were publicly disclosed in any of the following:

(a) A criminal, civil, or administrative hearing in which the government or its agent is a party.

(b) A congressional or government accountability office or other federal report, hearing, audit, or investigation.

(c) The news media, unless the action is brought by the attorney general or the person bringing the action is an original source of the information.

(2) For the purposes of this Subsection, "original source" means an individual who, prior to a public disclosure in accordance with this Subsection, has voluntarily disclosed to the government the information on which allegations or transactions in a claim are based or who has knowledge that is independent of and materially adds to the publicly disclosed allegations or transactions, and who has voluntarily provided the information to the government before filing an action in accordance with this Subpart.

E. Any employee, contractor, or agent shall be entitled to all relief necessary to make that employee, contractor, or agent whole, if the employee, contractor, or agent is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of employment because of lawful acts done by the employee, contractor, agent, or associated others in furtherance of an action in accordance with this Part or other efforts to stop one or more violations of this Part.

(1) Relief in accordance with this Subsection shall include reinstatement with the same seniority status the employee, contractor, or agent would have had but for the discrimination, two times the amount of back pay, interest on the back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorney fees. An action in accordance with this Section may be brought in the appropriate district court of competent jurisdiction for the relief provided in this Section.

(2) A civil action in accordance with this Section may not be brought more than three years after the date the retaliation occurred.

F. The court shall allow the secretary or the attorney general to intervene and proceed with the qui tam action in the district court at any time during the qui tam action proceedings.

G. Notwithstanding any other law to the contrary, a qui tam complaint and information filed with the secretary or attorney general shall not be subject to discovery or become public record until judicial service of the qui tam action is made on any of the defendants, except that the information contained therein may be given to other governmental entities or their authorized agents for review and investigation. The entities and their authorized agents shall maintain the confidentiality of the information provided to them under this Subsection.

(4) (a) The complaint and information filed with the court shall be made under seal, shall remain under seal for at least ninety days from the date of filing, and shall be served on the defendant when the seal is removed.

(b) For good cause shown, the secretary or the attorney general may move the court for extensions of time during which the petition remains under seal. Any such motions may be supported by affidavits or other submissions in camera and under seal.

B. (1) If the secretary or the attorney general elects to intervene in the action, the secretary or the attorney general shall not be bound by any act of a qui tam plaintiff. The secretary or the attorney general shall control the qui tam action proceedings on behalf of the state and the qui tam plaintiff may continue as a party to the action. For prescription purposes, any government complaint in intervention, whether filed separately or as an amendment to the relator’s complaint, shall relate back to the filing date of the complaint, to the extent that the claim of the government arises out of the conduct, transactions, or occurrences set forth, or attempted to be set forth, in the relator’s complaint.

(2) The qui tam plaintiff and his counsel shall cooperate fully with the secretary or the attorney during the pendency of the qui tam action.

(3) If requested by the secretary or the attorney general and notwithstanding the objection of the qui tam plaintiff, the court may dismiss the qui tam action provided the qui tam plaintiff has been notified by the secretary or the attorney general of the filing of the motion to dismiss and the court has provided the qui tam plaintiff a contradictionary hearing on the motion.

(4) (a) If the secretary or the attorney general does not intervene, the qui tam plaintiff may proceed with the qui tam action unless the secretary or the attorney general shows that proceeding would adversely affect the prosecution of any pending criminal actions or criminal investigations into the activities of the defendant. Such a showing shall be made to the court in camera and neither the qui tam plaintiff or the defendant shall be informed of the information revealed in camera. In which case, the qui tam action shall be stayed for no more than one year.

(b) When a qui tam plaintiff proceeds with the action, the court, without limiting the status and rights of the qui tam plaintiff, may nevertheless permit the secretary or the attorney general to intervene at a later date upon a showing of good cause.

(5) If the qui tam plaintiff objects to a settlement of the qui tam action proposed by the secretary or the attorney general, the court may authorize the settlement only after a hearing to determine whether the proposed settlement is fair, adequate, and reasonable under the circumstances.

D. A defendant shall have thirty days from the time a qui tam complaint is served on him to file a responsive pleading.

E. The qui tam plaintiff and the defendant shall serve all pleadings and papers filed, as well as discovery, in the qui tam action on the secretary and the attorney general.

F. (1) Whether or not the secretary or the attorney general proceeds with the action, upon showing by the secretary or the attorney general that certain actions of discovery by the qui tam plaintiff or defendant would interfere with a criminal, civil, or departmental investigation or proceeding arising out of the same facts, the court shall stay the discovery for a period of not more than ninety days.

(2) Upon a further showing that federal or state authorities have pursued the criminal, civil, or departmental investigation or proceeding with reasonable diligence and any proposed discovery in the qui tam action would unduly interfere with the criminal, civil, or departmental investigation or proceeding, the court may stay the discovery for an additional period, not to exceed one year.

(3) Such showings shall be conducted in camera and neither the defendant nor the qui tam plaintiff shall be informed of the information presented to the court.

(4) If discovery is stayed pursuant to this Subsection, the trial and any motion for summary judgment in the qui tam action shall likewise be stayed.

Updated – February 2020
A. Except as provided by Subsection D of this Section and Paragraph (3) of this Subsection, if the secretary or the attorney general intervenes in the action brought by a qui tam plaintiff, the qui tam plaintiff shall receive at least fifteen percent, but not more than twenty-five percent, of recovery.

(2) In making a determination of award to the qui tam plaintiff, the court shall consider the extent to which the qui tam plaintiff substantially contributed to the prosecution of the action.

(3) If the court finds the allegations in the qui tam action to be based primarily on disclosures of specific information, other than information provided by the qui tam plaintiff, relating to allegations or transactions in criminal, civil, or administrative hearings, or from the news media, the court may award such sum it considers appropriate, but in no case more than ten percent of the proceeds, considering the significance of the information and the role of the person bringing the action in advancing the case to litigation. Any payment to a person in accordance with this Subsection shall be made from the proceeds recovered.

B. Except as provided by Subsection D of this Section, if the secretary or the attorney general does not intervene in the qui tam action, the qui tam plaintiff shall receive an amount, not less than twenty-five but not more than thirty percent of recovery, which the court decides is reasonable for the qui tam plaintiff pursuing the action to judgment or settlement.

C. (1) In addition to all other recovery to which he is entitled and if he prevails in the qui tam action through litigation or settlement, the qui tam plaintiff shall be entitled to an award against the defendant for costs, expenses, fees, and attorney fees, subject to review by the court using a reasonable, necessary, and proper standard of review.

(2) If the court finds the allegations in the qui tam action to be based primarily on disclosures of specific information, other than information provided by the qui tam plaintiff, relating to allegations or transactions in criminal, civil, or administrative hearings, or from the news media, the court may award such sum it considers appropriate, but in no case more than ten percent of the proceeds, considering the significance of the information and the role of the person bringing the action in advancing the case to litigation. Any payment to a person in accordance with this Subsection shall be made from the proceeds recovered.

D. Whether or not the secretary or the attorney general intervenes, if the court finds that the action was brought by a person who planned and initiated the violation which is the subject of the action, then the court must, to the extent the court considers appropriate, reduce the share of the proceeds of the action which the qui tam plaintiff would otherwise receive under Subsection A or B of this Section, taking into account the role the qui tam plaintiff played in advancing the case to judgment or settlement and any relevant circumstances pertaining to the qui tam plaintiff's participation in the violation.

E. When more than one party serves as a qui tam plaintiff, the share of recovery each receives shall be determined by the court. In no case, however, shall the total award to multiple qui tam plaintiffs be greater than the total award allowed to a single qui tam plaintiff under Subsection A or B of this Section.

F. In no instance shall the secretary, the medical assistance programs, the attorney general, or the state be liable for any costs, expenses, fees, or attorney fees incurred by the qui tam plaintiff or for any award entered against the qui tam plaintiff.

G. The percentage of the share awarded to or settled for by the qui tam plaintiff shall be determined using the total amount of the award or settlement.

### Qui Tam Actions & Remedies

(1) A private citizen may file with the government attorney a notice alleging a violation of 17-8-403 against a governmental entity of which the private citizen is a resident. The private citizen shall file a complaint with the government attorney that includes a written disclosure of material evidence and information alleging violations.

History: En. Sec. 6, Ch. 465, L. 2001; amd. Sec. 5, Ch. 64, L. 2002.

Mont. Code Anno., 17-8-410 - Distribution of damages and civil penalty.
(1) Except as provided in subsection (2), if the government attorney proceeds with an action brought by a person pursuant to § 17-8-406, the person must receive at least 15% but not more than 25% of the proceeds recovered and collected in the action or in settlement of the claim, depending on the extent to which the person substantially contributed to the prosecution of the action.

(2) (a) The court may award an amount it considers appropriate but in no case more than 10% of the proceeds in an action that the court finds to be based primarily on disclosures of specific information, other than information provided by the person bringing the action, relating to allegations or transactions disclosed through:

(i) a criminal, civil, or administrative hearing;

(ii) a legislative, administrative, auditor, or inspector general report, hearing, audit, or investigation; or

(iii) the news media.

(b) In determining the award, the court shall take into account the significance of the information and the role of the person bringing the action in advancing the case to litigation.

(3) Any payment to a person bringing an action pursuant to this part may be made only from the proceeds recovered and collected in the action or in settlement of the claim. The person must also receive an amount for reasonable expenses that the court finds to have been necessarily incurred, plus reasonable attorney fees and costs. The expenses, fees, and costs must be awarded against the defendant.

(4) If the government attorney does not proceed with an action pursuant to § 17-8-406, the person bringing the action or settling the claim must receive an amount that the court decides is reasonable for collecting the civil penalty and damages on behalf of the government attorney or governmental entity. The amount may not be less than 25% or more than 30% of the proceeds recovered and collected in the action or settlement of the claim and must be paid out of the proceeds. The person must also receive an amount for reasonable expenses that the court finds were necessarily incurred, plus reasonable attorney fees and costs. All expenses, fees, and costs must be awarded against the defendant.

(5) Whether or not the government attorney proceeds with the action, if the court finds that the action was brought by a person who planned and initiated the violation of § 17-8-403, the court may, to the extent the court considers appropriate, reduce or eliminate the share of the proceeds of the action that the person would otherwise receive pursuant to subsections (3) through (4) of this section, taking into account the role of the person in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the person bringing the action is convicted of criminal conduct arising from the person's role in the violation of this part, the person must be dismissed from the civil action and may not receive any share of the proceeds of the action. The dismissal does not prejudice the right of the government attorney to continue the action.

(6) The governmental entity is entitled to any damages and civil penalty not awarded to the person, and the damages and civil penalty must be deposited in the general fund of the governmental entity, except that if a trust fund of the governmental entity suffered a loss as a result of the defendant's actions, the trust fund must first be fully reimbursed, plus reasonable attorney fees and costs. All expenses, fees, and costs must be awarded against the defendant.

(7) If the person bringing the action is convicted of a criminal, civil, or administrative hearing arising from the violation of this part, the court may, in determining the award, reduce or eliminate the share of the proceeds of the action that the person would otherwise receive pursuant to subsections (3) through (4) of this section, taking into account the role of the person in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the person bringing the action is convicted of criminal conduct arising from the person's role in the violation of this part, the person must be dismissed from the civil action and may not receive any share of the proceeds of the action. The dismissal does not prejudice the right of the government attorney to continue the action.

(8) Unless otherwise provided, the remedies or penalties provided by this part are cumulative to each other and to the remedies or penalties available under all other laws of the state.

History: En. Sec. 10, Ch. 465, L. 2005; amd. Sec. 7, Ch. 64, L. 2009; amd. Sec. 4, Ch. 388, L. 2013.
and conditions of employment, agency, or contract because of the disclosure by the employee, agent, or contractor of information to a government or law enforcement agency pertaining to a violation of 17 C.F. 403.

(3) An employee, contractor, or agent is entitled to all relief necessary to make the employee, contractor, or agent whole if the employee, contractor, or agent is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of employment because of lawful acts done by the employee, contractor, or agent or associated others in furtherance of an action under this part or other efforts to stop one or more violations of this part.

(4) Relief under subsection (3) includes reinstatement with the same seniority status the employee, contractor, or agent would have had but for the discrimination, two times the amount of back pay, interest on the back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorney fees. A civil action may be brought in the appropriate district court of the state for the relief provided in this subsection.

(5) A civil action under this section may not be brought more than 3 years after the date on which the retaliation occurred.

(a) An individual, hereafter referred to as "relator," may bring a civil action for a violation of RSA 167:61-b on behalf of the relator and for the state. The action shall be brought in the name of the state against a defendant that (1) has its principal place of business within the state or (2) during the 12-month period immediately preceding the date the action is filed, received reimbursement from the Medicaid program of this state, as defined under RSA 167:63-V, equal to 10 percent or more of the defendant's aggregate reimbursement from all state medical assistance programs governed by Title XIX of the Social Security Act. No court shall have jurisdiction over an action brought by a relator under this paragraph, and no award shall be paid under RSA 167:61-e or V, unless the action satisfies the requirements of this paragraph.  

(b) When a relator brings an action under this section, no person other than the state may intervene or bring a related action based on the facts underlying the pending action.  
(e) A copy of the complaint and written disclosure of substantially all material evidence and information the relator possesses shall be served on the state in accordance with the New Hampshire rules of civil procedure. The complaint shall be filed in camera, shall remain under seal for at least 60 days, and shall not be served on the defendant until the court so orders. The state may elect to intervene and proceed with the action within 60 days after it receives both the complaint and the material evidence and information.  
(d) The state may, for good cause shown, move the court for one or more extensions of the 60-day time period during which the complaint shall remain under seal. Any such motion may be supported by affidavits or other submissions filed under seal.
(e) Before the expiration of the 60-day period or any extension obtained, the state shall:

(1) Proceed with the action, in which case the action shall be conducted by the state; or

(2) Notify the court that it declines to take over the action, in which case the relator who initiated the proceeding may conduct the action. If the state, having elected not to proceed with the action, so requests, it shall be served with copies of all pleadings filed in the action and shall receive copies of all deposition transcripts. The court, without limiting the status and rights of the relator, may subsequently permit the state to intervene upon a showing of good cause.

III. The defendant shall not be required to respond to any complaint filed under this section until after the complaint is unsealed and served upon the defendant in accordance with the New Hampshire rules of civil procedure.

RSA 167:61-d - Rights of Parties to Actions.

I. If the state proceeds with an action under RSA 167:61-e, the state shall have the primary responsibility for prosecuting the action and shall not be bound by an act of the relator bringing the action. The relator shall have the right to continue as a party to the action, subject to the following limitations:

(a) The state may dismiss the action notwithstanding the objections of the relator initiating the action if the court determines, after a hearing on the motion, that dismissal should be allowed.

(b) The state may settle the action with the defendant notwithstanding the objections of the relator initiating the action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, the hearing may be held in camera.

II. Notwithstanding RSA 167:61-e, the state may elect to pursue its claim through any alternate remedy available to the state, including any administrative proceeding to determine a civil monetary penalty. If any such alternate remedy is pursued in another proceeding, the relator initiating the action shall have the same rights in the proceeding as the relator would have had if the action had continued under this section. Any finding of fact or conclusion of law made in such other proceeding that has become final shall be conclusive on all parties to an action under this section.

III. The parties to the action shall receive court approval of any settlements reached.

RSA 167:61-e - Award to Relator.

I. If the state proceeds with an action brought by a relator under RSA 167:61-e, the relator shall, except as otherwise provided in this paragraph, receive at least 15 percent but not more than 25 percent of the proceeds of the action or settlement of the claim, depending upon the extent to which the relator substantially contributed to the prosecution of the action. Where the action is one that the court finds to be based primarily on disclosures of specific information, other than information provided by the relator bringing the action, relating to allegations or transactions in a criminal, civil, or administrative hearing, in a legislative or administrative report, hearing, audit, or investigation, or from the news media, the court may award sums as it considers appropriate, but in no case more than 10 percent of the proceeds, taking into account the significance of the information furnished by the relator and the role of the relator bringing the action in advancing the case to litigation. All payment to a relator under this paragraph shall be made from the proceeds. The relator shall also receive an amount for reasonable expenses that the court finds to have been necessarily incurred, plus reasonable attorneys’ fees and costs. All expenses, fees, and costs shall be awarded against the defendant.

II. Whether or not the state proceeds with the action, if the court finds that the action was brought by a relator who planned and initiated the violation of RSA 167:61-f upon which the action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action that the relator would otherwise receive under paragraph I, taking into account the role of the relator in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the relator bringing the action is convicted of criminal conduct arising from the relator's role in the violation of RSA 167:61-f, the relator shall be dismissed from the civil action and shall not receive any share of the proceeds of the action. The dismissal shall not prejudice the right of the state to continue the action represented by the attorney general.

II. No court shall have jurisdiction over an action brought under RSA 167:61-c:

(a) Against any department official or any division, board, bureau, commission or agency within the department;

(b) When the relator is a present or former employee of the state and the action is based upon information discovered by the employee during the course of the employee's employment, unless the employee first, in good faith, exhausted any existing internal procedures for reporting and seeking recovery of the falsely claimed sums through official channels and the state failed to act on the information provided within a reasonable period of time;

(c) That is based upon allegations or transactions that are the subject of a civil suit or an administrative civil money penalty proceeding, in which the state is already a party; or

(d) That is based upon the public disclosure of allegations or transactions in a criminal, civil, or administrative hearing, in a legislative or administrative report, hearing, audit, or investigation, or from the news media, unless the action is brought by the attorney general or the relator bringing the action is an original source of the information.

IV. The state shall not be liable for expenses or fees, including attorneys' fees, that a relator incurs in bringing an action under RSA 167:61-c and shall not elect to pay those expenses or fees.

V. If the state does not proceed with an action brought by a relator under RSA 167:61-c, the relator bringing the action or settling the claim shall receive an amount that the court decides is reasonable for collecting the civil penalty and damages. The amount shall not be less than 25 percent and not more than 30 percent of the proceeds of the action or settlement and shall be paid out of the proceeds. The relator shall also receive an amount for reasonable expenses that the court finds to have been necessarily incurred, plus reasonable attorneys fees and costs. All expenses, fees, and costs shall be awarded against the defendant.

VI. If the state does not proceed with an action brought by a relator under RSA 167:61-c and the relator conducts the action, the court may award to the defendant reasonable attorneys fees and expenses if the defendant prevails in the action and the court finds that the claim was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

Whistleblower Protection

IV. Notwithstanding any provision of RSA 27S:1 to the contrary, any employee who is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of employment by his or her employer because of lawful acts done by the employee on behalf of the employee or others in furtherance of an action under this section, including investigation for, initiation of, testimony for, or assistance in an action filed or to be filed under this section, shall be entitled to all relief necessary to make the employee whole. Such relief shall include reinstatement with the same seniority status such employee would have had but for the discrimination, 2 times the amount of back pay, interest on the back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorneys' fees. An employee may bring an action in the superior court for the relief provided in this paragraph. For purposes of this paragraph, "employee" has the same meaning as in RSA 27S:1-I.

As used in this act:
"Health care claims fraud" means making, or causing to be made, a false, fictitious, fraudulent, or misleading statement of material fact in, or omitting a material fact from, or causing a material fact to be omitted from, any record, bill, claim or other document, in writing, electronically or in any other form, that a person attempts to submit, submits, causes to be submitted, or attempts to cause to be submitted for payment or reimbursement for health care services.

For the purposes of this section, a person acts recklessly with respect to a material element of an offense when he consciously disregards a substantial and unjustifiable risk that the material element exists or will result from his conduct. The risk must be of such a nature and degree that, considering the nature and purpose of the actor's conduct and the circumstances known to him, its disregard involves a gross deviation from the standard of conduct that a reasonable person would observe in the actor's situation.

(1) Nothing in this act shall preclude an indictment and conviction for any other offense defined by the laws of this State.

(2) Nothing in this act shall preclude an assignment judge from dismissing a prosecution of health care claims fraud if the assignment judge determines, pursuant to N.J.S. 2C:2-11, the conduct charged to be a de minimis infraction.

Insurance Fraud Detection Reward Program

a. There is established within the Office of the Insurance Fraud Prosecutor an Insurance Fraud Detection Reward Program, to be funded from surcharges imposed pursuant to section 53 of P.L. 2002, c. 34 (C. 17:33A-5.1) and supplemented as necessary and appropriate by amounts budgeted for the operation of the office.

b. c. The Insurance Fraud Prosecutor shall maintain a 24-hour toll-free insurance fraud hotline to receive information from members of the public who have knowledge of or who believe that an act of health care claims fraud, insurance fraud or any other criminal offense involving or related to an insurance transaction is being or has been committed.

d. The Attorney General, through the Insurance Fraud Prosecutor, is authorized to pay a reward of up to $25,000 to persons providing information leading to the arrest, prosecution and conviction of persons or entities who have committed health care claims fraud, insurance fraud or any other criminal offense related to an insurance transaction. Only a single reward amount may be paid by the Insurance Fraud Prosecutor for claims arising out of the same transaction or occurrence, regardless of the number of persons arrested, prosecuted and convicted and regardless of the number of persons submitting claims for the reward. The reward may be divided and disbursed among more than one person in amounts determined by the Insurance Fraud Prosecutor, in accordance with the provisions of this subsection. The decision of the Insurance Fraud Prosecutor as to the person or persons entitled to the reward shall be final unless the reward recipients shall disagree, in which event, the matter shall be referred to the Attorney General whose decision shall be final and shall not be subject to judicial review.

e. Any person acting in good faith who provides information in accordance with subsection b. of this section shall have immunity from any liability, civil or criminal, that might otherwise be incurred or imposed as a result of such act.

If the court imposes a noncustodial or probationary sentence, such sentence shall not become final for 10 days in order to permit the appeal of such sentence by the prosecution. Nothing in this section shall preclude an indictment and conviction for any other offense defined by the laws of this State.

If the court does not permanently forfeit such license pursuant to this paragraph, the sentence shall not become final for 10 days in order to permit the appeal of such sentence by the prosecution.

If the court does not permanently forfeit such license or certificate pursuant to this paragraph, the sentence shall not become final for 10 days in order to permit the appeal of that sentence by the prosecution.

(5) A person convicted of third degree insurance fraud pursuant to section 73 of P.L. 2003, c. 89 (C. 2C:21-4.6) or a substantially similar crime under the laws of another state or the United States who holds a license or certificate of authority or qualification to engage in the practice of a profession, occupation, trade, vocation, or business, including but not limited to a practitioner as defined in section 2 of P.L. 1997, c. 353 (C. 2C:21-4.2), shall have his license or certificate suspended and be barred from the practice of that profession, occupation, trade, vocation or business for a period of at least one year if the act or acts underlying the conviction involved or were related to an insurance transaction as defined in section 72 of P.L. 2003, c. 89 (C. 2C:21-4.6) and touched upon or were performed while engaged in the practice of that profession, occupation, trade, vocation or business.

(6) Upon a second conviction of third degree insurance fraud pursuant to section 73 of P.L. 2003, c. 89 (C. 2C:21-4.6) or a substantially similar crime under the laws of another state or the United States which meets the criteria of paragraph (2) of this subsection, a person shall forfeit his license or certificate and be forever barred from the practice of that profession, occupation, trade, vocation or business.

(7) Upon application of the county prosecutor or the Attorney General, a person convicted of any crime of the second degree or above enumerated in chapter 20 or 21 of Title 2C of the New Jersey Statutes or a substantially similar crime under the laws of another state or the United States who holds a license or certificate of authority or qualification to engage in the practice of a profession, occupation, trade, vocation or business, including a practitioner as defined in section 2 of P.L. 1997, c. 353 (C. 2C:21-4.2), shall forfeit such license or certificate and be forever barred from the practice of that profession, occupation, trade, vocation or business if the act or acts underlying the conviction involved or were related to an insurance transaction as defined in section 72 of P.L. 2003, c. 89 (C. 2C:21-4.6) and touched upon or were performed while engaged in the practice of that profession, occupation, trade, vocation or business, unless the court finds that the license or certificate forfeiture would be a serious injustice which overrides the need to deter such conduct by others and in that case the court shall determine an appropriate period of license or certificate suspension which shall be for a period of not less than one year. If the court does not permanently forfeit that license or certificate pursuant to this paragraph, the sentence shall not become final for 10 days in order to permit the appeal of that sentence by the prosecution.

(8) Upon application of the county prosecutor or the Attorney General, a person convicted of any crime of the third degree enumerated in chapter 20 or 21 of Title 2C of the New Jersey Statutes or a substantially similar crime under the laws of another state or the United States who holds a license or certificate of authority or qualification to engage in the practice of a profession, occupation, trade, vocation or business, including but not limited to a practitioner as defined in section 2 of P.L. 1997, c. 353 (C. 2C:21-4.2), shall have his license or certificate suspended and be barred from the practice of that profession, occupation, trade, vocation or business for a period of at least one year if the act or acts underlying the conviction involved or were related to an insurance transaction as defined in section 72 of P.L. 2003, c. 89 (C. 2C:21-4.2) and touched upon or were performed while engaged in the practice of that profession, occupation, trade, vocation or business.

b. A court of this State shall enter an order of license or certificate forfeiture or suspension pursuant to subsection a. of this section:

(1) Immediately upon a finding of guilt by the trier of fact or a plea of guilty entered in any court of this State; or

(2) Upon application of the county prosecutor or the Attorney General, when the license or certificate forfeiture or suspension is made pursuant to paragraph (4) of subsection a. of this section or is based upon a conviction of an offense under the laws of another state or of the United States. An order of license or certificate forfeiture or suspension pursuant to this paragraph shall be effective as of the date the person is found guilty by the trier of fact or pleads guilty to the offense.

This application may also be made in the alternative by the Attorney General to the appropriate licensing agency.

The court shall provide notice of the forfeiture or suspension to the appropriate licensing agency within 10 days of the date an order of forfeiture or suspension is entered.

c. No court shall grant a stay of an order of license or certificate forfeiture or suspension pending appeal of a conviction or forfeiture or suspension order unless the court is clearly convinced that there is a substantial likelihood of success on the merits. If the conviction is reversed or the order of license or certificate forfeiture or suspension is overturned, the court shall provide notice of reinstatement to the appropriate licensing agency within 10 days of the date of the order of reinstatement. The license or certificate shall be restored, in accordance with applicable procedures, unless the appropriate licensing agency determines to suspend or revoke the license or certificate.

d. In any case in which the issue of license or certificate forfeiture or suspension is not raised in a court of this State at the time of a finding of guilt, entry of a guilty plea or sentencing, a license or certificate forfeiture or suspension required by this section may be ordered by a court or by the appropriate licensing agency of this State upon application of the county prosecutor or the Attorney General or upon application of the appropriate licensing agency having authority to revoke or suspend the professional's license or certificate. The fact that a court has declined to order license or certificate forfeiture or suspension shall not preclude the appropriate

licensing agency having authority to revoke or suspend the professional's license or certificate from seeking to do so on the ground that the conduct giving rise to the conviction demonstrates that the person is unfit to hold the license or certificate or is otherwise liable for an offense as specified in section 8 of P.L. 1978, c. 73 (C. 45:1-2D).
e. If the Supreme Court of the State of New Jersey issues Rules of Court pursuant to this act, the Supreme Court may revoke the license to practice law of any attorney who has been convicted, under the laws of this State, of health care claims fraud pursuant to section 3 of P.L. 1997, c. 353 (C. 2C:21-4.3), or an offense which, if committed in this State, would constitute health care claims fraud, insurance fraud pursuant to section 73 of P.L. 2003, c. 89 (C. 2C:21-4.6), or an offense which, if committed in this State, would constitute insurance fraud.
f. Nothing in this section shall be construed to prevent or limit the appropriate licensing agency or any other party from taking any other action permitted by law against the practitioner.

f. A person who operates a motor vehicle on the public highways of this State, which motor vehicle is insured by a policy issued under the laws of another state, and who maintains a principal residence in this State or who has his motor vehicle principally garaged in this State violates the provisions of P.L.1983, c.320 (C.17:33A-4 et seq.) if he has knowingly prepared or made any written or oral statement, presented to any insurance company or producer licensed to transact the business of insurance under the laws of that other state, and which resulted in obtaining a motor vehicle insurance policy for his motor vehicle in that other state, that the person to be insured:

N.J. Stat. § 17:33A-5 - Remedies; penalties; fund established

a. Whenever the commissioner determines that a person has violated any provision of P.L.1983, c.320 (C.17:33A-1 et seq.), the commissioner may either:

(1) bring a civil action in accordance with subsection b. of this section; or

In addition to or as an alternative to the remedies provided in this section, the commissioner may request the Attorney General to bring a criminal action under applicable criminal statutes. Additionally, nothing in this section shall be construed to preclude the commissioner from referring the matter to appropriate state licensing authorities, including the insurance producer licensing section in the Department of Banking and Insurance, for consideration of licensing actions, including license suspension or revocation.

b. Any person who violates any provision of P.L.1983, c.320 (C.17:33A-1 et seq.) shall be liable, in a civil action brought by the commissioner in a court of competent jurisdiction, for a penalty of not more than $ 5,000 for the first violation, $ 10,000 for the second violation and $ 15,000 for each subsequent violation. The penalty shall be paid to the commissioner to be used in accordance with subsection e. of this section. The court shall also award court costs and reasonable attorneys' fees to the commissioner.

c. The commissioner is authorized to assess a civil and administrative penalty of not more than $ 5,000 for the first violation, $ 10,000 for the second violation and $ 15,000 for each subsequent violation of any provision of P.L.1983, c.320 (C.17:33A-1 et seq.) and to order restitution to any insurance company or other person who has suffered a loss as a result of a violation of P.L.1983, c.320 (C.17:33A-1 et seq.). No assessment shall be levied pursuant to this subsection until the violator has been notified by certified mail or personal service. The notice shall contain a concise statement of facts providing the basis for the determination of a violation of P.L.1983, c.320 (C.17:33A-1 et seq.). Once assessed, the provisions of this act violated, a statement of the amount of civil penalties assessed and a statement of the party's right to a hearing in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.32:14B-1 et seq.). The noticed party shall have 20 calendar days from receipt of the notice within which to deliver to the commissioner a written request for a hearing containing an answer to the statement of facts contained in the notice. After the hearing and upon a finding that a violation has occurred, the commissioner may issue a final order assessing up to the amount of the penalty in the notice, restitution, and costs of prosecution, including attorneys' fees. If no hearing is requested, the notice shall become a final order after the expiration of the 20-day period. Payment of the assessment is due when a final order.

i. When a person files an action under this act, no other person except the State may intervene or bring a related action based on the facts underlying the pending action.

§ 2A:32C-9. Immunity from civil liability; limitations on bringing an action

a. No member of the Legislature, a member of the Judiciary, a senior Executive branch official, or a member of a county or municipal governing body may be civilly liable if the basis for an action is premised on evidence or information known to the State when the action was brought. For purposes of this subsection, the term "senior Executive branch official" means any person employed in the Executive branch of government holding a position having substantial managerial, policy-influencing or policy-executing responsibilities.

b. A person may not bring an action under this act based upon allegations or transactions that are the subject of a pending action or administrative proceeding to which the State is already a party.

c. No action brought under this act shall be based upon the public disclosure of allegations or transactions in a criminal, civil, or administrative hearing, in an investigation, report, hearing or audit conducted by or at the request of the Legislature or by the news media, unless the action is brought by the Attorney General, or unless the person bringing the action is an original source of the information. For purposes of this subsection, the term "original source" means an individual who has direct and independent knowledge of the information on which the allegations are based and has voluntarily provided the information to the State before filing an action under this act based on the information.

d. No action may be brought under this act by a present or former employee or agent of the State or any political subdivision thereof if the action is based upon information discovered in any civil, criminal or administrative investigation, report, hearing, audit, or investigation or audit was within the scope of the employee’s or agent’s duties or job description.

N.J. Stat. § 2A:32C-7

Distribution of proceeds

a. If the Attorney General proceeds with an action by a person under this act, except as provided in subsection b., the court shall order the distribution to the person of at least 15% but not more than 25% of the proceeds recovered under any judgment obtained by the Attorney General under this act or of the proceeds of any settlement of the claim, depending upon the extent to which the person substantially contributed to the prosecution of the action.

b. If the Attorney General proceeds with an action which the court finds to be based primarily on disclosures of specific information, other than that provided by the person bringing the action, relating to allegations or transactions in a criminal, civil, or administrative hearing; a legislative, administrative, or inspector general report, hearing, audit, or investigation; or from the news media, the court may award such sums as it considers appropriate, taking into account the significance of the information and the role of the person bringing the action in advancing the case to litigation.

c. The Attorney General shall receive a fixed 10% of the proceeds in any action or settlement of the claim which it brings, which shall be deposited in the "False Claims Prosecution Fund" established in section 13 of this act and shall only be used to support its ongoing investigation and prosecution of false claims pursuant to the provisions of this act.

d. If the Attorney General does not proceed with an action under this section, the person bringing the action or settling the claim shall receive an amount which the court decides is reasonable for collecting the civil penalty and damages. The amount shall be not less than 25% and not more than 30% of the proceeds of the action or settlement of a claim under this act.

e. Following any distributions under subsection a., b., c. or d. of this section the State entity injured by the submission of a false claim shall be awarded an amount not to exceed its compensatory damages. Any remaining proceeds, including civil penalties awarded under this act, shall be deposited in the General Fund.

f. Any payment under this section to the person bringing the action shall be paid only out of the proceeds recovered from the defendant.

g. Whether or not the Attorney General proceeds with the action, if the court finds that the action was brought by a person who knowingly planned and initiated the violation of this act upon which the action was brought, the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action which the person would otherwise receive under this section, taking into account the role of the person who brought the action.
### False Claims Laws

In advancing the case to litigation and any relevant circumstances pertaining to the violation. If the person bringing the action is convicted of criminal conduct arising from his role in the violation of this act the person shall be dismissed from the civil action and shall not receive any share of the proceeds of the action. Such dismissal shall not prejudice the right of the Attorney General to continue the action.

**c.** An employer who violates subsection b. of this section shall be liable for all relief necessary to make the employee whole, including reinstatement with the same seniority status such employee would have had but for the discrimination, two times the amount of back pay, interest on the back pay, compensation for any special damage sustained as a result of the discrimination, and, where appropriate, punitive damages. In addition, the defendant shall be required to pay litigation costs and reasonable attorney's fees associated with an action brought under this section. G. If the person who commits Medicaid fraud is an entity rather than an individual, the entity shall be subject to a fine of not more than fifty thousand dollars ($50,000) for each misdemeanor and not more than two hundred fifty thousand dollars ($250,000) for each felony.

H. The unit shall coordinate with the human services department, department of health and children, youth and families department to develop a joint protocol establishing responsibilities and procedures, including prompt and appropriate referrals and necessary action regarding allegations of program fraud, to ensure prompt investigation of suspected fraud upon the Medicaid program by any provider. N.M. Stat. Ann. § 30-44-8 - Civil penalties; created; enumerated; presumption; limitation of action

A. Any person who receives payment for furnishing treatment, services or goods under the program, which payment the person is not entitled to receive by reason of a violation of the Medicaid Fraud Act [30-44-1 NMSA 1978], shall, in addition to any other penalties or amounts provided by law, be liable for:

1. payment of interest on the amount of the excess payments at the maximum legal rate in effect on the date the payment was made, for the period from the date payment was made to the date of repayment to the state;
2. a civil penalty in an amount of up to three times the amount of excess payments;
3. payment of a civil penalty of up to ten thousand dollars ($10,000) for each false or fraudulent claim submitted or representation made for providing treatment, services or goods; and
4. payment of legal fees and costs of investigation and enforcement of civil remedies.

B. Interest amounts, legal fees and costs of enforcement of civil remedies assessed under this section shall be remitted to the state treasurer for deposit in the general fund.

C. Any penalties and costs of investigation recovered on behalf of the state shall be remitted to the state treasurer for deposit in the general fund except an amount not to exceed two hundred fifty thousand dollars ($250,000) in fiscal year 2004, one hundred twenty-five thousand dollars ($125,000) in fiscal year 2005 and seventy-five thousand dollars ($75,000) in fiscal year 2006 may be retained by the unit and expended, consistent with federal regulations and state law, for the purpose of carrying out the unit's duties.

D. A criminal action need not be brought against a person as a condition precedent to enforcement of civil liability under the Medicaid Fraud Act [30-44-1 NMSA 1978].

E. The remedies under this section are separate from and cumulative to any other administrative and civil remedies available under federal or state law or regulation.

F. The department may adopt regulations for the administration of the civil penalties contained in this section.

G. No action under this section shall be brought after the expiration of five years from the date the action accrues.

**HISTORY:** Laws 2004, ch. 49, § 7.

**N.M. Stat. Ann. § 27-14-8 - Rights of the parties to qui tam actions**

| A. If the department proceeds with the action, it shall have the exclusive responsibility for prosecuting the action and shall not be bound by an act of the person bringing the action. The person bringing the action shall have the right to continue to act as a nominal party to the action and shall not have the right to participate in the litigation except as a witness. |
| B. The department may dismiss the action, pursuant to Subsection F of Section 7 [27-14-7 NMSA 1978] of the Medicaid False Claims Act, notwithstanding the objections of the person bringing the action if the person has been notified by the department of the filing of the motion and the court has provided the person with an opportunity for a hearing on the motion. |
| C. The department may settle the action with the defendant, pursuant to Subsection F of Section 7 [27-14-7 NMSA 1978] of the Medicaid False Claims Act, notwithstanding the objections of the person bringing the action if the court determines, after the hearing, that the proposed settlement is fair, adequate and reasonable under all the circumstances. Upon a showing of good cause, such hearing may be held in camera. |
| D. If the state elects not to proceed with the action, the person bringing the action shall have the right to conduct the action. If the department requests, it shall be served with copies of the pleadings filed in the action and shall be supplied with copies of all deposition transcripts at the department's expense. When a person proceeds with the action, the court, without limiting the status and rights of the person bringing the action, may allow the department to intervene at a later date upon a showing of good cause. |
| E. Whether or not the department proceeds with the action, upon a showing by the department that certain actions of discovery by the person bringing the action would interfere with the department's investigation or prosecution of a civil matter arising out of the same facts, the court may stay such discovery for a period not to exceed sixty days. Such a showing shall be conducted in camera. The court may extend the sixty-day period upon a further showing in camera that the department has pursued the civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing civil investigation or proceedings. |
N.M. Stat. Ann. § 27-14-9 - Award to qui tam plaintiff

A. If the department proceeds with an action brought by a person pursuant to the Medicaid False Claims Act [27-14-1 NMSA 1978], the person shall, subject to the limitations in this subsection, receive at least fifteen percent but not more than twenty-five percent of the proceeds of the action or settlement of the claim, depending upon the extent to which the person substantially contributed to the prosecution of the action. Where the action is one that the court finds to be based primarily on disclosures of specific information other than information provided by the party bringing the action relating to allegations or transactions in a criminal, civil or administrative hearing or from the news media, the court shall award a sum as it considers appropriate; provided that the sum does not exceed ten percent of the proceeds and takes into account the significance of the information and the role of the person bringing the action in advancing the case to litigation. A payment to a person pursuant to this subsection shall be made from the proceeds. The person shall also receive an amount for reasonable expenses that the court finds to have been necessarily incurred, plus reasonable attorney fees and costs. In determining the amount of reasonable attorney fees and costs, the court shall consider whether such fees and costs were necessary to the prosecution of the action, were incurred for activities that were duplicative of the activities of the department in prosecuting the case or were repetitious, irrelevant or for purposes of harassment or caused the defendant undue burden or unnecessary expense. All such expenses, fees and costs shall be awarded against the defendant. B. If the department does not proceed with an action pursuant to the Medicaid False Claims Act [27-14-1 NMSA 1978], the person bringing the action or settling the claim shall receive an amount that the court decides is reasonable for collecting the civil recovery and damages recoverable by the state. The amount shall be not less than twenty-five percent and not more than thirty percent of the proceeds of the action or settlement and shall be paid out of such proceeds. The person shall also receive an amount for reasonable expenses that the court finds to have been necessarily incurred, plus reasonable attorney fees and costs. In determining the amount of reasonable attorney fees and costs, the court shall consider whether such fees and costs were necessary to the prosecution of the action, were incurred for activities, which were repetitious, irrelevant or for purposes of harassment or caused the defendant undue burden or unnecessary expense. All such expenses, fees and costs shall be awarded against the defendant. C. Whether or not the department proceeds with the action, if the court finds that the action was brought by a person who planned and initiated the violation upon which the action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action that the party would otherwise receive pursuant to Subsection A or B of this section, taking into account the role of that person in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the person bringing the action is convicted of criminal conduct arising from the person's role in the violation of the Medicaid False Claims Act [27-14-1 NMSA 1978], that person shall be dismissed from the civil action and shall not receive any share of the proceeds of the action. Such dismissal shall not prejudice the right of the state to continue the action represented by the department. If the department does not proceed with the action and the person bringing the action conducts the action, the court may award to the defendant its reasonable attorney fees and costs if the defendant prevails in the action and the court finds that the claim of the party bringing the action was:

(1) filed for an improper purpose;  
(2) not warranted by existing law or by a nonfrivolous argument for the extension, modification or reversal of existing law or the establishment of new law; or  
(3) was based on allegations or factual contentions not supported.

N.M. Stat. Ann. § 27-14-10 - Certain actions barred

A. A court shall not have jurisdiction of an action brought pursuant to the Medicaid False Claims Act [27-14-1 NMSA 1978] against a department official if the action is substantially based on evidence or information known to the department when the action was brought. B. A person shall not bring an action pursuant to the Medicaid False Claims Act [27-14-1 NMSA 1978] that is substantially based upon allegations or transactions that are the subject of a civil suit or an administrative proceeding in which the department is already a party. C. A court shall not have jurisdiction over an action pursuant to the Medicaid False Claims Act [27-14-1 NMSA 1978] substantially based upon the public disclosure of allegations or actions in a criminal, civil or administrative hearing or from the news media, unless the action is brought by the department or the person bringing the action is an original source of the information. For the purposes of this subsection, "original source" means the person bringing suit that has independent knowledge, including knowledge based on the person's own investigation of the defendant's conduct, of the information on which the allegations are based and has voluntarily provided or verified the information on which the allegations are based or has voluntarily provided the information to the department before filing an action pursuant to this section that is based on the information.

**HISTORY:** Laws 2007, ch. 40, § 4; 2015, ch. 128, § 3.

N.M. Stat. Ann. § 44-9-5 - Civil action by qui tam plaintiff; state may intervene

A. A person may bring a civil action for a violation of Section 44-9-3 NMSA 1978 on behalf of the person and the state or political subdivision. The action shall be brought in the name of the state or political subdivision. The person bringing the action shall be referred to as the qui tam plaintiff. Once filed, the action may be dismissed only with the written consent of the court, taking into account the best interest of the parties involved and the public purposes behind the Fraud Against Taxpayers Act.

B. A complaint filed by a qui tam plaintiff shall be filed in camera in district court and shall remain under seal for at least sixty days. No service shall be made on a defendant and no response is required from a defendant until the seal has been lifted and the complaint served pursuant to the rules of civil procedure.

C. On the same day as the complaint is filed, the qui tam plaintiff shall serve the attorney general, and the political subdivision, if applicable, with a copy of the complaint and written disclosure of substantially all material evidence and information the qui tam plaintiff possesses. The attorney general on behalf of the state or the political subdivision, or the political subdivision on its own behalf, may intervene and proceed with the action within sixty days after receiving the complaint and the material evidence and information. Upon a showing of good cause and reasonable diligence in the state's or political subdivision's investigation, the state or political subdivision may move the court for an extension of time during which the complaint shall remain under seal.

D. Before the expiration of the sixty-day period or any extensions of time granted by the court, the attorney general or political subdivision shall notify the court that the state or the political subdivision:

   (1) intends to intervene and proceed with the action; in which case, the seal shall be lifted and the action shall be conducted by the attorney general on behalf of the state or the political subdivision, or the political subdivision shall conduct the action on its own behalf; or

   (2) declines to take over the action; in which case the seal shall be lifted and the qui tam plaintiff may proceed with the action.

E. When a person brings an action pursuant to this section, no person other than the attorney general on behalf of the state or a political subdivision, or a political subdivision on its own behalf, may intervene or bring a related action based on the facts underlying the pending action.

N.M. Stat. Ann. § 44-9-6 - Rights of the qui tam plaintiff and the state

A. If the state or political subdivision proceeds with the action, it shall have the primary responsibility of prosecuting the action and shall not be bound by an act of the qui tam plaintiff. The qui tam plaintiff shall have the right to continue as a party to the action, subject to the limitations of this section.

B. The state or political subdivision may seek to dismiss the action for good cause notwithstanding the objections of the qui tam plaintiff if the qui tam plaintiff has been notified of the filing of the motion and the court has provided the qui tam plaintiff with an opportunity to oppose the motion and to present evidence at a hearing.

C. The state or political subdivision may settle the action with the defendant notwithstanding any objection by the qui tam plaintiff if the court determines, after a hearing providing the qui tam plaintiff an opportunity to present evidence, that the proposed settlement is fair, adequate and reasonable under all of the circumstances.

D. Upon a showing by the state or political subdivision that unrestricted participation during the course of the litigation by the qui tam plaintiff would interfere with or unduly delay the prosecution of the case, or would be repetitious, irrelevant or for the purpose of harassment, the court may, in its discretion, impose limitations on the qui tam plaintiff's participation, such as:

   (1) limiting the number of witnesses the qui tam plaintiff may call;

   (2) limiting the length of testimony of such witnesses;
(3) limiting the qui tam plaintiff's cross examination of witnesses; or

(4) otherwise limiting the qui tam plaintiff's participation in the litigation.

E. Upon a showing by a defendant that unrestricted participation during the course of litigation by the qui tam plaintiff would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation by the qui tam plaintiff in the litigation.

F. If the state or political subdivision elects not to proceed with the action, the qui tam plaintiff shall have the right to conduct the action. If the attorney general or political subdivision so requests, the qui tam plaintiff shall serve the attorney general or political subdivision with copies of all pleadings filed in the action and all deposition transcripts in the case, at the state's or political subdivision's expense. When the qui tam plaintiff proceeds with the action, the court, without limiting the status and rights of the qui tam plaintiff, may permit the attorney general or political subdivision to intervene at a later date upon a showing of good cause.

G. Whether or not the state or political subdivision proceeds with the action, upon a showing by the attorney general or political subdivision on behalf of the state or political subdivision, or a political subdivision on its own behalf, that certain actions of discovery by the qui tam plaintiff would interfere with an investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay such discovery for a period of not more than sixty days. The showing by the state or political subdivision shall be conducted in camera. The court may extend the sixty-day period upon a further showing in camera that the state or political subdivision has pursued the criminal or civil investigation or proceeding with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceeding.

H. Notwithstanding the provisions of Section 44-9-5 NMSA 1978, the attorney general or political subdivision may elect to pursue the state's or political subdivision's claim through an alternate remedy available, including an administrative proceeding to determine a civil money penalty. If an alternate remedy is pursued, the qui tam plaintiff shall have the same rights in such proceeding as the qui tam plaintiff would have had if the action had continued pursuant to this section. A finding of fact or conclusion of law made in the other proceeding that has become final shall be conclusive on all parties to an action under the Fraud Against Taxpayers Act. For purposes of this subsection, a finding or conclusion is final if it has been finally determined on appeal to the appropriate court, if all time for filing an appeal with respect to the finding or conclusion has expired or if the finding or conclusion is not subject to judicial review.

N.M. Stat. Ann. § 44-9-7 - Awards to qui tam plaintiff and the state
A. Except as otherwise provided in this section, if the state or a political subdivision proceeds with an action brought by a qui tam plaintiff and the state or political subdivision prevails in the action, the qui tam plaintiff shall receive:

(1) at least fifteen percent but not more than twenty-five percent of the proceeds of the action or settlement, depending upon the extent to which the qui tam plaintiff substantially contributed to the prosecution of the action; or

(2) no more than ten percent of the proceeds of the action or settlement if the court finds that the action was brought by a qui tam plaintiff, relating to allegations or transactions in a criminal, civil, administrative or legislative hearing, proceeding, report, audit or investigation or from the news media, taking into account the significance of the information and the role of the qui tam plaintiff in advancing the case to litigation. However, if the attorney general or political subdivision determines and certifies in writing that the qui tam plaintiff provided a significant contribution in advancing the case, the qui tam plaintiff shall receive the share of proceeds set forth in Paragraph (1) of this subsection.

B. If the state or political subdivision does not proceed with an action brought by a qui tam plaintiff and the state or political subdivision prevails in the action, the qui tam plaintiff shall receive an amount that is not less than twenty-five percent or more than thirty percent of the proceeds of the action or settlement, as the court deems reasonable for collecting the civil penalty and damages.

C. Whether or not the state or political subdivision proceeds with an action brought by a qui tam plaintiff:

(1) if the court finds that the action was brought by a person that planned or initiated the violation of Section 44-9-3 NMSA 1978 upon which the action was based, the court may reduce the share of the proceeds that the person would otherwise receive under Subsection A or B of this section, taking into account the role of the person as the qui tam plaintiff in advancing the case to litigation and any relevant circumstances pertaining to the violation; or

(2) if the person bringing the action is convicted of criminal conduct arising from that person's role in the violation of Section 44-9-3 NMSA 1978 upon which the action was based, that person shall be dismissed from
the civil action and shall not receive a share of the proceeds. The dismissal shall not prejudice the right of the state or political subdivision to continue the action.

D. Any award to a qui tam plaintiff shall be paid out of the proceeds of the action or settlement, if any. The qui tam plaintiff shall also receive an amount for reasonable expenses incurred in the action plus reasonable attorney fees that shall be paid by the defendant.

E. The state or political subdivision is entitled to all proceeds collected in an action or settlement not awarded to a qui tam plaintiff. The state or political subdivision is also entitled to reasonable expenses incurred in the action plus reasonable attorney fees, including the fees of the attorney general or state agency counsel or counsel employed by the political subdivision that shall be paid by the defendant.

F. Proceeds and penalties collected by the state or political subdivision shall be deposited as follows:

1. proceeds in the amount of the false claim paid and attorney fees and costs shall be returned to the fund or funds from which the money, property or services came;

2. civil penalties shall be deposited in the current school fund pursuant to Article 12, Section 4 of the constitution of New Mexico;

3. except as provided in Paragraph (4) of this subsection, all remaining proceeds shall be deposited as follows:

   a. one-half into a fund for the use of the attorney general in furtherance of the obligations imposed upon that office by the Fraud Against Taxpayers Act; and

   b. one-half into the general fund; or

4. remaining proceeds collected by counties or municipalities as political subdivisions acting on their own behalf shall be disposed of in accordance with the direction of the governing body of the county or municipality.

N.M. Stat. Ann. § 44-9-8 - Award of attorney fees and costs to defendant

If the state or political subdivision does not proceed with the action and the qui tam plaintiff conducts the action, the court may award a defendant reasonable attorney fees and costs if the defendant prevails and the court finds the action clearly frivolous, clearly vexatious or brought primarily for the purpose of harassment.

A. No court shall have jurisdiction over an action brought pursuant to Section 44-9-5 NMSA 1978 by a present or former employee of the state or political subdivision unless the employee, during employment with the state or political subdivision and in good faith, exhausted existing internal procedures for reporting false claims and the state or political subdivision failed to act on the information provided within a reasonable period of time.

B. No court shall have jurisdiction over an action brought pursuant to Section 44-9-5 NMSA 1978 against an elected or appointed state official, a member of the state legislature or a member of the judiciary if the action is based on evidence or information known to the state agency to which the false claim was made or to the attorney general when the action was filed.

C. Unless the attorney general or political subdivision determines and certifies in writing that the action is in the interest of the state or political subdivision, no court shall have jurisdiction over an action brought pursuant to Section 44-9-5 NMSA 1978 when that action is based on allegations or transactions that are the subject of a criminal, civil or administrative proceeding in which the state or political subdivision is a party.

D. Upon motion of the attorney general or political subdivision, a court may, in its discretion, dismiss an action brought pursuant to Section 44-9-5 NMSA 1978 if the elements of the alleged false or fraudulent claim have been publicly disclosed in the news media or in a publicly disseminated governmental report at the time the complaint is filed.
The state or political subdivision shall not be liable for expenses or fees that a qui tam plaintiff may incur in investigating or bringing an action pursuant to the Fraud Against Taxpayers Act.

A civil action pursuant to the Fraud Against Taxpayers Act may be brought at any time. A civil action pursuant to the Fraud Against Taxpayers Act may be brought for conduct that occurred prior to the effective date of that act, but not for conduct that occurred prior to July 1, 1987.

N.M. Stat. Ann. § 44-9-12 - Limitation of actions; estoppel; standard of proof

A. Notwithstanding any other provision of law, a final judgment rendered in a criminal proceeding charging fraud or false statement, whether upon a guilty verdict after trial or upon a plea of guilty or nolo contendere, shall estop the defendant from denying the essential elements of a fraud against taxpayers action where the criminal proceeding concerns the same transaction that is the subject of the fraud against taxpayers action.

B. In an action brought pursuant to the Fraud Against Taxpayers Act, the state or political subdivision or the qui tam plaintiff shall be required to prove all essential elements of the cause of action, including damages, by a preponderance of the evidence.

Liability shall be joint and several for any act committed by two or more persons in violation of the Fraud Against Taxpayers Act [44-9-1 NMSA 1978].

N.M. Stat. Ann. § 44-9-14 - Remedy not exclusive

Qui Tam Actions & Remedies

NY CLS St Fin § 190

Civil actions for false claims

1. Civil enforcement actions. The attorney general shall have the authority to investigate violations under section one hundred eighty-nine of this article. If the attorney general believes that a person has violated or is violating such section, then the attorney general may bring a civil action on behalf of the people of the state of New York or on behalf of a local government against such person. A local government also shall have the authority to investigate violations that may have resulted in damages to such local government under section one hundred eighty-nine of this article, and may bring a civil action on its own behalf, or on behalf of any subdivision of such local government, to recover damages sustained by such local government as a result of such violations. No action may be filed pursuant to this subdivision against the federal government, the state or a local government, or any officer or employee thereof acting in his or her official capacity. The attorney general shall consult with the office of Medicaid inspector general prior to filing any action related to the Medicaid program.

2. Qui tam civil actions.

   (a) Any person may bring a qui tam civil action for a violation of section one hundred eighty-nine of this article on behalf of the person and the people of the state of New York or a local government. No action may be filed pursuant to this subdivision against the federal government, the state or a local government, or any officer or employee thereof acting in his or her official capacity.

   For purposes of subparagraphs (i) and (iv) of paragraph (a) of subdivision eight of section seventy-three of the public officers law, any activity by a former government employee in connection with the securing of rights, protections or benefits related to preparing or filing an action under this article shall not be deemed to be an appearance or practice before any agency.

   (b) A copy of the complaint and written disclosure of substantially all material evidence and information the person possesses shall be served on the state pursuant to subdivision one of section three hundred seven of the civil practice law and rules. Any complaint filed in a court of the state of New York shall be filed in supreme court in camera, shall remain under seal for at least sixty days, and shall not be served on the defendant.

(c) Prior to the expiration of the sixty day period or any extensions obtained under paragraph (b) of this subdivision, the attorney general shall notify the court that he or she:
(i) intends to file a complaint against the defendant on behalf of the people of the state of New York or a local government, and thereby be substituted as the plaintiff in the action and convert the action in all respects from a qui tam civil action brought by a private person into a civil enforcement action by the attorney general under subdivision one of this section;
(ii) intends to intervene in such action, as of right, so as to aid and assist the plaintiff in the action; or
(iii) if the action involves damages sustained by a local government, intends to grant the local government permission to: (A) file and serve a complaint against the defendant, and thereby be substituted as the plaintiff in the action and convert the action in all respects from a qui tam civil action brought by a private person into a civil enforcement action brought by the local government under subdivision one of this section; or (B) intervene in such action, as of right, so as to aid and assist the plaintiff in the action.

The attorney general shall provide the local government with a copy of any such notification at the same time the court is notified.
(d) If the state notifies the court that it intends to file a complaint against the defendant and thereby be substituted as the plaintiff in the action, or to permit a local government to do so, such complaint, whether filed separately or as an amendment to the qui tam plaintiff's complaint, must be filed within thirty days after the notification to the court. For statute of limitations purposes, any such complaint filed by the state or a local government shall relate back to the filing date of the complaint of the qui tam plaintiff, to the extent that the cause of action of the state or local government arises out of the conduct, transactions, or occurrences set forth, or attempted to be set forth, in the [fig 1] complaint of the qui tam plaintiff.
(e) If the state notifies the court that it intends to intervene in the action, or to permit a local government to do so, then such motion [fig 1] to intervene, whether filed separately or as an amendment to the qui tam plaintiff's complaint, shall be filed within thirty days after the notification to the court. For statute of limitations purposes, any complaint filed by the state or a local government, whether filed separately or as an amendment to the qui tam plaintiff's complaint, shall relate back to the filing date of the complaint of the qui tam plaintiff, to the extent that the cause of action of the state or local government arises out of the conduct, transactions, or occurrences set forth, or attempted to be set forth, in the complaint of the qui tam plaintiff.
(f) If the state declines to participate in the action or to authorize participation by a local government, the qui tam action may proceed subject to judicial review under this section, the civil practice law and rules, and other applicable law.

The qui tam plaintiff shall provide the state or any applicable local government with a copy of any document filed with the court on or about the date it is filed, or any order issued by the court on or about the date it is issued. A qui tam plaintiff shall notify the state or any applicable local government within five business days of any decision, order or verdict resulting in judgment in favor of the state or local government.
3. Time. To answer. If the state decides to participate in a qui tam action or to authorize the participation of the local government, the court shall order that the qui tam complaint be unsealed and served at the time of the filing of the complaint or intervention motion by the state or local government. After the complaint is unsealed, or if a complaint is filed by the state or a local government pursuant to subdivision one of this section, the defendant shall be served with the complaint and summons pursuant to article three of the civil practice law and rules. A copy of any complaint which alleges that damages were sustained by a local government shall also be served on such local government. The defendant shall be required to respond to the summons and complaint within the time allotted under rule three hundred twenty of the civil practice law and rules.
4. Related actions. When a person brings a qui tam action under this section, no person other than the attorney general, or a local government attorney acting pursuant to subdivision one of this section or paragraph (b) of subdivision two of this section, may intervene or bring a related civil action based upon the facts underlying the pending action [fig 1]; provided, however, that nothing in this subdivision shall be deemed to deny persons the right, upon leave of court, to file briefs amicus curiae.
5. Rights of the parties of qui tam actions.

(a) If the attorney general elects to convert the qui tam civil action into an attorney general enforcement action, then the state shall have the primary responsibility for prosecuting the action. If the attorney general elects to intervene in the qui tam civil action then the state and the person who commenced the action, and any local government which sustained damages and intervenes in the action, shall share primary responsibility for prosecuting the action. If the attorney general elects to permit a local government to convert the action into a civil enforcement action, then the local government shall have primary responsibility for investigating and prosecuting the action. If the action involves damages to a local government but not the state, and the local government intervenes in the qui tam civil action, then the local government and the person who commenced the action shall share primary responsibility for prosecuting the action. Under no circumstances shall the state or a local government be bound by an act of the person bringing the original action. Such person shall have the right to continue as a party to the action, subject to the limitations set forth in paragraph (b) of this subdivision. Under no circumstances shall the state be bound by the act of a local government that intervenes in an action involving damages to the state. If neither the attorney general nor a local government intervenes in the qui tam action then the qui tam plaintiff shall have the responsibility for prosecuting the action, subject to the attorney general's right to intervene at a later date upon a showing of good cause.

(b) (i) The state may move to dismiss the action notwithstanding the objections of the person initiating the action if the person has been served with the motion to dismiss and the court has provided the person with an opportunity to be heard on the motion. If the action involves damages to both the state and a local government, then the state shall consult with such local government before moving to dismiss the action. If the action involves damages sustained by a local government but not the state, then the local government may move to dismiss the action notwithstanding the objections of the person initiating the action if the person has been served with the motion to dismiss and the court has provided the person with an opportunity to be heard on the motion.

(ii) The state or a local government may settle the action with the defendant notwithstanding the objections of the person initiating the action if the court determines, after an opportunity to be heard, that the proposed settlement is fair, adequate, and reasonable with respect to all parties under all the circumstances. Upon a showing of good cause, such opportunity to be heard may be held in camera.

(iii) Upon a showing by the attorney general or a local government that the original plaintiff's unrestricted participation during the course of the litigation would interfere with or unduly delay the prosecution of the case, or would be repetitious or irrelevant, or upon a showing by the defendant that the original qui tam plaintiff's unrestricted participation during the course of the litigation would be for purposes of harassment or would cause the defendant undue burden, the court may, in its discretion, impose limitations on the original plaintiff's participation in the case, such as:

(A) limiting the number of witnesses the person may call;
(B) limiting the length of the testimony of such witnesses;
(C) limiting the person's cross-examination of witnesses; or
(D) otherwise limiting the participation by the person in the litigation.

(c) Notwithstanding any other provision of law, whether or not the attorney general or a local government elects to supersede or intervene in a qui tam civil action, the attorney general and such local government may elect to pursue any remedy available with respect to the criminal or civil prosecution of the presentation of false claims, including any administrative proceeding to determine a civil money penalty or to refer the matter to the office of the medicare inspector general for medicare related matters. If any such alternate civil remedy is pursued in another proceeding, the person initiating the action shall have the same rights in such proceeding as such person would have had if the action had continued under this section.

(d) Notwithstanding any other provision of law, whether or not the attorney general elects to supersede or intervene in a qui tam civil action, or to permit a local government to supersede or intervene in the qui tam civil action, upon a showing by the state or local government that certain actions of discovery by the person initiating the action would interfere with the state's or a local government's investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay such discovery for a period of not more than sixty days. Such a showing shall be conducted in camera. The court may extend the period of such stay upon a further showing in camera that the state or a local government has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

6. Awards to qui tam plaintiff.

(a) If the attorney general elects to convert the qui tam civil action into an attorney general enforcement action, or to permit a local government to convert the action into a civil enforcement action by such local government, or if the attorney general or a local government elects to intervene in the qui tam civil action, then the person or persons who initiated the qui tam civil action collectively shall be entitled to receive between fifteen and twenty-five percent of the proceeds recovered in the action or in settlement of the action. The court shall determine the percentage of the proceeds to which a person commencing a qui tam civil action is entitled, by considering the extent to which the plaintiff substantially contributed to the prosecution of the action. Where the court finds that the action was based primarily on disclosures of specific information (other than information provided by the person bringing the action) relating to allegations or transactions in a criminal, civil or administrative hearing, in a legislative or administrative report, hearing, audit or investigation, or from the news media, the court may award such sum as it considers appropriate, but in no case more than ten percent of the proceeds, taking into account the significance of the information and the role of the person or persons bringing the action in advancing the case to litigation. Any such person shall also receive an amount for reasonable expenses that the court finds to have been necessarily incurred, reasonable attorneys' fees, and costs pursuant to article eighty-one of the civil practice law and rules. All such expenses, fees, and costs shall be awarded against the defendant.
False Claims Laws

(b) If the attorney general or a local government does not elect to intervene or convert the action, and the action is successful, then the person or persons who initiated the qui tam action which obtains proceeds shall be entitled to receive between twenty-five and thirty percent of the proceeds recovered in the action or settlement of the action. The court shall determine the percentage of the proceeds to which a person commencing a qui tam civil action is entitled, by considering the extent to which the plaintiff substantially contributed to the prosecution of the action. Such person shall also receive an amount for reasonable expenses that the court finds to have been necessarily incurred, reasonable attorneys' fees, and costs pursuant to article eighty-one of the civil practice law and rules. All such expenses, fees, and costs shall be awarded against the defendant.

(c) With the exception of a court award of costs, expenses or attorneys' fees, any payment to a person pursuant to this paragraph shall be made from the proceeds.

(d) If the attorney general or a local government does not proceed with the action and the person bringing the action conducts the action, the court may award to the defendant its reasonable attorneys' fees and expenses if the defendant prevails in the action and the court finds that the claim of the person bringing the action was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

7. Costs, expenses, disbursements and attorneys' fees. In any action brought pursuant to this article, the court may award [fig 1] any local government that participates as a party in the action [fig 2] an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys' fees, plus costs pursuant to article eighty-one of the civil practice law and rules. All such expenses, fees and costs shall be awarded directly against the defendant and shall not be charged from the proceeds, but shall only be awarded if [fig 3] a local government [fig 4] prevails in the action.

8. Exclusion from recovery. If the court finds that the qui tam civil action was brought by a person who planned or initiated the violation of section one hundred eighty-nine of this article upon which the action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action which the person would otherwise be entitled to receive under subdivision six of this section, taking into account the role of such person in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the person bringing the qui tam civil action is convicted of criminal conduct arising from his or her role in the violation of section one hundred eighty-nine of this article, that person shall be dismissed from the qui tam civil action and shall not receive any share of the proceeds of the action. Such dismissal shall not prejudice the right of the attorney general to supersede or intervene in such action and to civilly prosecute the same on behalf of the state or a local government.

(a) The court shall dismiss a qui tam action under this article if:

(i) it is based on allegations or transactions which are the subject of a pending civil action or an administrative action in which the state or a local government is already a party;

(ii) the state or local government has reached a binding settlement or other agreement with the person who violated section one hundred eighty-nine of this article resolving the matter and such agreement has been approved in writing by the attorney general, or by the applicable local government attorney; or

(iii) against a member of the legislature, a member of the judiciary, or a senior executive branch official if the action is based on evidence or information known to the state when the action was brought.

(b) The court shall dismiss a qui tam action under this article, unless opposed by the state or an applicable local government, or unless the qui tam plaintiff is an original source of the information, if substantially the same allegations or transactions as alleged in the action were publicly disclosed:

(i) in a state or local government criminal, civil, or administrative hearing in which the state or a local government or its agent is a party;

(ii) in a federal, New York state or New York local government report, hearing, audit, or investigation that is made on the public record or disseminated broadly to the public general; provided that such information shall not be deemed "publicly disclosed" in a report or investigation because it was disclosed or provided pursuant to article six of the public officers law, or under any other federal, state or local law, rule or program enabling the public to request, receive or view documents or information in the possession of public officials or public agencies;

(iii) in the news media, provided that such allegations or transactions are not "publicly disclosed" in the "news media" merely because information of allegations or transactions have been posted on the internet or on a computer network.

10. Liability. Neither the state nor any local government shall be liable for any expenses which any person incurs in bringing a qui tam civil action under this article.

(b) Any action authorized by this section may be brought in the county in which the alleged retaliatory personnel action occurred, in the county in which the complainant resides, or in the county in which the employer has its principal place of business.

(c) It shall be a defense to any action brought pursuant to this section that the personnel action was predicated upon grounds other than the employee’s exercise of any rights protected by this section. It shall also be a defense that the individual was an independent contractor.

(d) [Added, L. 2002] Notwithstanding the provisions of paragraphs (a) and (c) of this subdivision, a health care employee who has been the subject of a retaliatory action by a health care employer in violation of section seven hundred forty-one of this article may institute a civil action in a court of competent jurisdiction for relief as set forth in subdivision five of this section within two years after the alleged retaliatory personnel action was taken. In addition to the relief set forth in that subdivision, the court, in its discretion, based upon a finding that the employer acted in bad faith in the retaliatory action, may assess the employer a civil penalty of an amount not to exceed ten thousand dollars, to be paid to the improving quality of patient care fund, established pursuant to section ninety-seven-aaaa of the state finance law.

5. Relief. In any action brought pursuant to subdivision four of this section, the court may order relief as follows:

(a) an injunction to restrain continued violation of this section;

(b) the reinstatement of the employee to the same position held before the retaliatory personnel action, or to an equivalent position;

(c) the reinstatement of full fringe benefits and seniority rights;

(d) the compensation for lost wages, benefits and other remuneration; and

(e) the payment by the employer of reasonable costs, disbursements, and attorney's fees.

6. Employer relief. A court, in its discretion, may also order that reasonable attorneys' fees and court costs and disbursements be awarded to an employer if the court determines that an action brought by an employee under this section was without basis in law or in fact.

7. Existing rights. Nothing in this section shall be deemed to diminish the rights, privileges, or remedies of any employee under any other law or regulation or under any collective bargaining agreement or employment contract; except that the institution of an action in accordance with this section shall be deemed a waiver of the rights and remedies available under any other contract, collective bargaining agreement, law, rule or regulation or under the common law.

      (1) The provider's or affiliate's failure to meet standards of licensure, certification, or registration where those standards are imposed by state or federal law as a condition to participation in the medicaid program; or
      (2) The provider or affiliate has been similarly sanctioned by the medicare program or by another state's medicaid program.

### Unfair methods of competition and unfair or deceptive acts or practices defined.

The following are unfair methods of competition and unfair and deceptive acts or practices in the business of insurance:

1. Misrepresentations and false advertising of policy contracts. Making, issuing, circulating, or causing to be made, issued, or circulated, any estimate, illustration, circular, statement, sales presentation, omission, or comparison misrepresenting the terms of any policy issued or to be issued or the benefits or advantages promised thereby or the dividends or share of the surplus to be received thereon, or making any false or misleading statements as to the dividends or share of surplus previously paid on any insurance policies, or making any misleading representation or any misrepresentation as to the financial condition of any person, or as to the legal reserve system upon which any life insurance company operates, or using any name or title of any policy or class of policies misrepresenting the true nature thereof, or making any misrepresentation tending to induce the lapse, forfeiture, exchange, conversion, or surrender of any insurance policy for the purpose of effecting a pledge or assignment of or effecting a loan against any insurance:

2. False information and advertising generally. Making, publishing, disseminating, circulating, or placing before the public, or causing, directly or indirectly, to be made, published, disseminated, circulated, or placed before the public, in a newspaper, magazine, or other publication, or in the form of a notice, circular, pamphlet, letter, or poster, or over any radio station, or in any other way, an advertisement, announcement, or statement containing any assertion, representation, or statement with respect to the business of insurance or with respect to any person in the conduct of that person’s insurance business, which is untrue, deceptive, or misleading.

3. Defamation. Making, publishing, disseminating, or circulating, directly or indirectly, or aiding, abetting, or encouraging the making, publishing, disseminating, or circulating of any oral or written statement or any pamphlet, circular, article, or literature which is false, or maliciously critical of or derogatory to the financial condition of any person, and which is calculated to injure any person engaged in the business of insurance.

4. Boycott, coercion, and intimidation. Entering into any agreement to commit, or by any concerted action committing, any act of boycott, coercion, or intimidation resulting in or tending to result in unreasonable restraint of, or monopoly in, the business of insurance.

5. False financial statements. Filing with any supervisory or other public official, or making, publishing, disseminating, circulating, or delivering to any person, or placing before the public, or causing directly or indirectly, to be made, published, disseminated, circulated, delivered to any person, or placed before the public, any false statement of financial condition of any person with intent to deceive any agent or examiner lawfully appointed to examine into its condition or into any of its affairs, or any public official to whom the person is required by law to report, or who has authority by law to examine into its condition or into any of its affairs, or, with like intent, willfully omitting to make a true entry of any material fact pertaining to the business of the person in any book, report, or statement of the person.

6. Stock operations and advisory board contracts. Issuing or delivering or permitting agents, officers, or employees to issue or deliver, agency company stock or other capital stock, or benefit certificates or shares in any common-law corporation, or securities or any special or advisory board contracts or other contracts of any kind promising returns and profits as an inducement to insurance.

7. Unfair discrimination.
   a. Making or permitting any unfair discrimination between individuals of the same class and equal expectation of life in the rates charged for any contract of life insurance or of life annuity or in the dividends or other benefits payable thereon, or in any other of the terms and conditions of such contract.
   b. Making or permitting any unfair discrimination, including consideration of an individual’s history or status as a subject of domestic abuse, between individuals of the same class and of essentially the same hazard in the amount of premium, policy fees, or rates charged for any policy or contract of accident or health insurance or in the benefits payable thereunder, or in any of the terms or conditions of such contract, or in any other manner whatsoever.
   c. Refusing to insure, or refusing to continue to insure, or limiting the amount, extent, or kind of life insurance, accident and sickness insurance, health services, or health care protection insurance available to an individual, or charging an individual a different rate for the same coverage solely because of blindness or partial blindness. Refusal to insure includes denial by an insurer of disability insurance coverage on the grounds that the policy defines “disability” as being presumed in the event that the insured loses the insured’s eyesight; however, an insurer may exclude from coverage disabilities consisting solely of blindness or partial blindness when such condition existed at the time the policy was issued. With respect to all other conditions, including the underlying cause of the blindness or partial blindness, persons who are blind or partially blind shall be subject to the same standards of sound actuarial principles or actual or reasonably anticipated experience as are sighted persons.
   d. Making or permitting any unfair discrimination between individuals or risks of the same class and of essentially the same hazard by refusing to insure, refusing to renew, canceling, or limiting the amount of insurance coverage on a property or casualty risk solely because of the geographic location of the risk, unless the action is the result of the application of sound underwriting and actuarial principles related to actual or reasonably anticipated loss experience.

8. Rebates.

11. Refusing to insure risks. Refusing to insure risks solely because of race, color, creed, sex, or national origin, or refusing to continue to insure risks solely because an employer chooses to offer a health maintenance organization option to employees in its health benefit plan.
12. Misrepresentation in insurance applications. Making false or fraudulent statements or representations on or relative to an application for an insurance policy, for the purpose of obtaining a fee, commission, money, or other benefit from any insurer, insurance producer, or individual.
13. Failure to refund unearned premiums. Failing to refund within thirty days of the cancellation of an insured’s policy the unearned premium paid for that insurance policy. However, for commercial lines of insurance policies which are audited by the insurer to determine premium, the refund of premium must be made within thirty days from the date the insurer receives from the insured that information which is reasonably necessary for the insurer to audit the insured’s business to determine the premium due to the insurer.
14. As used in subsections 15, 16, 17, 18, and 19, unless the context otherwise requires:
   a. “Entity” includes a third-party administrator, an insurance company as defined in section 26.1-02.01, a health maintenance organization, or any other entity providing a plan of health insurance subject to state insurance regulation.
   b. “Health care provider” means a person that delivers, administers, or supervises health care products or services, for profit or otherwise, in the ordinary course of business or professional practice.
   c. “Health plan” means any public or private plan or arrangement that provides or pays the cost of health benefits, including any organization of health care providers that furnishes health services under a contract or agreement with this type of plan.
   d. “Medical communication” means any communication, other than a knowing and willful misrepresentation, made by a health care provider to a patient regarding the health care needs or treatment options of the patient and the applicability of the health plan to the patient’s needs or treatment. The term includes communications concerning:
      (1) Tests, consultations, and treatment options;
      (2) Risks or benefits associated with tests, consultations, and options;
      (3) Variation in experience, quality, or outcome among any health care providers or health care facilities providing any medical service;
      (4) The process, basis, or standard used by an entity to determine whether to authorize or deny health care services or benefits; and
      (5) Financial incentives or disincentives based on service utilization provided by an entity to a health care provider.
   e. “Patient” includes a former, current, or prospective patient or the guardian or legal representative of a patient.
15. a. Interference with certain medical communications. An entity offering a health plan may not restrict or interfere with any medical communication and may not take any of the following actions against a health care provider solely on the basis of a medical communication:
      (1) Refusal to contract with the health care provider;
      (2) Termination of or refusal to renew a contract with the health care provider;
      (3) Refusal to refer patients to or allow others to refer patients to the health care provider; or
      (4) Refusal to compensate the health care provider for covered services that are medically necessary.
   b. This subsection does not prohibit an entity from enforcing, as part of a contract or agreement to which a health care provider is a party, any mutually agreed-upon terms and conditions, including terms and conditions requiring a health care provider to participate in and cooperate with all programs, policies, and procedures developed or operated by a health plan to assure, review, or improve the quality and effective utilization of health care services, if the utilization is according to guidelines or protocols that are based on clinical or scientific evidence and only if the guidelines or protocols under the utilization do not prohibit or restrict medical communications between providers and their patients.
16. Unfair indemnification. A contract between an entity and a health care provider may not require the health care provider to indemnify the entity for the entity’s negligence, willful misconduct, or breach of contract, and may not require a health care provider as a condition of participation to waive any right to seek legal redress against the entity. In addition to the proceedings and penalties provided in this chapter, a contract provision violating this subsection is void.
17. Incentives to withhold medically necessary care. An entity may not offer a health care provider, and a contract with a health care provider under a health plan may not contain, an incentive plan that includes a specific payment made to, or withheld from, the provider as an inducement to deny, limit, or delay medically necessary care covered by the health plan and provided with respect to a patient. This subsection does not prohibit incentive plans, including capitation payments or shared-risk arrangements, that are not tied to specific medical decisions with respect to a patient. In addition to the proceedings and penalties provided in this chapter, a contract provision violating this subsection is void.
18. Retaliation for patient advocacy. An entity may not take any of the following actions against a health care provider solely because the provider, in good faith, reports to state or federal authorities an act or practice by the entity that jeopardizes patient health or welfare, or advocates on behalf of a patient in a utilization review program or grievance procedure:
   a. Refusal to contract with the health care provider;

**ORC Ann. 124.341 - Employee may report violation or misuse; disciplinary actions restricted**

(A) If an employee in the classified or unclassified civil service becomes aware in the course of employment of a violation of state or federal statutes, rules, or regulations or the misuse of public resources, and the employee's supervisor or appointing authority has authority to correct the violation or misuse, the employee may file a written report identifying the violation or misuse with the supervisor or appointing authority. In addition to or instead of filing a written report, the employee may report it to the state's fraud-reporting system under section 124.01 of the Revised Code. If the employee reasonably believes that a violation or misuse of public resources is a criminal offense, the employee, in addition to or instead of filing a written report or complaint with the supervisor, appointing authority, the office of internal audit, or the auditor of state's fraud reporting system under section 124.01 of the Revised Code, may report it to a prosecuting attorney, director of law, village solicitor, or similar chief legal officer of a municipal corporation, to a peace officer, as defined in section 2913.03 of the Revised Code, or, if the violation or misuse of public resources is within the jurisdiction of the inspector general, to the inspector general in accordance with section 124.40 of the Revised Code. In addition to that report, if the employee reasonably believes the violation or misuse is also a violation of Chapter 102, section 2921.42 of the Revised Code, the employee may report it to the appropriate ethics commission.

(B) Except as otherwise provided in division (C) of this section, no officer or employee in the classified or unclassified civil service shall take any disciplinary action against an employee in the classified or unclassified civil service for making any report or filing a complaint as authorized by division (A) of this section, including, without limitation, doing any of the following:

2. Withholding from the employee salary increases or employee benefits to which the employee is otherwise entitled;
3. Transferring or reassigning the employee;
4. Denying the employee promotion that otherwise would have been received;
5. Reducing the employee in pay or position.
(C) An employee in the classified or unclassified civil service shall make a reasonable effort to determine the accuracy of any information reported under division (A) of this section. The employee is subject to disciplinary action, including suspension or removal, as determined by the employee's appointing authority, for purposely, knowingly, or recklessly reporting false information under division (A) of this section.

(D) If an appointing authority takes any disciplinary or retaliatory action against a classified or unclassified employee as a result of the employee's having filed a report or complaint under division (A) of this section, the employee's sole and exclusive remedy, notwithstanding any other provision of law, is to file an appeal with the state personnel board of review within thirty days after receiving actual notice of the appointing authority's action. If the employee files such an appeal, the board shall immediately notify the employee's appointing authority and shall hear the appeal. The board may affirm or disaffirm the action of the appointing authority or may issue any other order as it deems proper. The order of the board is appealable in accordance with Chapter 119. of the Revised Code.

(A) (1) (a) If an employee becomes aware in the course of the employee's employment of a violation of any state or federal statute or any ordinance or regulation of a political subdivision that the employee's employer has authority to correct, and the employee reasonably believes that the violation is a criminal offense that is likely to cause an imminent risk of physical harm to persons or a hazard to public health or safety, a felony, or an improper solicitation for a contribution, the employee orally shall notify the employee's supervisor or other responsible officer of the employee's employer of the violation and subsequently shall file with that supervisor or officer a written report that provides sufficient detail to identify and describe the violation. If the employer does not correct the violation or make a reasonable and good faith effort to correct the violation within twenty-
four hours after the oral notification or the receipt of the report, whichever is earlier, the employee may file a written report that provides sufficient detail to identify and describe the violation with the prosecuting authority of the county or municipal corporation where the violation occurred, with a peace officer, with the inspector general if the violation is within the inspector general's jurisdiction, or with any other appropriate public official or agency that has regulatory authority over the employer and the industry, trade, or business in which the employer is engaged.

(b) If an employee makes a report under division (A)(1)(a) of this section, the employer, within twenty-four hours after the oral notification was made or the report was received or by the close of business on the next regular business day following the day on which the oral notification was made or the report was received, whichever is later, shall notify the employee, in writing, of any effort of the employer to correct the alleged violation or hazard or of the absence of the alleged violation or hazard.

(D) If an employer takes any disciplinary or retaliatory action against an employee as a result of the employee's having filed a report under division (A) of this section, the employee may bring a civil action for appropriate injunctive relief or for the remedies set forth in division (E) of this section, or both, within one hundred eighty days after the date the disciplinary or retaliatory action was taken, in a court of common pleas in accordance with the Rules of Civil Procedure. 63 Okl. St. § 5053.2 - Investigation of Medicaid False Claims—Civil Actions for Violations

A. The Attorney General shall diligently investigate a violation under the Oklahoma Medicaid False Claims Act. If the Attorney General finds that a person has violated or is violating the Oklahoma Medicaid False Claims Act, the Attorney General may bring a civil action under this section against the person.

B. 1. A person may bring a civil action for a violation of the Oklahoma Medicaid False Claims Act for the person and for this state. The action shall be brought in the name of the state. The action may be dismissed only if the court and the Attorney General give written consent to the dismissal and state the reasons for consenting.

2. A copy of the complaint and written disclosure of substantially all material evidence and information the person possesses shall be served on the state pursuant to Section 2004 of Title 12 of the Oklahoma Statutes. The complaint shall be filed in camera, shall remain under seal for at least sixty (60) days, and shall not be served on the defendant until the court so orders. The state may elect to intervene and proceed with the action within sixty (60) days after it receives both the complaint and the material evidence and information.

3. The state may, for good cause shown, move the court for extensions of the time during which the complaint remains under seal under paragraph 2 of this subsection. Any such motions may be supported by affidavits or other submissions in camera. The defendant shall not be required to respond to any complaint filed under this section until twenty (20) days after the complaint is unsealed and served upon the defendant pursuant to Section 2004 of Title 12 of the Oklahoma Statutes.

4. Before the expiration of the sixty-day period or any extensions obtained under paragraph 3 of this subsection, the state shall:

   a. proceed with the action, in which case the action shall be conducted by the state, or

   b. notify the court that it declines to take over the action, in which case the person bringing the action shall have the right to conduct the action.

5. When a person brings an action under this section, no person other than the state may intervene or bring a related action based on the facts underlying the pending action.

   **History:** Laws 2007, ch. 137 (SB 889), § 3, eff. Nov. 1, 2007; Laws 2016, ch. 44 (SB1515), § 2, eff. November 1, 2016.

63 Okl. St. § 5053.3 - Primary Responsibility for Prosecution—Rights of State and Private Persons

A. If the state proceeds with the action pursuant to Section 5053.2 of this title, it shall have the primary responsibility for prosecuting the action, and shall not be bound by an act of the person bringing the action. Such
person shall have the right to continue as a party to the action, subject to the limitations set forth in this subsection.

1. The state may dismiss the action notwithstanding the objections of the person initiating the action if the person has been notified by the state of the filing of the motion and the court has provided the person with an opportunity for a hearing on the motion.

2. The state may settle the action with the defendant notwithstanding the objections of the person initiating the action if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, the hearing may be held in camera.

3. Upon a showing by the state that unrestricted participation during the course of the litigation by the person initiating the action would interfere with or unduly delay the state's prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the participation of the person, such as:
   a. limiting the number of witnesses the person may call,
   b. limiting the length of the testimony of the witnesses,
   c. limiting the person's cross-examination of witnesses, or
   d. otherwise limiting the participation by the person in the litigation.

4. Upon a showing by the defendant that unrestricted participation during the course of the litigation by the person initiating the action would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation by the person in the litigation.

B. If the state elects not to proceed with the action, the person who initiated the action shall have the right to conduct the action. If the state so requests, it shall be served with copies of all pleadings filed in the action and shall be supplied with copies of all deposition transcripts at the expense of the state. When a person proceeds with the action, the court, without limiting the status and rights of the person initiating the action, may nevertheless permit the state to intervene at a later date upon a showing of good cause.

C. Whether or not the state proceeds with the action, upon a showing by the state that certain actions of discovery by the person initiating the action would interfere with the state's investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay the discovery for a period of not more than sixty (60) days. Such a showing shall be conducted in camera. The court may extend the sixty-day period upon a further showing in camera that the state has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

D. Notwithstanding subsection B of Section 5053.2 of this title, the state may elect to pursue its claim through any alternate remedy available to the state, including any administrative proceeding to determine a civil money penalty. If any alternate remedy is pursued in another proceeding, the person initiating the action shall have the same rights in the proceeding as the person would have had if the action had continued under this section. Any finding of fact or conclusion of law made in the other proceeding that has become final shall be conclusive on all parties to an action under this section. For purposes of this subsection, a finding or conclusion is final if it has been finally determined on appeal to the appropriate court of the State of Oklahoma, if all time for filing the appeal with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.

63 Okl. St. § 5053.4 - Distribution of Proceeds of Action

A. 1. If the state proceeds with an action brought by a person under subsection B of Section 5053.2 of this title, the person shall, subject to paragraph 2 of this subsection, receive at least fifteen percent (15%) but not more than twenty-five percent (25%) of the proceeds of the action or settlement of the claim, depending upon the extent to which the person substantially contributed to the prosecution of the action.

2. Where the action is one which the court finds to be based primarily on disclosures of specific information, other than information provided by the person bringing the action, relating to allegations or transactions in a criminal, civil or administrative hearing, in a legislative, administrative or State Auditor and Inspector report, hearing, audit or investigation, or from the news media, the court may award such sums as it considers

3. Any payment to a person under paragraph 1 or 2 of this subsection shall be made from the proceeds. Any such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorney fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

B. If the state does not proceed with an action under Section 5053.2 of this title, the person bringing the action or settling the claim shall receive an amount which the court decides is reasonable for collecting the civil penalty and damages. The amount shall be not less than twenty-five percent (25%) and not more than thirty percent (30%) of the proceeds of the action or settlement and shall be paid out of the proceeds. The person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorney fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

C. Whether or not the state proceeds with the action, if the court finds that the action was brought by a person who planned and initiated the violation of the Oklahoma Medicaid False Claims Act upon which the action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action which the person would otherwise receive under subsection A or B of this section, taking into account the role of that person in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the person bringing the action is convicted of criminal conduct arising from his or her role in the violation of the Oklahoma Medicaid False Claims Act, that person shall be dismissed from the civil action and shall not receive any share of the proceeds of the action. The dismissal shall not prejudice the right of this state to continue the action, represented by the Office of the Attorney General or its assigns.

D. If the state does not proceed with the action and the person bringing the action conducts the action, the court may award to the defendant its reasonable attorney fees and expenses if the defendant prevails in the action and the court finds that the claim of the person bringing the action was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

#### 63 Okl. St. § 5053.5 - Limitations on Bringing an Action—Action for Retaliation

A. In no event may a person bring an action under subsection B of Section 5053.2 of this title which is based upon allegations or transactions which are the subject of a civil suit or an administrative civil money penalty proceeding in which the state is already a party.

B. The court shall dismiss an action or claim under this subsection, unless opposed by the state, if substantially the same allegations or transactions as alleged in the action or claim were publicly disclosed in a criminal, civil or administrative hearing, in which the state or its agent is a party, in a legislative, or State Auditor and Inspector report, or in any other medium, unless the action is brought by the Attorney General or the person bringing the action is an original source of the information. For purposes of this subsection, “original source” means an individual who:

1. Prior to a public disclosure under subsection B of this section, has voluntarily disclosed to the state the information on which allegations or transactions in a claim are based; or
2. Has knowledge that is independent of and materially adds to the publicly disclosed allegations or transactions, and who has voluntarily provided the information to the state before filing an action under the Oklahoma Medicaid False Claims Act.

C. The state is not liable for expenses which a person incurs in bringing an action under this section.

D. In civil actions brought under this section by this state, the provisions of Title 28 of the Oklahoma Statutes shall apply.

E. Any employee, contractor or agent shall be entitled to:

1. All relief necessary to make the employee, contractor or agent whole, if the employee, contractor or agent is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of employment because of lawful acts done by the employee, contractor, agent or associated others in furtherance of an action under this act, or other efforts to stop one or more violations of the Oklahoma Medicaid False Claims Act.
2. Relief which shall include reinstatement with the same seniority status the employee, contractor or agent would have had but for the discrimination, two times the amount of back pay, interest on the back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorney fees. An action under this section may be brought in the appropriate district court of the State of Oklahoma for the relief provided in this subsection.

F. An action under this section shall not be brought more than three (3) years after the date when the retaliation occurred.

A. A subpoena requiring the attendance of a witness at a trial or hearing conducted under the Oklahoma Medicaid False Claims Act may be served at any place in Oklahoma.

B. A civil action under Section 5053.2 of this title may not be brought:

1. More than six (6) years after the date on which the violation of the Oklahoma Medicaid False Claims Act is committed; or

2. More than three (3) years after the date when facts material to the right of action are known or reasonably should have been known by the official of the State of Oklahoma charged with responsibility to act in the circumstances, but in no event more than ten (10) years after the date on which the violation is committed, whichever occurs last.

C. If the state elects to intervene and proceed with an action brought under Section 5053.2 of this title, the state may file its own complaint or amend the complaint of a person who has brought an action under Section 5053.2 of this title to clarify or add detail to the claims in which the state is intervening and to add any additional claims with respect to which the state contends it is entitled to relief. For statute of limitations purposes, any such state pleading shall relate back to the filing date of the complaint of the person who originally brought the action to the extent that the claim of the state arises out of the conduct, transactions or occurrences set forth, or attempted to be set forth, in the prior complaint of the person.

D. In any action brought under Section 5053.2 of this title, this state shall be required to prove all essential elements of the cause of action, including damages, by a preponderance of the evidence.

E. Notwithstanding any other provision of law, a final judgment rendered in favor of this state in any criminal proceeding charging fraud or false statements, whether upon a verdict after trial or upon a plea of guilty or nolo contendere, shall estop the defendant from denying the essential elements of the offense in any action which involves the same transaction as in the criminal proceeding and which is brought under the Oklahoma Medicaid False Claims Act.

History:

**63 Okl. St. § 5053.7 - Venue--Jurisdiction**

Any action under Section 5053.2 of this title may be brought in any judicial district in which the defendant or, in the case of multiple defendants, any one defendant can be found, resides, transacts business, or in which any act proscribed by the Oklahoma Medicaid False Claims Act occurred. A summons as required by Section 2004 of Title 12 of the Oklahoma Statutes shall be issued by the appropriate district court and served at any place within or outside the State of Oklahoma.

(1) The Oregon Health Authority (Authority) uses several approaches to promote program integrity. These rules describe program integrity actions related to provider payments. Our program integrity goal is to pay the correct amount to a properly enrolled provider for covered, medically appropriate services provided to an eligible client according to the client’s benefit package of health care services in effect on the date of service. Types of program integrity activities include but are not limited to the following activities:

(a) Medical review and prior authorization processes, including all actions taken to determine the medical appropriateness of services or items;
(b) Provider obligations to submit correct claims;
(c) Onsite visits to verify compliance with standards;
(d) Implementation of Health Insurance Portability and Accountability Act (HIPAA) electronic transaction standards to improve accuracy and timeliness of claims processing and encounter reporting;
(e) Provider credentialing activities;
(f) Accessing federal Department of Health and Human Services database (exclusions);
(g) Quality improvement activities;
(h) Cost report settlement processes;
(i) Audits;
(j) Investigation of fraud or prohibited kickback relationships;
(k) Coordination with the Department of Justice Medicaid Fraud Control Unit (MFCU) and other health oversight authorities.

(2) Providers must maintain clinical, financial and other records, capable of being audited or reviewed, consistent with the requirements of OAR 410-120-1360, Requirements for Financial, Clinical and Other Records, in the General Rules Program, the Oregon Health Plan administrative rules, and the rules applicable to the service or item.

(3) The following people may review a request for services or items, or audit a claim for care, services or items, before or after payment, for assurance that the specific care, item or service was provided in accordance with the Division of Medical Assistance Program’s (Division) rules and the generally accepted standards of a provider’s field of practice or specialty:

(a) Authority, Department staff or designee; or
(b) Medical utilization and review contractor; or
(c) Dental utilization and review contractor; or
(d) Federal or state oversight authority.

(4) Payment may be denied or subject to recovery if the review or audit determines the care, service or item was not provided in accordance with Division rules or does not meet the criteria for quality or medical appropriateness of the care, service or item or payment. Related provider and Hospital billings will also be denied or subject to recovery.

(5) When the Authority determines that an overpayment has been made to a provider, the amount of overpayment is subject to recovery.
(6) The Authority may communicate with and coordinate any program integrity actions with the MFCU, DHHS, and other federal and state oversight authorities.

(7) The Authority must notify HHS-OIG within 20 working days of any disclosures from the date it receives the information, or takes any adverse action to limit the ability of an individual or entity to participate in its program as provided in 42 CFR 1002.300. This includes, but is not limited to, suspension, denials, terminations, settlement agreements and situations where an individual or entity voluntarily withdraws from the program to avoid a formal sanction.

(8) When the Authority initiates an exclusion under 1002.210, it must notify the individual or entity subject to the exclusion and other state agencies, the state medical licensing board, the public, beneficiaries, and others as provided in 1001.2005 and 1001.2006.

OAR 410-120-1397 - Recovery of Overpayments to Providers -- Recoupments and Refunds

1) The Department of Human Services (DHS) requires Providers to submit true, accurate, and complete claims or encounters. DHS treats the submission of a claim or encounter, whether on paper or electronically, as certification by the Provider of the following: "This is to certify that the foregoing information is true, accurate, and complete. I understand that payment of this claim or encounter will be from federal and state funds, and that any falsification or concealment of a material fact maybe prosecuted under federal and state laws."

2) DHS staff or a designee may review or audit a claim before or after payment for assurance that the specific care, item or service was provided in accordance with DHS the rules and policies, the terms applicable to the agreement or contract and the generally accepted standards of a Provider's field of practice or specialty:

(a) "Designee" for the purposes of these rules includes, but is not limited to, a medical, behavioral, drug or dental utilization and review or a post-payment review contractor;

(b) "Claim" for the purposes of these rules includes requests for payment under a Provider enrollment agreement or contract, whether submitted as a claim or invoice or other method for requesting payment authorized by administrative rule, and may include encounter data.

3) DHS may deny payment or may deem payments subject to recovery as an Overpayment if a review or audit determines the care, item, drug or service was not provided in accordance with DHS policy and rules applicable agreement, intergovernmental agreement or contract, including but not limited to the reasons identified in section (5) of this rule. Related Provider and Hospital billings will also be denied or subject to recovery.

4) If a Provider determines that a submitted claim or encounter is incorrect, the Provider is obligated to submit an Individual Adjustment Request and refund the amount of the Overpayment, if any, consistent with the requirements of OAR 410-120-1280. When the Provider determines that an Overpayment has been made, the Provider must notify and reimburse the Department immediately, following one of the reimbursement procedures described below:

(a) Submitting a Medicaid adjustment form (DMAP 1036-Individual Adjustment Request) will result in an offset of future payments. It is not necessary to refund with a check if an offset of future payments is adequate to repay the amount of the Overpayment; or

(b) Providers preferring to make a refund by check must attach a copy of the remittance statement page indicating the Overpayment information, except as provided by subsection (c) of this section. If the Overpayment involves an insurance payment or another Third Party Resource, Providers will attach a copy of the remittance statement from the insurance payer:

(A) Refund checks not involving Third Party Resource payments will be made payable to DMAP Receipting -- Checks in Salem;

(B) Refunds involving Third Party Resource payments will be made payable and submitted to DMAP Receipting -- MPR Checks in Salem;

(c) Providers making a refund by check based on audit or post-payment review will follow the reimbursement procedures described in the Overpayment notice or order in the audit or on post-payment review, if specified.
(5) DHS may determine, as a result of review or other information, that a payment should be denied or that an Overpayment has been made to a Provider, which indicates that a Provider may have submitted claims or encounters, or received payment to which the Provider is not properly entitled. Such payment denial or Overpayment determinations may be based on, but not limited to, the following grounds:

(a) DHS paid the Provider an amount in excess of the amount authorized under the state plan or DHS rule, agreement or contract;

(b) A third party paid the Provider for services (or a portion thereof) previously paid by DHS;

(c) DHS paid the Provider for care, items, drugs or services that the Provider did not perform or provide;

(d) DHS paid for claims submitted by a data processing agent for whom a written Provider or Billing Agent/Billing Service agreement or other applicable contract or agreement was not on file at the time of submission;

(e) DHS paid for care, items, drugs or services and later determined they were not part of the client's benefit package;

(f) Coding, processing submission or data entry errors;

(g) The care, items, drugs or service was not provided in accordance with DHS rules or does not meet the criteria for quality of care, item, drug or service, or medical appropriateness of the care, item, drug, service or payment;

(h) DHS paid the Provider for care, items, drugs or services, when the Provider did not comply with DHS rules and requirements for reimbursement.

(6) Prior to identifying an Overpayment, the Department or designee may contact the Provider for the purpose of providing preliminary information and requesting additional documentation. Provider must provide the requested documentation within the time frames requested.

(7) When an Overpayment is identified, DHS will notify the Provider in writing, as to the nature of the discrepancy, the method of computing the dollar amount of the Overpayment, and any further action that the Department may take in the matter:

(a) The DHS notice may require the Provider to submit applicable documentation for review prior to requesting an appeal from DHS, and may impose reasonable time limits for when such documentation must be provided in order to be considered by DHS.

(b) The Provider may appeal a DHS notice of Overpayment in the manner provided in OAR 410-120-1560.

(8) DHS may recover Overpayments made to a Provider by direct reimbursement, offset, civil action, or other actions authorized by law:

(a) The Provider must make a direct reimbursement to DHS within thirty (30) calendar days from the date of the notice of the Overpayment, unless other regulations apply;

(b) DHS may grant the Provider an additional period of time to reimburse DHS upon written request made within thirty (30) calendar days from the date of the notice of Overpayment if the Provider provides a statement of facts and reasons sufficient to show that repayment of the Overpayment amount should be delayed pending appeal because:

(i) The Provider will suffer irreparable injury if the Overpayment repayment is not delayed;

(ii) There is a plausible reason to believe that the overpayment is not correct or is less than the amount in the notice, and the Provider has timely filed an appeal of the Overpayment, or that Provider accepts the amount of the Overpayment but is requesting to make repayment over a period of time;

(iii) A proposed method for assuring that the amount of the Overpayment can be repaid when due with interest, including but not limited to a bond, irrevocable letter of credit or other undertaking, or a repayment plan for making payments including interest over a period of time.
(iv) Granting the delay will not result in substantial public harm;
(v) Affidavits containing evidence relied upon in support of the request for stay:
(vi) DHS may consider all information in the record of the Overpayment determination, including Provider cooperation with timely provision of documentation, in addition to the information supplied in Provider's request. If Provider requests a repayment plan, DHS may require conditions acceptable to DHS before agreeing to a repayment plan. DHS must issue an order granting or denying a repayment delay request within thirty (30) calendar days after receiving it.

(c) Except as otherwise provided in subsection (b) a request for a hearing or administrative review does not change the date the repayment of the Overpayment is due, and if the outcome of the appeal reduces the amount of the Overpayment, that amount previously paid by the Provider in response to the notice of Overpayment will be refunded to the Provider;
(d) DHS may withhold payment on pending claims and on subsequently received claims for the amount of the overpayment when Overpayments are not paid as a result of Section (7)(a);
(e) DHS may file a civil action in the appropriate Court and exercise all other civil remedies available to DHS in order to recover the amount of an overpayment.

(9) In addition to any Overpayment, DHS may impose a Sanction on the Provider in connection with the actions that resulted in the Overpayment. DHS may, at its discretion, combine a notice of Sanction with a notice of Overpayment.

(10) Voluntary submission of an Individual Adjustment Request or Overpayment amount after notice from the Department does not prevent the Department from issuing a notice of Sanction, but DHS may take such voluntary payment into account in determining the Sanction.

OAR 410-120-1460 - Type and Conditions of Sanction

(1) The Office of Medical Assistance Programs (OMAP) may impose mandatory Sanctions on a Provider pursuant to OAR 410-120-1400(3), in which case:

(a) The Provider will be either Terminated or Suspended from participation in Oregon's medical assistance programs;

(b) If Suspended, the minimum duration of Suspension will be determined by the Secretary of the Department of Health and Human Services (DHHS), under the provisions of 42 CFR Parts 420, 455, 1001, or 1002. The State may suspend a Provider from participation in Oregon's medical assistance programs longer than the minimum Suspension determined by the DHHS Secretary.

(2) OMAP may impose the following discretionary Sanctions on a Provider pursuant to OAR 410-120-1400(4):

(a) The Provider may be Terminated from participation in Oregon's medical assistance programs;

(b) The Provider may be Suspended from participation in Oregon's medical assistance programs for a specified length of time, or until specified conditions for reinstatement are met and approved by OMAP;

(c) OMAP may withhold payments to a Provider;

(d) The Provider may be required to attend Provider education sessions at the expense of the Sanctioned Provider;

(e) OMAP may require that payment for certain services are made only after OMAP has reviewed documentation supporting the services;

(f) OMAP may recover investigative and legal costs;

(g) OMAP may provide for reduction of any amount otherwise due the Provider; and the reduction may be up to three times the amount a Provider sought to collect from a Client in violation of OAR 410-120-1280;

(h) Any other Sanctions reasonably designed to remedy or compel future compliances with federal, state or OMAP regulations.

(3) OMAP will consider the following factors in determining the Sanction(s) to be imposed (this list includes but is not limited to these factors):
(a) Seriousness of the offense(s);
(b) Extent of violations by the Provider;
(c) History of prior violations by the Provider;
(d) Prior imposition of Sanctions;
(e) Prior Provider education;
(f) Provider willingness to comply with program rules;
(g) Actions taken or recommended by licensing boards or a Quality Improvement Organization (QIO); and
(h) Adverse impact on the health of OMAP Clients living in the Provider's service area.

(4) When a Provider fails to meet one or more of the requirements identified in this rule OMAP, at its sole discretion, may immediately suspend the Provider's OMAP assigned billing number to prevent public harm or inappropriate expenditure of public funds:

(a) The Provider subject to immediate Suspension is entitled to a contested case hearing as outlined in 410-120-1600 through 410-120-1700 to determine whether the Provider's OMAP assigned number will be revoked;
(b) The notice requirements described in section (5) of this rule do not preclude immediate suspension at OMAP's sole discretion to prevent public harm or inappropriate expenditure of public funds. Suspension may be invoked immediately while the notice and contested case hearing rights are exercised.

(5) If OMAP decides to Sanction a Provider, OMAP will notify the Provider by certified mail or personal delivery service of the intent to Sanction. The notice of immediate or proposed Sanction will identify:

(a) The factual basis used to determine the alleged deficiencies;
(b) Explanation of actions expected of the Provider;
(c) Explanation of subsequent actions OMAP intends to take;
(d) The Provider's right to dispute OMAP's allegations, and submit evidence to support the Provider's position; and
(e) The Provider's right to appeal OMAP's proposed actions pursuant to OARs 410-120-1560 through 410-120-1700.

(6) If OMAP makes a final decision to Sanction a Provider, OMAP will notify the Provider in writing at least 15 days before the effective date of action, except in the case of immediate suspension to avoid public harm or inappropriate expenditure of funds.

(7) The Provider may appeal OMAP's immediate or proposed Sanction(s) or other action(s) the Department intends to take, including but not limited to the following list. The Provider must appeal these actions separately from any appeal of audit findings and overpayments:

(a) Termination or Suspension from participation in the Medicaid-funded medical assistance programs;
(b) Termination or Suspension from participation in OMAP's state-funded programs;
(c) Revocation of the Provider's OMAP assigned Provider number.

(8) Other provisions:

(a) When a Provider has been Sanctioned, all other Provider entities in which the Provider has ownership (five percent or greater) or control of, may also be Sanctioned;

(b) When a Provider has been Sanctioned, OMAP may notify the applicable professional society, board of registration or licensure, federal or state agencies, Oregon Health Plan Prepaid Health Plans and the National Practitioner Data Base of the findings and the Sanctions imposed;

(c) At the discretion of OMAP, Providers who have previously been Terminated or Suspended may or may not be re-enrolled as OMAP Providers;

(d) Nothing in this rule prevents the Department from simultaneously seeking monetary recovery and imposing Sanctions against the Provider;

(e) If OMAP discovers continued improper billing practices from a Provider who, after having been previously warned in writing by OMAP or the Department of Justice about improper billing practices and has had an opportunity for a contested case hearing, that Provider will be liable to OMAP for up to triple the amount of OMAP's established overpayment received as a result of such violation.

OAR 410-120-1510 - Fraud and Abuse

(1) This rule sets forth requirements for reporting, detecting and investigating fraud and abuse. The terms fraud and abuse are defined in OAR 410-120-0000. For the purpose of these rules, the following definitions apply:

(a) "Credible allegation of fraud" means an allegation of fraud, that has been verified by the state and has indicia of reliability that comes from any source as defined in 42 CFR 455.2.

(b) "Conviction" or "convicted" means that a judgment of conviction has been entered by a federal, state, or local court regardless of whether an appeal from that judgment is pending;

(c) "Exclusion" means that the Authority or the Department of Human Services (Department) shall not reimburse a specific provider who has defrauded or abused the Authority or Department for items or services which that provider furnished;

(d) "Prohibited kickback relationships" means remuneration or payment practices that may result in federal civil penalties or exclusion for violation of 42 CFR 455.105;

(e) "Suspension" means the Authority or Department shall not reimburse a specified provider who has been convicted of a program-related offense in a federal, state, or local court for items or services which that provider furnished.

(2) Cases involving one or more of the following situations shall constitute sufficient grounds for a provider fraud referral:

(a) Billing for services, supplies, or equipment that are not provided to or used for Medicaid patients;

(b) Billing for supplies or equipment that are clearly unsuitable for the patient's needs or are so lacking in quality or sufficiency for the purpose as to be virtually worthless;

(c) Claiming costs for non-covered or non-chargeable services, supplies, or equipment disguised as covered items;
False Claims Laws

(d) Materially misrepresenting dates and descriptions of services provided, and the identity of the individual who provided the services or of the recipient of the services;

(e) Duplicate billing of the Medicaid program or of the recipient that appears to be a deliberate attempt to obtain additional reimbursement; and

(f) Arrangements by providers with employees, independent contractors, suppliers, and other various devices such as commissions and fee splitting that appear to be designed primarily to obtain or conceal illegal payments or additional reimbursement from Medicaid.

(3) The provider shall promptly refer all suspected fraud and abuse, including fraud or abuse by its employees or in the Division administration, to the Medicaid Fraud Control Unit (MFCU) of the Department of Justice or to the Department's Provider Audit Unit (PAU). Contact information may be found online at: http://www.oregon.gov/oha/healthplan/Pages/general-rules.aspx.

(4) If the provider is aware of suspected fraud or abuse by an Authority or Department client, the provider shall report the incident to the Department's Fraud Investigations Unit (FIU). Contact information may be found online at: http://www.oregon.gov/oha/healthplan/Pages/general-rules.aspx.

(5) The provider shall permit the MFCU, Authority, Department, or law enforcement entity, together or separately, to inspect, copy, evaluate, or audit books, records, documents, files, accounts, and facilities without charge, as required to investigate an incident of fraud or abuse. When a provider fails to provide immediate access to records, Medicaid payments may be withheld or suspended.

(6) Providers and their fiscal agents shall disclose ownership and control information and disclose information on a provider's owners and other persons convicted of criminal offenses against Medicare, Medicaid, CHIP, or the Title XIX services program. Such disclosure and reporting is made a part of the provider enrollment agreement, and the provider shall update that information with an amended provider enrollment agreement if any of the information materially changes. The Authority or Department shall use that information to meet the requirements of 42 CFR 455.100 to 455.106, and this rule shall be construed in a manner that is consistent with the Authority or Department acting in compliance with those federal requirements.

(7) The Authority or Department may share information for health oversight purposes with the MFCU and other federal or state health oversight authorities.

(8) The Authority or Department may suspend payments in whole or part in a suspected case of fraud or abuse; or where there exists a credible allegation of fraud or abuse presented to the Authority, the Department, or law enforcement entity; or where there is a pending investigation or conclusion of legal proceedings related to the provider's alleged fraud or abuse.

(9) The Authority or Department may take the actions necessary to investigate and respond to credible allegations of fraud and abuse, including but not limited to suspending or terminating the provider from participation in the medical assistance programs, withholding payments or seeking recovery of payments made to the provider, or imposing other sanctions provided under state law or regulations. These actions by the Authority or Department may be reported to CMS, or other federal or state entities as appropriate.

(10) The Authority or Department shall not pay for covered services provided by persons who are currently suspended, debarred, or otherwise excluded from participating in Medicaid, Medicare, CHIP, or who have been convicted of a felony or misdemeanor related to a crime or violation of Title XVIII, XIX, XXI, or XX of the Social Security Act or related laws.

Whenever any person has been previously convicted in any state or Federal court of conduct that would constitute a violation of subsection (a), a subsequent allegation, indictment or information under subsection (a) shall be classified as a felony of the second degree with a maximum penalty of twenty-five thousand dollars ($25,000) and ten years imprisonment.

The department shall have the authority to use statistical sampling methods to determine the appropriate amount of restitution due from the provider.

(2) Providers who are terminated from participation in the medical assistance program for any reason shall be prohibited from owning, arranging for, rendering or ordering any service for medical assistance recipients during the period of termination. In addition, such provider may not receive, during the period of termination, reimbursement in the form of direct payments from the department or indirect payments of medical assistance funds in the form of salary, shared fees, contracts, kickbacks or rebates from or through any participating provider.

(3) Notice of any action taken by the department against a provider pursuant to clauses (1) and (2) will be forwarded by the department to the Medicaid Fraud Control Unit of the Department of Justice and to the appropriate licensing board of the Department of State for appropriate action, if any. 1. "provider" includes a person who provides goods, services, or assistance and who is entitled or claims to be entitled to receive reimbursement, payment, or benefits under the state's Medicaid program. "Provider" also includes a person acting as an employee, representative, or agent of the provider.
2. "false claim, statement, or representation" means a claim, statement, or representation made or presented in any form including, but not limited to, a claim, statement, or representation which is computer generated or transmitted or made, produced, or transmitted by an electronic means or device.
(B) It is unlawful for a provider of medical assistance, goods, or services to knowingly and willfully make or cause to be made a false claim, statement, or representation of a material fact:
1. in an application or request, including an electronic or computer generated claim, for a benefit, payment, or reimbursement from a state or federal agency which administers or assists in the administration of the state's medical assistance or Medicaid program; or
2. on a report, certificate, or similar document, including an electronic or computer generated claim, submitted to a state or federal agency which administers or assists in the administration of the state's Medicaid program in order for a provider or facility to qualify or remain qualified under the state's Medicaid program to provide assistance, goods, or services, or receive reimbursement, payment, or benefit for this assistance, goods, or services.
For purposes of this subsection, each false claim, representation, or statement constitutes a separate offense.
(C) It is unlawful for a provider of medical assistance, goods, or services knowingly and willfully to conceal or fail to disclose any material fact, event, or transaction which affects the:
1. provider’s initial or continued entitlement to payment, reimbursement, or benefits under the state’s Medicaid plan; or
2. amount of payment, reimbursement, or benefit to which the provider may be entitled for services, goods, or assistance rendered.
For purposes of this subsection, each fact, event, or transaction concealed or not disclosed constitutes a separate offense.
(D) A person who violates the provisions of this section is guilty of medical assistance provider fraud, a Class A misdemeanor and, upon conviction, must be imprisoned not more than three years and fined not more than one thousand dollars for each offense.
(E) In addition to all other remedies provided by law, the Attorney General may bring an action to recover damages equal to three times the amount of an overstatement or overpayment and the court may impose a civil penalty of two thousand dollars for each false claim, representation, or overstatement made to a state or federal agency which administers funds under the state's Medicaid program. Upon a finding that the provider has violated a provision of this section, the state agency which administers the Medicaid program may impose other administrative sanctions against the provider authorized by law. A civil or criminal action brought under this section may be filed or brought in either the county where the false claim, statement, or representation originated or in the county in which the false claim, statement, or representation was received by the Health and Human Services Finance Commission or other agency of the State responsible for administering the state's Medicaid Program.

general and reporter shall receive a fixed thirty-three percent (33%) of the proceeds of the action or settlement of the claim, which shall be used to support its ongoing investigation and prosecution of false claims.

(B) If a prosecuting authority initiates and conducts an action pursuant to subsection (b), the office of the prosecuting authority shall receive a fixed thirty-three percent (33%) of the proceeds of the action or settlement of the claim, which shall be used to support its ongoing investigation and prosecution of false claims.

(C) If a prosecuting authority intervenes in an action initiated by the attorney general and reporter pursuant to subdivision (a)(3) or remains a party to an action assumed by the attorney general and reporter pursuant to subdivision (b)(3)(A), the court may award the office of the prosecuting authority a portion of the attorney general and reporter's fixed thirty-three percent (33%) of the recovery under subdivision (g)(1)(A), taking into account the prosecuting authority's role in investigating and conducting the action.

(2) If the state or political subdivision proceeds with an action brought by a qui tam plaintiff under subsection (c), the qui tam plaintiff shall, subject to subdivisions (g)(4) and (5), receive at least twenty-five percent (25%) but not more than thirty-three percent (33%) of the proceeds of the action or settlement of the claim, depending upon the extent to which the qui tam plaintiff substantially contributed to the prosecution of the action. When it conducts the action, the attorney general and reporter's office or the office of the prosecuting authority of the political subdivision shall receive a fixed thirty-three percent (33%) of the proceeds of the action or settlement of the claim, which shall be used to support its ongoing investigation and prosecution of false claims made against the state or political subdivision. When both the attorney general and reporter and a prosecuting authority are involved in a qui tam action pursuant to subdivision (c)(b)(c), the court at its discretion may award the prosecuting authority a portion of the attorney general and reporter's fixed thirty-three percent (33%) of the recovery, taking into account the prosecuting authority's contribution to investigating and conducting the action.

(3) If the state or political subdivision does not proceed with an action under subsection (c), the qui tam plaintiff shall, subject to subdivisions (g)(4) and (5), receive an amount that the court decides is reasonable for collecting the civil penalty and damages on behalf of the government. The amount shall be not less than thirty-five percent (35%) and not more than fifty percent (50%) of the proceeds of the action or settlement and shall be paid out of these proceeds.

(4) If the action is one provided for under subdivision (d)(4), the present or former employee of the state or political subdivision is not entitled to any minimum guaranteed recovery from the proceeds. The court, however, may award the qui tam plaintiff those sums from the proceeds as it considers appropriate, but in no case more than thirty-three percent (33%) of the proceeds if the state or political subdivision goes forth with the action or fifty percent (50%) if the state or political subdivision declines to go forth, taking into account the significance of the information, the role of the qui tam plaintiff in advancing the case to litigation, and the scope of, and response to, the employee's attempts to report and gain recovery of the falsely claimed funds through official channels.

(5) If the action is one that the court finds to be based primarily on information from a present or former employee who actively participated in the fraudulent activity, the employee is not entitled to any minimum guaranteed recovery from the proceeds. The court, however, may award the qui tam plaintiff any sums from the proceeds if it considers appropriate, but in no case more than thirty-three percent (33%) of the proceeds if the state or political subdivision goes forth with the action or fifty percent (50%) if the state or political subdivision declines to go forth, taking into account the significance of the information, the role of the qui tam plaintiff in advancing the case to litigation, the scope of the present or past employee's involvement in the fraudulent activity, the employee's attempts to avoid or resist the activity, and all other circumstances surrounding the activity.

(6) The portion of the recovery not distributed pursuant to subdivisions (g)(1)-(5), inclusive, shall revert to the state if the underlying false claims involved state funds exclusively and to the political subdivision if the underlying false claims involved political subdivision funds exclusively. If the violation involved both state and political subdivision funds, the court shall make an apportionment between the state and political subdivision based on their relative share of the funds falsely claimed.

(7) For purposes of this section, “proceeds” include civil penalties as well as double or treble damages as provided in § 18.18.102.

(8) If the state, political subdivision, or the qui tam plaintiff prevails in or settles any action under subsection (c), the qui tam plaintiff shall receive an amount for reasonable expenses that the court finds to have been necessarily incurred, plus reasonable costs and attorney's fees. All expenses, costs, and fees shall be awarded against the defendant and under no circumstances shall they be the responsibility of the state or political subdivision.

(9) If the state, a political subdivision, or the qui tam plaintiff proceeds with the action, the court may award to the defendant its reasonable attorney's fees and expenses against the party that proceeded with the action if the defendant prevails in the action and the court finds that the claim was clearly frivolous, clearly vexatious, or brought solely for purposes of harassment.

(b) (1) The court may stay an act of discovery of the person initiating the action for a period of not more than sixty (60) days if the attorney general and reporter or local prosecuting authority shows that the act of
discovery would interfere with an investigation or a prosecution of criminal or civil matter arising out of the same facts, regardless of whether the attorney general and reporter or local prosecuting authority proceeds with the action. This showing shall be conducted in camera.

(2) The court may extend the sixty-day period upon a further showing in camera that the attorney general and reporter or local prosecuting authority has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

(i) Upon a showing by the attorney general and reporter or local prosecuting authority that unrestricted participation during the course of the litigation by the person initiating the action would interfere with or unduly delay the attorney general and reporter's or local prosecuting authority's prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the person's participation, including the following:

(1) Limiting the number of witnesses the person may call;
(2) Limiting the length of the testimony of the witnesses;
(3) Limiting the person's cross-examination of witnesses; or
(4) Otherwise limiting the participation by the person in the litigation.

(j) There is hereby created in the state treasury a fund to be known as the "False Claims Act Fund." Proceeds from the action or settlement of the claim by the attorney general and reporter pursuant to this chapter shall be deposited into this fund. Moneys in this fund, upon appropriation by the general assembly, shall be used by the attorney general and reporter to support the ongoing investigation and prosecution of false claims in furtherance of this chapter. Amounts in the fund at the end of any fiscal year shall not revert to the general fund, but shall remain available for the purposes set forth in this chapter.

(a) A civil action under § 4-18-104 may not be filed more than three (3) years after the date of discovery by the official of the state or political subdivision charged with responsibility to act in the circumstances or, in any event, no more than ten (10) years after the date on which the violation of § 4-18-103 was committed.

(b) A civil action under § 4-18-104 may be brought for activity prior to July 1, 2001, if the limitations period set in subsection (a) has not lapsed.

(c) In any action brought under § 4-18-104, the state, the political subdivision, or the qui tam plaintiff shall be required to prove all essential elements of the cause of action, including damages, by a preponderance of the evidence.

(d) Notwithstanding any other provision of law to the contrary, a guilty verdict rendered in a criminal proceeding charging false statements or fraud, whether upon a verdict after trial or upon a plea of guilty or nolo contendere, except for a plea of nolo contendere made prior to July 1, 2001, shall estop the defendant from denying the essential elements of the offense in any action that involves the same transaction as in the criminal proceeding and that is brought under § 4-18-104(a), (b), or (c).

(a) This chapter is not exclusive, and the remedies provided for in this chapter shall be in addition to any other remedies provided for by law or available under common law.

(b) If any provision of this chapter or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the chapter that can be given effect without the

Tenn. Code Ann. § 4-18-105

4-18-105. Prohibition against preventing employees from disclosing information -- Violations -- Remedies.

(a) No employer shall make, adopt, or enforce any rule, regulation, or policy preventing an employee from disclosing information to a government or law enforcement agency or from acting in furtherance of a false claims action, including investigating, initiating, testifying, or assisting in an action filed or to be filed under § 4-18-104.

(b) No employer shall discharge, demote, suspend, threaten, harass, deny promotion to, or in any other manner discriminate against an employee in the terms and conditions of employment because of lawful acts done by the employee on behalf of the employee or others in disclosing information to a government or law enforcement agency or in furthering a false claims action, including investigation for, initiation of, testimony for, or assistance in, an action filed or to be filed under § 4-18-104.

(c) An employer who violates subsection (b) shall be liable for all relief necessary to make the employee whole, including reinstatement with the same seniority status that the employee would have had but for the discrimination, two (2) times the amount of back pay, interest on the back pay, compensation for any special damage sustained as a result of the discrimination, and, where appropriate, punitive damages. In addition, the defendant shall be required to pay litigation costs and reasonable attorneys’ fees. An employee may bring an action in the appropriate chancery court of the state for the relief provided in this subsection (c).

(d) An employee who is discharged, demoted, suspended, harassed, denied promotion, or in any other manner discriminated against in terms and conditions of employment by such person's employer because of participation in conduct that directly or indirectly resulted in the submission of a false claim to the state or a political subdivision shall be entitled to the remedies under subsection (c) if, and only if, both of the following occur:

(1) The employee voluntarily disclosed information to a government or law enforcement agency or acted in furtherance of a false claims action, including investigation for, initiation of, testimony for, or assistance in an action filed or to be filed; and

(2) The employee had been harassed, threatened with termination or demotion, or otherwise coerced by the employer or its management into engaging in the fraudulent activity in the first place.

Tenn. Code Ann. § 50-1-304 - Discharge for refusal to participate in or remain silent about illegal activities, or for legal use of agricultural product -- Damages -- Frivolous lawsuits.

(a) As used in this section:
(1) "Employee" includes, but is not limited to:
   (A) A person employed by the state or any municipality, county, department, board, commission, agency, instrumentality, political subdivision or any other entity of the state;
   (B) A person employed by a private employer; or
   (C) A person who receives compensation from the federal government for services performed for the federal government, notwithstanding that the person is not a full-time employee of the federal government;

(2) "Employer" includes, but is not limited to:
   (A) The state or any municipality, county, department, board, commission, agency, instrumentality, political subdivision or any other entity of the state;
   (B) A private employer; or
   (C) The federal government as to an employee who receives compensation from the federal government for services performed for the federal government, notwithstanding that the person is not a full-time federal employee;

(3) "Illegal activities" means activities that are in violation of the criminal or civil code of this state or the United States or any regulation intended to protect the public health, safety or welfare.

(b) No employee shall be discharged or terminated solely for refusing to participate in, or for refusing to remain silent about, illegal activities.

(c) (1) Any employee terminated in violation of subsection (b) shall have a cause of action against the employer for retaliatory discharge and any other damages to which the employee may be entitled, subject to the limitations set out in § 4-21-313.

   (2) Any employee terminated in violation of subsection (b) solely for refusing to participate in, or for refusing to remain silent about, illegal activities who prevails in a cause of action against an employer for retaliatory discharge for the actions shall be entitled to recover reasonable attorney fees and costs.

(d) (1) No employee shall be discharged or terminated solely for participating or engaging in the use of an agricultural product not regulated by the alcoholic beverage commission that is not otherwise proscribed by law, if the employee participates or engages in the use in a manner that complies with all applicable employer policies regarding the use during times at which the employee is working.

   (2) No employee shall be discharged or terminated solely for participating or engaging in the use of the product not regulated by the alcoholic beverage commission that is not otherwise proscribed by law if the employee participates or engages in the activity during times when the employee is not working.

(e) (1) This section shall not be used for frivolous lawsuits, and anyone trying to do so is subject to sanction as provided in subdivision (e)(2).

   (2) If any employee files a cause of action for retaliatory discharge for any improper purpose, such as to harass or to cause needless increase in costs to the employer, the court, upon motion or upon its own initiative, shall impose upon the employee an appropriate sanction, which may include an order to pay the other party or parties the amount of reasonable expenses incurred, including reasonable attorney's fees.

(f) In any civil cause of action for retaliatory discharge brought pursuant to this section, or in any civil cause of action alleging retaliation for refusing to participate in or remain silent about illegal activities, the plaintiff shall have the burden of establishing a prima facie case of retaliatory discharge. The burden on the defendant is one of production and not persuasion. If the defendant produces such evidence, the presumption of discrimination raised by the plaintiff's prima facie case is rebutted, and the burden shifts to the plaintiff to demonstrate that the reason given by the defendant was not the true reason for the plaintiff's discharge and that the stated reason was a pretext for unlawful retaliation. The foregoing allocations of burdens of proof shall apply at all stages of the proceedings, including motions for summary judgment. The plaintiff at all times retains the burden of persuading the trier of fact that the plaintiff has been the victim of unlawful retaliation.

(g) This section abrogates and supersedes the common law with respect to any claim that could have been brought under this section.

The court may make such orders or judgments, including the appointment of a receiver, as may be necessary to prevent any act described by subsection (a) by any person or entity, or as may be necessary to restore to the medicaid program any money or property, real or personal, which may have been acquired by means of such act.

For purposes of this subsection (a), "attempts to obtain" includes making or presenting to any person a claim for any payment under any rule, regulation, procedure, or statute governing TennCare, knowing the claim to be false, fictitious or fraudulent.

(B) An offense under subdivision (a)(2)(A) is a Class D felony unless the value of the property or services obtained meets the threshold set for a Class B or Class C offense under § 39-14-105, in which case the appropriate higher class shall apply. In addition to any other penalty, a sentence that includes a fine, when imposed upon an entity or upon a person for actions benefiting an entity, shall include the corporation fine specified in § 40-35-111.

Any person or entity disqualified from participation in the medical assistance program shall make restitution in the total amount of the medical assistance or underpayment which forms the basis for the conviction before such person or entity can reenroll in the TennCare program.

HISTORY: Acts 2006, ch. 1010, § 2; 2009, ch. 566, § 12

Qui Tam Actions & Remedies

(a) If the attorney general and reporter finds that a person has violated or is violating § 71-5-182, the attorney general and reporter may bring a civil action under this section against the person.

(b)(1) A person may bring a civil action for a violation of § 71-5-182 for the person and for the state. The action shall be brought in the name of the state of Tennessee. The action may be dismissed only if the court and the attorney general and reporter or district attorney general give written consent to the dismissal and their reasons for consenting.

(2) A copy of the complaint and written disclosure of substantially all material evidence and information the person possesses shall be served on the state. The complaint shall be filed in camera, shall remain under seal for at least sixty (60) days, and shall not be served on the defendant until the court so orders. The state may elect to intervene and proceed with the action within sixty (60) days after it receives both the complaint and the material evidence and information.

(3) The state may, for good cause shown, move the court for extensions of the time during which the complaint remains under seal under subdivision (b)(2). Any such motions may be supported by affidavits or other submissions in camera. The defendant shall not be required to respond to any complaint filed under this section until twenty (20) days after the complaint is unsealed and served upon the defendant.

(4) Before the expiration of the sixty-day period or any extensions obtained under subdivision (b)(3), the state shall:

(A) Proceed with the action, in which case the action shall be conducted by the state; or

(B) Notify the court that it declines to take over the action, in which case the person bringing the action shall have the right to continue as a party to the action, subject to the limitations set forth in subdivision (c)(2).

(c)(1) If the state proceeds with the action, it shall have the primary responsibility for prosecuting the action, and shall not be bound by an act of the person bringing the action. Such person shall have the right to continue as a party to the action, subject to the limitations set forth in subdivision (c)(2).

(2) (A) The state may dismiss the action notwithstanding the objections of the person initiating the action, if the person has been notified by the state of the filing of the motion and the court has provided the person with an opportunity for a hearing on the motion.

(B) The state may settle the action with the defendant notwithstanding the objections of the person initiating the action, if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, such hearing may be held in camera.

(C) Upon a showing by the state that unrestricted participation during the course of the litigation by the person initiating the action would interfere with or unduly delay the state’s prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the person’s participation, such as:

(i) Limiting the number of witnesses the person may call;

(ii) Limiting the length of the testimony of such witnesses;

(iii) Limiting the person’s cross-examination of witnesses; or

<tr>
<td>(3)</td>
<td>If the state elects not to proceed with the action, the person who initiated the action shall have the right to conduct the action. If the state so requests, it shall be served with copies of all deposition transcripts, at the state’s expense. When a person proceeds with the action, the court, without limiting the status and rights of the person initiating the action, may nevertheless permit the state to intervene at a later date upon a showing of good cause.</td>
</tr>
<tr>
<td>(4)</td>
<td>Whether or not the state proceeds with the action, upon a showing by the state that certain actions of discovery by the person initiating the action would interfere with the state’s investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay such discovery for a period of not more than sixty (60) days. Such a stayed shall be conducted in camera. The court may extend the sixty-day period upon a further showing in camera that the state has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.</td>

<tr>
<td>(5)</td>
<td>Notwithstanding subsection (b), the state may elect to pursue its claim through any alternate remedy available to the state, including any administrative proceeding to determine a civil monetary penalty. If any such alternate remedy is pursued in another proceeding, the person initiating the action shall have the same rights in such proceedings as such person would have had if the action had continued under this section. Any finding of fact or conclusion of law made in such other proceeding that has become final shall be conclusive on all parties to an action under this section. For purposes of this subdivision (c)(5), a finding or conclusion is final if it has been finally determined on appeal to the appropriate court of jurisdiction, if all time for filing such an appeal with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.</td>

All such expenses, fees, and costs shall be awarded against the defendant.</td>

Such person shall also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys’ fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.</td>

If the person bringing the action is convicted of criminal conduct arising from such person's role in the violation of § 181.4, that person shall be dismissed from the civil action and shall not receive any share of the proceeds of the action. Such dismissal shall not prejudice the right of the state to continue the action.</td>

(2) (A) The court shall dismiss an action or claim under this section, unless opposed by the state, if substantially the same allegations or transactions as alleged in the action or claim were publicly disclosed in a criminal, civil, or administrative hearing in which the state or its agent is a party; in a state legislative, state comptroller, or other state report, hearing, audit, or investigation; or from the news media, unless the action is brought by the attorney general and reporter or district attorney general or the person bringing the action is an original source of the information.

(B) For purpose of this subdivision (c)(2), "original source" means an individual who either prior to a public disclosure under subdivision (c)(2)(A) has voluntarily disclosed to the state the information on which allegations or transactions in a claim are based, or who has knowledge that is independent of and materially adds to the publicly disclosed allegations or transactions, and who has voluntarily provided the information to the state before filing an action under this section.

(i) The state is not liable for expenses that a person incurs in bringing an action under this section.

(g) Any employee, contractor, or agent shall be entitled to all relief necessary to make that employee, contractor, or agent whole, if that employee, contractor, or agent is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of employment because of lawful acts done by the employee, contractor, or agent, or associated others in furtherance of an action under this section or other efforts to stop one (1) or more violations of § 71-5-181 – 71-5-185. The relief shall include reinstatement with the same seniority status the employee, contractor, or agent would have had but for the discrimination, two (2) times the amount of back pay, interest on the back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorneys' fees. An action under this subsection (g) may be brought in the appropriate court for the relief provided in this subsection (g), but may not be brought more than three (3) years after the date when the retaliation occurred.

(h) (I) Upon written request of the attorney general and reporter, the bureau of TennCare may bring an action as an administrative proceeding on behalf of the state for recovery under § 71-5-182 against any person specified by the attorney general and reporter other than an enrollee, recipient or applicant, subject to the conditions set forth in this subsection (h).

(2) The amount of actual damages that the state may seek in such administrative proceeding shall not exceed twenty-five thousand dollars ($25,000). This limit shall not apply to any civil penalties or costs that the state is eligible to recover under § 71-5-182 or to § 71-5-184 related to double or treble damages.

(3) Notwithstanding § 71-5-182, the civil penalty for each violation of § 71-5-182 in such administrative proceeding shall be not less than one thousand dollars ($1,000) and not more than five thousand dollars ($5,000).

(4) Any administrative action brought pursuant to this subsection (h) shall be subject to § 71-5-184.

(5) Any administrative action brought pursuant to this subsection (h) shall be initiated as a contested case in accordance with the Uniform Administrative Procedures Act, compiled in title 4, chapter 5.

(6) The bureau of TennCare shall have authority to promulgate rules and regulations pursuant to the Uniform Administrative Procedures Act, as are necessary to implement this subsection (h). Qui Tam Actions & Remedies

§ 36.101. Action by Private Person Authorized

(a) A person may bring a civil action for a violation of Section 36.002 for the person and for the state. The action shall be brought in the name of the person and of the state.

(b) In an action brought under this subchapter, a person who violates Section 36.002 is liable as provided by Section 36.052.

History: Enacted by Acts 1997, 75th Leg., ch. 1153 (S.B. 30), § 4.08, effective September 1, 1997.

(a) A person bringing an action under this subchapter shall serve a copy of the petition and a written disclosure of substantially all material evidence and information the person possesses on the attorney general in compliance with the Texas Rules of Civil Procedure.

(b) The petition shall be filed in camera and, except as provided by Subsection (c-1) or (d), shall remain under seal until at least the 180th day after the date the petition is filed or the date on which the state elects to intervene, whichever is earlier. The petition may not be served on the defendant until the court orders service on the defendant.

(c) The state may elect to intervene and proceed with the action not later than the 180th day after the date the attorney general receives the petition and the material evidence and information.

(c-1) At the time the state intervenes, the attorney general may file a motion with the court requesting that the petition remain under seal for an extended period.

(d) The state may, for good cause shown, move the court to extend the 180-day deadline under Subsection (b) or (c). A motion under this subsection may be supported by affidavits or other submissions in camera.
An action under this subchapter may be dismissed before the end of the period during which the petition remains under seal only if the court and the attorney general consent in writing to the dismissal and state their reasons for consenting.

**History:** Enacted by Acts 1997, 75th Leg., ch. 1153 (S.B. 30), § 4.08, effective September 1, 1997; am. Acts 2005, 79th Leg., ch. 806 (S.B. 563), § 10, effective September 1, 2005.

In an action under this subchapter, the state or person bringing the action must establish each element of the action, including damages, by a preponderance of the evidence.

**History:** Enacted by Acts 2007, 80th Leg., ch. 29 (S.B. 362), § 2, effective May 4, 2007.

If the state proceeds with an action under this subchapter, the person bringing the action is entitled, except as provided by Subsection (b), to receive at least 15 percent but not more than 25 percent of the proceeds of the action, depending on the extent to which the person substantially contributed to the prosecution of the action.

(a-1) If the state does not proceed with an action under this subchapter, the person bringing the action is entitled, except as provided by Subsection (b), to receive at least 25 percent but not more than 30 percent of the proceeds of the action. The entitlement of a person under this subsection is not affected by any subsequent intervention in the action by the state in accordance with Section 36.104(b-1).

(b) If the court finds that the action is based primarily on disclosures of specific information, other than information provided by the person bringing the action, relating to allegations or transactions in a Texas or federal criminal or civil hearing, in a Texas or federal legislative or administrative report, hearing, audit, or investigation, or from the news media, the court may award the amount the court considers appropriate but not more than 10 percent of the proceeds of the action. The court shall consider the significance of the information and the role of the person bringing the action in advancing the case to litigation.

(c) A payment to a person under this section shall be made from the proceeds of the action. A person receiving a payment under this section is also entitled to receive from the defendant an amount for reasonable expenses, reasonable attorney's fees, and costs that the court finds to have been necessarily incurred. The court's determination of expenses, fees, and costs to be awarded under this subsection shall be made only after the defendant has been found liable in the action or the claim is settled.

(d) In this section, "proceeds of the action" includes proceeds of a settlement of the action.

If the court finds that the action was brought by a person who planned and initiated the violation of Section 36.002 on which the action was brought, the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action the person would otherwise receive under Section 36.110, taking into account the person's role in advancing the case to litigation and any relevant circumstances pertaining to the violation.

(b) If the person bringing the action is convicted of criminal conduct arising from the person's role in the violation of Section 36.002, the court shall dismiss the person from the civil action and the person may not receive any share of the proceeds of the action. A dismissal under this subsection does not prejudice the right of the state to continue the action.

**History:** Enacted by Acts 1997, 75th Leg., ch. 1153 (S.B. 30), § 4.08, effective September 1, 1997

A person may not bring an action under this subchapter that is based on allegations or transactions that are the subject of a civil suit or an administrative penalty proceeding in which the state is already a party.

**History:** Enacted by Acts 1997, 75th Leg., ch. 1153 (S.B. 30), § 4.08, effective September 1, 1997
The court shall dismiss an action or claim under this subchapter, unless opposed by the attorney general, if substantially the same allegations or transactions as alleged in the action or claim were publicly disclosed in a Texas or federal criminal or civil hearing in which the state or an agent of the state is a party, in a Texas legislative or administrative report, or other Texas hearing, audit, or investigation, or from the news media, unless the person bringing the action is an original source of the information. In this subsection, "original source" means an individual who:

1. Prior to a public disclosure under this subsection, has voluntarily disclosed to the state the information on which allegations or transactions in a claim are based; or

2. Has knowledge that is independent of and materially adds to the publicly disclosed allegation or transactions and who has voluntarily provided the information to the state before filing an action under this subchapter.

A. A person may bring a civil action for a violation of § 8.01-216.5 for the person and for the Commonwealth. The action shall be brought in the name of the Commonwealth. The action may be dismissed only if the court and the Attorney General give written consent to the dismissal and their reasons for consenting.

B. A copy of the complaint and written disclosure of substantially all material evidence and information the person possesses shall be served on the Commonwealth. The complaint shall be filed in camera, shall remain under seal for at least 120 days, and shall not be served on the defendant until the court so orders. The Commonwealth may elect to intervene and proceed with the action within 120 days after it receives both the complaint and the material evidence and information.

C. The Commonwealth may, for good cause shown, move the court for extensions of the time during which the complaint remains under seal. Any such motions may be supported by affidavits or other submissions in camera. The defendant shall not be required to respond to any motion for judgment filed under this section until twenty-one days after the complaint is unsealed and served upon the defendant.

D. Before the expiration of the 120-day period or any extensions obtained under subsection C, the Commonwealth shall proceed with the action, in which case the action shall be conducted by the Commonwealth, or notify the court that it declines to take over the action, in which case the person bringing the action shall have the right to prosecute the action.

E. When a person brings an action under this section, no person other than the Commonwealth may intervene or bring a related action based on the facts underlying the pending action.

A. Except as hereinafter provided, if the Commonwealth proceeds with an action brought by a person under § 8.01-216.5, such person shall receive at least fifteen percent but not more than twenty-five percent of the proceeds of the action or settlement of the claim, depending upon the extent to which the person substantially contributed to the prosecution of the action. Where the action is one that the court finds to be based primarily on disclosures of specific information, other than information provided by the person bringing the action, relating to allegations or transactions in a criminal, civil, or administrative hearing, in a legislative, administrative, or Auditor of Public Accounts' report, hearing, audit, or investigation, or from the news media, the court may award such sums as it considers appropriate, but in no case more than ten percent of the proceeds, taking into account the significance of the information and the role of the person bringing the action in advancing the case to litigation. Any payment to a person under this section shall be made from the proceeds of the award. Any such person shall also receive an amount for reasonable expenses that the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

B. If the Commonwealth does not proceed with an action, the person bringing the action or settling the claim shall receive an amount that the court decides is reasonable for collecting the civil penalty and damages. The amount shall be not less than twenty-five percent and not more than thirty percent of the proceeds of the award or settlement and shall be paid out of the proceeds. Such person shall also receive an amount for reasonable expenses that the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. All such expenses, fees, and costs shall be awarded against the defendant.

C. Whether or not the Commonwealth proceeds with the action, if the court finds that the action was brought by a person who planned and initiated the violation of § 8.01-216.5 upon which the action was brought, or if the person bringing the action is convicted of criminal conduct arising from his role in the violation of § 8.01-216.3, that person shall be dismissed from the civil action and shall not receive any share of the proceeds of the action. Such dismissal shall not prejudice the right of the Commonwealth to continue the action.

D. If the Commonwealth does not proceed with the action and the person bringing the action conducts the action, the court may award to the defendant its reasonable attorneys' fees and expenses if the defendant prevails in the action and the court finds that the claim of the person bringing the action was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

State / Citation  False Claims Laws

Certain actions barred; relief from employment discrimination; waiver of sovereign immunity
http://law.lis.virginia.gov/vacode/title8.01/chapter3/section8.01-216.8/

No court shall have jurisdiction over any action brought under this article by an inmate incarcerated within a state or local correctional facility as defined in § 53.1-1.

No court shall have jurisdiction over an action brought under this article against any department, authority, board, bureau, commission, or agency of the Commonwealth, a member of the General Assembly, a member of the judiciary, or an exempt official if the action is based on evidence or information known to the Commonwealth when the action was brought. For purposes of this section, "exempt official" means the Governor, Lieutenant Governor, Attorney General and the directors or members of any department, authority, board, bureau, commission or agency of the Commonwealth or any political subdivision of the Commonwealth.

In no event may a person bring an action under this article that is based upon allegations or transactions that are the subject of a civil suit or an administrative proceeding in which the Commonwealth is already a party.

The court shall dismiss an action or claim under § 8.01-216.5 unless opposed by the Commonwealth if substantially the same allegations or transactions as alleged in the action or claim were publicly disclosed in a criminal, civil or administrative hearing in which the Commonwealth or its agent is a party, in a Virginia legislative, administrative, or Auditor of Public Accounts' report, hearing, audit, or investigation, or from the news media, unless the action is brought by the Attorney General or the person bringing the action is an original source of the information. For purposes of this section, "original source" means an individual (i) who either prior to a public disclosure has voluntarily disclosed to the Commonwealth the information on which the allegations or transactions in a claim are based or (ii) who has knowledge that is independent of and materially adds to the publicly disclosed allegations or transactions and who has voluntarily provided the information to the Commonwealth before filing an action under this article.

Except as otherwise provided in this section, the Commonwealth shall not be liable for expenses a person incurs in bringing an action under this article.

Any employee, contractor, or agent shall be entitled to all relief necessary to make that employee, contractor, or agent whole, if that employee, contractor, or agent is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of employment because of lawful acts done by the employee, contractor, agent, or associated others in furtherance of an action under this article or other efforts to stop one or more violations of this article. Relief shall include reinstatement with the same seniority status that employee, contractor, or agent would have had but for the discrimination, two times the amount of back pay, interest on the back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorney fees. Any relief awarded to an employee under this section shall be reduced by any amount awarded to the employee through a state or local grievance process. An action under this section may be brought in a court of competent jurisdiction for the relief provided in this section, but may not be brought more than three years after the date the discrimination occurred. This paragraph shall constitute a waiver of sovereign immunity and creates a cause of action by an employee against the Commonwealth if the Commonwealth is the employer responsible for the adverse employment action that would entitle the employee to the relief set forth in this paragraph.

D. In addition to the remedies provided in § 2.2-3012, any whistle blower may bring a civil action for violation of this section in the circuit court of the jurisdiction where the whistle blower is employed. In a proceeding commenced against any employer under this section, the court, if it finds that a violation was willfully and knowingly made, may impose upon such employer that is a party to the action, whether a writ of mandamus or injunctive relief is awarded or not, a civil penalty of not less than $500 nor more than $2,500, which amount shall be paid into the Fraud and Abuse Whistle Blower Reward Fund. The court may also order appropriate remedies, including (i) reinstatement to the same position or, if the position is filled, to an equivalent position; (ii) back pay; (iii) full reinstatement of fringe benefits and seniority rights; or (iv) any combination of these remedies. The whistle blower may be entitled to recover reasonable attorney fees and costs. No action brought under this subsection shall be brought more than three years after the date the unlawful discharge, discrimination, or retaliation occurs. Any whistle blower proceeding under this subsection shall not be required to exhaust existing internal procedures or other administrative remedies.

E. Nothing in this chapter shall prohibit an employer from disciplining or discharging a whistle blower for his misconduct or any violation of criminal law.

F. No court shall have jurisdiction over an action brought under § 8.01-216.3 based on information discovered by a present or former employee of the Commonwealth during the course of his employment unless that employee first, in good faith, has exhausted existing internal procedures for reporting and seeking recovery of the falsely claimed sums through official channels and unless the Commonwealth failed to act on the information provided within a reasonable period of time.

Whoever knowingly presents or causes to be presented to any officer, employee, or agent of this state a false claim for medical assistance shall forfeit not less than $5,000 nor more than $10,000, plus 3 times the amount of the damages that were sustained by the state or would have been sustained by the state, whichever is greater, as a result of the false claim. The attorney general may bring an action on behalf of the state to recover any forfeiture incurred under this section.

**History** - 2007 a. 20.

Wisconsin Stat. § 49.49

**Medical assistance offenses.**

(1d) **Damages.** If any person is convicted under s. 946.91 (2), the state shall have a cause of action for relief against such person in an amount 3 times the amount of actual damages sustained as a result of any excess payments made in connection with the offense for which the conviction was obtained. Proof by the state of a conviction under s. 946.91 (2) in a civil action shall be conclusive regarding the state's right to damages and the only issue in controversy shall be the amount, if any, of the actual damages sustained. Actual damages shall consist of the total amount of excess payments, any part of which is paid by state funds. In any such civil action the state may elect to file a motion in expedition of the action. Upon receipt of the motion, the presiding judge shall expedite the action.

(3p) **Prohibited provider charges.** No provider may knowingly violate s. 609.91 (2).

(4m) **Prohibited conduct; forfeitures.**

(a) No person, in connection with medical assistance, may:

1. Knowingly make or cause to be made any false statement or representation of a material fact in any application for a benefit or payment.
2. Knowingly make or cause to be made any false statement or representation of a material fact for use in determining rights to a benefit or payment.
3. Knowingly conceal or fail to disclose any event of which the person has knowledge that affects his or her initial or continued right to a benefit or payment or affects the initial or continued right to a benefit or payment of any other person in whose behalf he or she has applied for or is receiving a benefit or payment.
(b) A person who violates this subsection may be required to forfeit not less than $100 nor more than $15,000 for each statement, representation, concealment or failure.

(5) County collection. Any county may retain 15 percent of state Medical Assistance funds that are recovered due to the efforts of a county employee or officer or, if the county initiates action by the department of justice, due to the efforts of the department of justice under s. 96.45. This subsection applies only to recovery of medical assistance that was provided as a result of fraudulent activity by a recipient or by a provider.

(6) Recovery. In addition to other remedies available under this section, the court may award the department of justice the reasonable and necessary costs of investigation, an amount reasonably necessary to remedy the harmful effects of the violation and the reasonable and necessary expenses of prosecution, including attorney fees, from any person who violates this section. The department of justice shall deposit in the state treasury for distribution by the department of natural resources to the extent the court determines that such expenses were reasonably necessary to remedy the injuries caused by the violation.

(7) Operation of nursing home or intermediate care facility by commission not prohibited.

(a) In this subsection:

1. “Commission” means an entity that is created by contract between 2 or more political subdivisions under s. 66.0301, to operate a nursing home or intermediate care facility and to which all of the following apply:
   a. The entity is the named licensee for the nursing home or intermediate care facility.
   b. The entity is the certified provider under s. 49.45 (5) (a) 11. for the nursing home or intermediate care facility and is the recipient of medical assistance reimbursement for services provided by the nursing home or intermediate care facility.
   c. The entity owns or leases the building in which the nursing home or intermediate care facility is located.
   d. The entity provides or contracts for provision of nursing home or intermediate care facility services.
   e. The entity controls admissions and discharges from the nursing home or intermediate care facility.
   f. The entity allocates the costs of operating the nursing home or intermediate care facility, and of providing services to residents of the nursing home or intermediate care facility, among the political subdivisions that are parties to the contract and assesses each political subdivision that is a party to the contract the portion of the costs allocated to that political subdivision.

2. “Member” means a political subdivision that is a party to a contract to create a commission.

3. “Political subdivision” means a county, city, village, or town.

(b) A commission’s imposition of an assessment on a member for the costs incurred by the commission to operate the nursing home or intermediate care facility and to provide services to residents of the nursing home or intermediate care facility is a charge internal to the commission and does not constitute billing a 3rd party for services provided on behalf of an individual.

(c) A member’s payment of an assessment described under par. (b) is a transfer of funds internal to the commission and does not constitute a purchase of services on behalf of an individual, regardless of whether the payment is made from the member’s general fund, made pursuant to a purchase of services agreement between a member’s human services department or other department and the commission, or by a combination of these payment methods.

(d) A commission’s imposition of an assessment as described under par. (b), a member’s payment of the assessment as described under par. (c), and acceptance of the payment by the commission do not constitute conduct prohibited under s. 446.99 (4) or prohibited under s. DHS 106.04 (5). Wis. Adm. Code, in effect on May 26, 2010. It is the intent of the legislature to create a mechanism whereby 2 or more political subdivisions may share in the operation, use, and funding of a nursing home or intermediate care facility, among the political subdivisions that are parties to the contract and assesses each political subdivision that is a party to the contract the portion of the costs allocated to that political subdivision.

(b) Exceptions. The department may exceed claims payment limits under par. (a) for any of the following reasons:

1. If a claim for payment under Medicare has been filed in a timely manner, the department may pay a MA claim relating to the same services within 6 months after the department or the provider receives notice of the disposition of the Medicare claims;

2. The department may make payments at any time in accordance with a court order, or to carry out hearing decisions or department corrective actions taken to resolve a dispute; or

3. The department may issue payments in accordance with waiver provisions if it has obtained a waiver from the federal health care financing administration under 42 CFR 447.45 (c).

(1m) PAYMENT MECHANISM. (a) Definitions. In this subsection:

1. "Automated claims processing system" means the computerized system operated by the department's fiscal agent for paying the claims of providers.

2. "Manual partial payment" means a method of paying claims other than through the automated claims processing system.

(b) Automated claims processing. Except as provided in par. (c), payment of provider claims for reimbursement for services provided to recipients shall be made through the department's automated claims processing system.

(c) Manual partial payment. The department may pay up to 75% of the reimbursable amount of a provider's claim in advance of payments made through the automated claims processing system if all the following conditions exist:

1. The provider requests a manual partial payment and is informed that the payment will be automatically recouped when the provider's claims are later processed through the automated claims processing system;

2. A provider's claims for services provided have been pending in the automated claims processing system for more than 30 days, or the provider provides services to MA recipients representing more than 50% of the provider's income and payment for these services has been significantly delayed beyond the claims processing time historically experienced by the provider;

3. The delay in payment under subd. 2. is due to no fault of the provider;

4. Further delay in payment will have a financial impact on the provider which is likely to adversely affect or disrupt the level of care otherwise provided to recipients; and

5. The provider has submitted documentation of covered services, including the provider name and MA billing number, the recipient's name and MA number, the date or dates of services provided, type and quantity of services provided as appropriate and any other information pertinent to payment for covered services.

(d) Recoupment of manual partial payments. Manual partial payments shall be automatically recouped when the provider's claims are processed through the automated claims processing system.

(e) Cash advances prohibited. In no case may the department or its fiscal agent make advance payment for services not yet provided. No payment may be made unless covered services have been provided and a claim or document under par. (c) 5. for these services has been submitted to the department.

(2) COST SHARING. (a) General policy. Pursuant to s. 49.45 (18), Stats., the department shall establish copayment rates and deductible amounts for medical services covered under MA. Recipients shall provide the copayment amount or coinsurance to the provider or pay for medical services up to the deductible amount, as appropriate, except that the services and recipients listed in s. DHS 80.03 (2) (a) are exempt from cost-sharing requirements. Providers are not entitled to reimbursement from MA for the copayment, coinsurance or deductible amounts for which a recipient is liable.

(b) Liability for refunding erroneous copayment. In the event that medical services are covered by a third party and the recipient makes a copayment to the provider, the department is not responsible for refunding the copayment amount to the recipient.
(3) NON-LIABILITY OF RECIPIENTS. A provider shall accept payments made by the department in accordance with sub. (1) as payment in full for services provided a recipient. A provider may not attempt to impose a charge for an individual procedure or for overhead which is included in the reimbursement for services provided nor may the provider attempt to impose an unauthorized charge or receive payment from a recipient, relative or other person for services provided, or impose direct charges upon a recipient in lieu of obtaining payment under the program, except under any of the following conditions:

(a) A service desired, needed or requested by a recipient is not covered under the program or a prior authorization request is denied and the recipient is advised of this fact before receiving the service;

(b) An applicant is determined to be eligible retroactively under s. 49.46 (1) (b), Stats., and a provider has billed the applicant directly for services rendered during the retroactive period, in which case the provider shall, upon notification of the recipient's retroactive eligibility, submit claims under this section for covered services provided during the retroactive period. Upon receipt of payment from the program for the services, the provider shall reimburse in full the recipient or other person who has made prior payment to the provider. A provider shall not be required to reimburse the recipient or other person in excess of the amount reimbursed by the program; or

(c) A recipient in a nursing home chooses a private room in the nursing home and the provisions of s. DHS 307.09 (1m) (a) are met.

(4) RELEASE OF BILLING INFORMATION BY PROVIDERS. (a) Restrictions. A provider may not release information to a recipient or to a recipient's attorney relating to charges which have been billed or which will be billed to MA for the cost of care of a recipient without notifying the department, unless any real or potential third-party payer liability has been assigned to the provider.

(b) Provider liability. If a provider releases information relating to the cost of care of a recipient or beneficiary contrary to par. (a), and the recipient or beneficiary receives payment from a liable third-party payer, the provider shall repay to the department any MA benefit payment it has received for the charges in question. The provider may then assert a claim against the recipient or beneficiary for the amount of the MA benefit repaid to the department.

Note: See the Wisconsin Medical Assistance Provider Handbook for specific information on procedures to be followed in the release of billing information.

(5) RETURN OF OVERPAYMENT. (a) Except as provided in par. (b), if a provider receives a payment under the MA program to which the provider is entitled, the provider shall return to the department the amount of the overpayment, including but not limited to erroneous, excess, duplicative and improper payments, regardless of cause, within 30 days after the date of the overpayment in the case of a duplicative payment from MA, Medicare or other health care payer and within 30 days after the date of discovery of the case of all other overpayments.

(b) In lieu of returning the overpayment, a provider may notify the department in writing within 30 days after the date of the overpayment or its discovery, as applicable, of the nature, source and amount of the overpayment and request that the overpayment be deducted from future amounts owed the provider by the MA program.

(c) The department shall honor the request under par. (b) if the provider is actively participating in the program, is not currently under investigation for fraud or MA program abuse, is not subject to an intermediate sanction under s. DHS 106.08, and is claiming and receiving MA reimbursement in amounts sufficient to reasonably ensure full recovery of the overpayment within a limited period of time. Any limited recovery period shall be consistent with the applicable federally required time period for the department's repayment of the federal financial participation associated with the overpayment as stated in 42 CFR 433.300-322.

(d) If the department denies the provider's request under par. (b) to have the overpayment deducted from future amounts paid, the provider shall return to the department the full amount of the overpayment within 30 days after receipt of the department's written denial.

(6) GOOD FAITH PAYMENT. A claim denied for recipient eligibility reasons may qualify for a good faith payment if the service provided was provided in good faith to a recipient with an MA identification card which the provider saw on the date of service and which was apparently valid for the date of service.

1. A person employed by the office of the governor, the courts, the legislature or a service agency under subch. IV of ch. 13.
2. A person who is, or whose immediate supervisor is, assigned to an executive salary group under s. 20.923 or a person who has, or whose immediate supervisor has, a position specified in s. 36.115 (3m) (ae) to (f).
(c) “Governmental unit” means any association, authority, board, commission, department, independent agency, institution, office, society or other body in state government created or authorized to be created by the constitution or any law, including the legislature, the office of the governor and the courts. “Governmental unit” does not mean the University of Wisconsin Hospitals and Clinics Authority or any political subdivision of the state or body within one or more political subdivisions which is created by law or by action of one or more political subdivisions.

2. Mismanagement or abuse of authority in state government, a substantial waste of public funds or a danger to public health and safety.

The employee shall bring the action within 2 years after the action allegedly occurred or after the employee learned of the action, whichever occurs last. No employee may bring an action against the division of personnel management in the department of administration as an employer’s agent.
(3) If, following the close of all evidence in an action under this section, a court or jury finds that retaliation was the primary factor in an employer’s or employer’s agent’s decision to engage in a disciplinary action, the court or jury may not consider any evidence offered by the employer or employer’s agent that the employer or employer’s agent would have engaged in the disciplinary action even if the employee had not disclosed, or the employer or employer’s agent had not believed the employee disclosed, the information.

(4) If the court or jury finds that the employer or employer’s agent retaliated against the employee, the court shall take any appropriate action, including but not limited to the following:

(a) Order placement of the employee in his or her previous position with or without back pay.
