SECTION 1: INTRODUCTION

Welcome

Welcome to the Magellan Providers of Texas, Inc. (Magellan) Provider Handbook Supplement for Texas Medicaid State of Texas Access Reform (STAR) and Children’s Health Insurance Program (CHIP). This handbook addresses policies and procedures specific to Texas providers for the Medicaid and CHIP Programs. The Provider Handbook Supplement for Texas Medicaid and CHIP Programs is to be used in conjunction with the Magellan National Provider Handbook. When information in the Texas Medicaid and CHIP Programs Supplement conflicts with the national handbook, or when specific information in the Texas Medicaid and CHIP Programs does not appear in the national handbook, policies and procedures in the Texas Medicaid and CHIP Programs Supplement prevail. Additional information may also be found in the Texas Medicaid Provider Procedures Manual on the TMHP website.

Covered Services

To meet the behavioral health needs of its members, Blue Cross and Blue Shield of Texas (BCBSTX) has contracted with Magellan Providers of Texas, Inc. to provide a continuum of services to individuals at risk of or suffering from mental, addictive, or other behavioral disorders.

Magellan offers a variety of behavioral health services to BCBSTX State of Texas Access Reform (STAR and STAR Kids) Medicaid and CHIP members in the Travis Service Area. These services include: assessment and treatment planning, psychiatric services, medication management, inpatient services, intensive outpatient services, case management services, outpatient therapy and substance abuse services. For more detail on the behavioral health benefits, both providers and members may contact Magellan at the numbers listed below:

1-800-327-7390 STAR/CHIP
1-800-424-0324 STAR Kids

See the Magellan National Provider Handbook
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

Initiating Care

Our Philosophy
Magellan joins with our members, providers and customers to make sure members receive the most appropriate services and experience the most desirable treatment outcomes for their benefit dollar.

Our Policy
We assist members in optimizing their benefits by reviewing and authorizing the most appropriate services to meet their behavioral health care needs, and members may self-refer without a referral from their primary care physician. We do not pay incentives to employees, peer reviewers (i.e., physician advisors), or providers to reduce or forego the provision of clinically necessary care. We do not reward or offer incentives to encourage non-authorization or under-utilization of behavioral health care services.

What You Need to Do
Your responsibility is to do the following when a member presents for care:

• Contact Magellan for an initial authorization, except in an emergency. Routine outpatient visits do not require authorization.
• Contact Magellan as soon as possible following the delivery of emergency services to coordinate care and discharge planning.
• Provide Magellan with a thorough assessment of the member, including, but not limited to, the following:
  o Symptoms
  o Precipitating event(s)
  o Potential for harm to self or others
  o Level of functioning and degree of impairment (as applicable)
  o Clinical history, including medical, behavioral health, and alcohol and other drug conditions or treatments
  o Current medications
  o Plan of care
  o Anticipated discharge and discharge plan (if appropriate).

Call the Magellan Care Management Center if during the course of treatment you determine that services other than those authorized are required.

Contact the Magellan Care Management Center up to 60 calendar days prior to the expiration of an existing authorization to request a renewal of the authorization.

What Magellan Will Do
Magellan’s responsibility to you is to:
• Contact you directly to arrange an appointment for members needing emergent or urgent care.
• Refer members based upon the member’s identified needs and preferences.
• Authorize medically necessary care.
• Include the type of service(s), number of sessions or days authorized, and a start- and end-date for authorized services.
• Communicate the authorization determination by telephone, online and/or in writing to you and the member.
• Offer you the opportunity to discuss the determination with a Magellan peer reviewer if we are unable to authorize the requested services.
• Authorize a second opinion if appropriate.
• Conduct retrospective audits of selected medication management cases for quality of care purposes.
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

Concurrent Review

Our Philosophy
Magellan believes in supporting the most appropriate services to improve health care outcomes for members. We look to our providers to notify us if additional services beyond those initially authorized are needed, including a second opinion for complex cases.

Our Policy
Concurrent utilization management review is required for all services, depending on the benefits, including but not limited to:
- Inpatient and residential programs,
- Intermediate ambulatory services such as partial hospital programs (PHP), ambulatory detox programs, or intensive outpatient (IOP) programs,
- Psychological testing, Outpatient ECT,
- Standard outpatient visits follow the Outpatient Care Model, as outlined in the next section,
- Mental Health Rehabilitative Services and Targeted Case Management.

What You Need to Do
If after evaluating and treating the member, you determine that additional services are necessary:
- Contact the assigned Magellan care management team member up to 60 calendar days before end of the authorization period by telephone for inpatient and intermediate ambulatory services, including Outpatient ECT and psychological testing.
- Be prepared to provide the Magellan care manager or physician advisor with an assessment of the member’s clinical condition, including any changes since the previous clinical review.
- Request a second opinion if you believe it would be clinically beneficial.

What Magellan Will Do
Magellan’s responsibility to you is to:
- Be available 24 hours a day, seven days a week, 365 days a year to respond to requests for authorization of care.
- Promptly review your request for additional days or visits in accordance with the applicable medical necessity criteria.
- Have a physician advisor available to conduct a clinical review in a timely manner if the care manager is unable to authorize the requested services.
- Respond in a timely manner to your request, verbally and in writing, for additional days or visits.
- Issue determinations, including adverse determinations, within three business days after receipt of the request for authorization of services; within one business day for concurrent hospitalization decisions; and within one hour for post-
stabilization or life-threatening conditions. (For emergency behavioral health conditions, no prior authorization is required.)
## Outpatient Care Model

### Our Philosophy
Magellan believes that it is important for members to have ease of access to outpatient services.

### Our Policy
All outpatient cases are reviewed using a proprietary, clinically driven claims algorithm to identify only those cases needing management support or other intervention. Cases that are targeted are those that indicate:

- High risk/high complexity.
- Aberrant utilization patterns.
- Ineffective/Inefficient provider practice patterns.

### What You Need to Do
- Collaborate with Magellan care advocates – when involved in a case – to identify and align treatment interventions for the best possible member outcome.
- Submit claims for services, as usual.
- If you are contacted, respond to the Magellan care advocate outreach in a timely manner to avoid potential claims denials due to lack of information on these outlier cases.
- Participate in our quality improvement initiatives, as required by your Magellan contract, which includes working with us in enhancing care to members.

### What Magellan Will Do
- Contact the provider regarding any cases identified through the claims algorithm.
- When appropriate, make outreach calls to members to provide additional education, information and support.
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

Claim Appeals for Blue Cross and Blue Shield of Texas (BCBSTX) Medicaid (STAR, STAR Kids) and Texas CHIP Members

**Our Philosophy**
Magellan supports the right of the provider to appeal an unfavorable claim determination.

**Our Policy**
We will notify the member and provider by mail with an explanation of benefits and procedures for requesting a claim appeal.

**What You Need to Do**
Your responsibility is to:
- File your Medicaid (STAR, STAR Kids) appeal within 120 calendar days from the date of the explanation of benefits. File your CHIP appeal within 180 calendar days from the date of the explanation of benefits.
- Include any documentation you would like considered in the appeal request, including any documentation or information that was not considered in the initial determination.
- Send the request for appeal to:
  
  Magellan Healthcare  
  Attn: Appeals  
  P.O. Box 1718  
  Maryland Heights, MO 63043

**What Magellan Will Do**
Magellan’s responsibility to you is to:
- Acknowledge the appeal within five business days of receipt.
- Complete the appeal review within 30 calendar days of receipt.
- Provide written notification of the appeal decision no later than 30 calendar days after Magellan’s receipt of the request.
- Refer you directly to BCBSTX if you are not satisfied with the appeal decision.
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

Appeals for BCBSTX Medicaid (STAR, STAR Kids) and CHIP Members

Our Philosophy

Magellan supports the right of the provider to appeal an adverse benefit determination (unfavorable administrative or a medical necessity adverse determination) by complying with the requirements of BCBSTX Medicaid (STAR and STAR Kids) and CHIP administrative and medical necessity appeals processes.

Our Policy

To comply with our health plan delegation agreements and to inform Magellan-contracted providers of the processes by which to request appeals of administrative unfavorable determinations and medical necessity adverse determinations.

What You Need to Do

Your responsibility is to:

• File your Medicaid (STAR and STAR Kids) appeal within 60 days from the date on the notice of the adverse benefit determination. File your CHIP appeal within 180 days from the date of your receipt of the adverse benefit determination.
• Include any documentation you would like considered in the appeal request, including any documentation/information that was not considered in the initial determination. If Magellan requests additional information in order to process the appeal, you must provide the requested information within 10 calendar days.
• Request an extension on behalf of a Medicaid (STAR and STAR Kids) member of up to 14 calendar days, if appropriate. The timeframe may not be extended on a CHIP member’s appeal. Send appeal information to:

If the member is a BCBSTX CHIP member:

Magellan Providers of Texas, Inc.
Provider Appeals
P.O. Box 1718
Maryland Heights, MO 63043

If the member is a BCBSTX STAR and STAR Kids member:

Blue Cross and Blue Shield of Texas
Attn: Complaint and Appeal Department
P.O. Box 27838
Albuquerque, NM 87125-7838
FAX: 1-855-235-1055

What Magellan Will Do

Magellan’s responsibility to you is to:
• Send an appeal acknowledgement letter within five business days of receipt of your appeal.
• Complete standard appeals within 30 calendar days of receipt.
• Notify member and provider of the process for expedited appeals.
  ○ For Medicaid (STAR and STAR Kids) members, make expedited appeal decisions within 72 hours of the receipt of the request.
  ○ Appeals related to an ongoing emergency or continued hospitalization are completed within one business day of the receipt of the appeal request.
  ○ For CHIP members, make expedited appeal decisions within one business day of the receipt of all information necessary to complete the appeal, but no later than 72 hours after the date of the receipt of the appeal request.
  ○ For Medicaid (STAR and STAR Kids) members, provide notice that the member is entitled to access the State Fair Hearing process within 120 calendar days from the date of Magellan’s appeal decision.
  ○ For CHIP members, provide notice that the member is entitled to an appeal by an Independent Review Organization (IRO).
• Request review by an IRO by contacting:
  Blue Cross and Blue Shield of Texas
c/o Complaints and Appeals Department
P.O. Box 27838
Albuquerque, NM 87125-7838
Fax: 1-855-235-1055
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

Member Access to Care

Our Philosophy
Magellan believes that members are to have timely access to appropriate mental health and substance abuse services from an in-network provider 24 hours a day, seven days a week.

Our Policy
We require in-network providers to be accessible within a timeframe that reflects the clinical urgency of the member's situation. Clinical urgency is categorized as Routine, Emergent and Urgent and defined by the State of Texas as follows:

Routine—When the member's condition is considered to be sufficiently stable and not to have a negative impact on the member's condition to allow for a face-to-face assessment to be available within 14 calendar days following the request for service.

Emergent—A medical situation that is not life threatening. A non-life-threatening emergency is a condition that requires rapid intervention (within 6 hours) to prevent acute deterioration of the member's clinical state or condition. Gross impairment of functioning usually exists and is likely to result in compromise of the member's safety.

Urgent—Health care services provided in a situation other than an emergency that are typically provided in a setting such as a physician's or a provider's office or urgent care center, as a result of an acute injury or illness that is severe or painful enough to lead a prudent layperson, possessing an average knowledge of medicine and health to believe that his or her condition, illness or injury is of such a nature that failure to obtain treatment within a reasonable period of time would result in serious deterioration of the condition of his or her health (within 24 hours)

Follow up to Routine Care—health care services to evaluate patient progress and other changes that have taken place since a previous visit. Prescriber appointments should be no longer than 90 days between visits; non-prescriber appointments should be no longer than 30 days between visits.

What You Need to Do
Your responsibility is to:
• Provide access to services 24 hours a day, seven days a week.
• Inform members of how to proceed, should they need services after business hours.
• Provide coverage for your practice when you are not available, including, but not limited to an answering service with emergency contact information.
• Respond to telephone messages in a timely manner.
• Provide comprehensive screening and appropriate triage for members who present at your office or emergency room experiencing a life-threatening emergency. (Pre-authorization is not required for these services.)
• Provide services within six hours of referral in an emergent situation that is not life threatening. Non-life-threatening emergency is a condition that requires rapid intervention to prevent acute deterioration of the member's condition.
• Provide services within 24 hours of referral in an urgent clinical situation.
• Provide services within 14 calendar days of referral for routine clinical situations.
• Provide routine follow up services within 30 days of an initial evaluation.
• Provide services within seven days of a member's discharge from an inpatient stay.
• Contact Magellan immediately if member does not show for an appointment following an inpatient discharge so that Magellan can conduct appropriate follow up.
• Contact Magellan immediately if you are unable to see the member within the timeframes.
• Provide outpatient behavioral health services upon discharge from an inpatient psychiatric setting within seven days.

What Magellan Will Do

Magellan’s responsibility to you is to:
• Communicate the clinical urgency of the member’s situation when making referrals.
• Assist with follow-up service coordination for members transitioning to another level of care.
• Contact members who seek emergent or urgent services and are follow-up treatment compliant.
• Contact members who miss appointments and work with them to reschedule.
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

Local Mental Health Authority

Our Philosophy
Magellan will coordinate with the Local Mental Health Authority (LMHA) and state psychiatric facilities for treatment of members with severe and persistent mental illness (SPMI) and severe emotional disturbance (SED), as well as members committed by a court of law to a state psychiatric facility, to support and provide the most appropriate care.

Severe and persistent mental illness (SPMI) means a diagnosis of bipolar disorder, major clinical depression, schizophrenia, or another behavioral health disorder as defined by the Diagnostic and Statistical Manual of Mental Disorders, 5th Edition (DSM-5) accompanied by:
- Impaired functioning or limitations of daily living (including personal grooming, housework, basic home maintenance, managing medications, shopping, or employment) due to the disorder.
- Impaired emotional or behavioral functioning that interferes substantially with the Member’s capacity to remain in the community without supportive treatment or services.

Severe Emotional Disturbance (SED) means psychiatric disorders in children and adolescents which cause severe disturbances in behavior, thinking and feeling.

Our Policy
In coordination with the LMHA, Magellan will authorize additional behavioral health services for special populations, and will assist our providers in meeting with these requirements.

What You Need to Do
Your responsibility is to:
- Understand Medicaid (STAR and STAR Kids) standards applicable to providers.
- Meet Medicaid (STAR and STAR Kids) standards.
- Refer members to LMHA as appropriate, and accept referrals from LMHA.

What Magellan Will Do
Magellan’s responsibility to you is to:
- Operate a toll-free telephone hotline to respond to your questions, comments and inquiries.
- Establish a multi-disciplinary Utilization Management Oversight Committee to oversee all utilization functions and activities.
- Provide covered services to members with SPMI/SED when medically necessary.
• Coordinate treatment with all providers, including other behavioral health providers, medical providers and LMHAs as clinically appropriate.
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

Coordination with Texas Department of Family and Protective Services

Our Philosophy
Magellan will coordinate with all entities and stakeholders invested in the member's care.

Our Policy
Magellan collaborates with all state and legal entities involved in providing services to our members, including the Texas Department of Family and Protective Services (DFPS)—formerly the Department of Protective and Regulatory Services.

Magellan cooperates and coordinates with DFPS for a member receiving family-based services or for a member who is in DFPS conservatorship, but is not enrolled in the STAR Health program.

Magellan will provide covered court-ordered behavioral health services to members.

Magellan may participate in the preparation of the medical and behavioral care plan prior to DFPS' submitting the health care plan to the court. Any modification or termination of court-ordered services will be presented and approved by the court having jurisdiction over the matter.

What You Need to Do
Your responsibility is to:

• Provide medical records to DFPS.
• Schedule behavioral health service appointments within 14 days unless requested earlier by DFPS.
• Contact DFPS to report any suspected abuse or neglect.
• Coordinate with Magellan for services to members who have a DFPS service plan.

What Magellan Will Do
Magellan’s responsibility to you is to:

• Clearly communicate the intention of any court order and services required.
• Coordinate services for additional care that you recommend.
• Communicate with DFPS to clearly understand the intent of the court order and services required.
• Communicate with DFPS to clearly understand the intent of the court order and services required.
• Communicate with you, our provider, to ensure that you understand the intent of the court order and the services you are to provide.
• Not deny, reduce or controvert the medical necessity of any behavioral health services included in a court order.
• Participate in the preparation of the medical and behavioral care plan with DFPS prior to submitting to the court.
• Comply with all provisions related to Covered Services in the following documents:
  o A court order (Order) entered by a Court of Continuing Jurisdiction placing and child under protective custody of DFPS.
  o A DFPS Service Plan entered by a Court of Continuing Jurisdiction placing a child under the protective custody of DFPS.
  o A DFPS Service Plan voluntarily entered into by parents or person having legal custody of a Member and DFPS.
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

Referrals from Primary Care Physicians

Our Philosophy
Magellan believes that collaboration and communication among all providers participating in a member’s treatment is essential for the delivery of integrated quality care.

Our Policy
Magellan supports communication between behavioral health providers and primary care physicians (PCPs) providing behavioral health services within the scope of his or her practice.

What You Need to Do
Your responsibility is to:
- Make a referral and/or collaborate with the member’s PCP as clinically appropriate for ongoing or complex mental health or substance abuse problems.
- Talk directly to a Magellan care manager to facilitate care in an urgent situation.
- Inform Magellan of ongoing or complex mental health or substance abuse problems.

What Magellan Will Do
Magellan’s responsibility to you is to:
- Encourage PCPs to make referrals to behavioral health specialists, as appropriate.
- Encourage behavioral health providers to communicate key health information with PCPs including:
  - Initial evaluation
  - Significant changes in treatment, medication or clinical status
  - Termination of treatment.
- Encourage PCPs to obtain member authorization to communicate with behavioral health providers.
- Work with treatment providers to quickly and effectively respond to urgent care situations.
- Refer members with ongoing or complex mental health or substance abuse problems to a network behavioral health provider.
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

Advance Directives

**Our Philosophy**
Magellan believes in a member's right to self-determination in making health care decisions.

**Our Policy**
As appropriate, Magellan will inform adult members 18 years of age or older about their rights to refuse, withhold or withdraw medical and/or mental health treatment through advance directives. Magellan supports the state and federal regulations, which provide for adherence to a member's psychiatric advance directive.

**What You Need to Do**
Your responsibility is to:
- Understand and meet federal Medicaid standards regarding advance directives.
- Understand and meet state Medicaid (STAR and STAR Kids) standards regarding psychiatric advance directives.
- Maintain a copy of the psychiatric advance directive in the member's file, if applicable.
- Understand and follow a member's declaration of preferences or instructions regarding mental health treatment.
- Use professional judgment to provide care believed to be in the best interest of the member.

**What Magellan Will Do**
Magellan’s responsibility to you is to:
- Comply with state of Texas and federal advance directive laws.
- Document the execution of a member’s psychiatric advance directive.
- Not discriminate against a member based on whether the member has executed an advance directive.
- Provide information regarding advance directives to the member's family or surrogate if the member is incapacitated and unable to articulate whether or not an advance directive has been executed.
- Follow up with the member to provide advance directives information once the member is no longer incapacitated.
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

Medical Necessity Review Guidelines

Our Philosophy
Magellan is committed to the philosophy of promoting treatment at the most appropriate, least intensive level of care necessary to provide safe and effective treatment to meet the individual member’s biopsychosocial needs. Medical necessity review is applied based on the member’s individual needs including, but not limited to, clinical features and available behavioral health care services.

Our Policy
Magellan uses the American Society of Addiction Medicine (ASAM) criteria for all substance abuse treatment determinations. In addition, Magellan follows the Utilization Management Guidelines as those prescribed for use by Local Mental Health Authorities by Mental Health Mental Retardation (MHMR), for members receiving services from local community mental health centers.

What You Need to Do
Your responsibility is to:
• Be familiar with the medical necessity guidelines appropriate for the member’s condition.

What Magellan Will Do
Magellan’s responsibility to you is to:
• Communicate the specific guideline(s) used in rendering a determination.
• Make the guidelines available to you.
• Provide you with a specific clinical rationale and appeal procedures for any non-authorization determination.
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

Members with Special Needs

Our Philosophy
Magellan believes that members with Special Health Care Needs (MSHCN) should have direct access to in-network behavioral health specialists as appropriate to their condition and identified needs.

Our Policy
Magellan maintains systems and procedures for identifying MSHCN, including people with chronic or complex behavioral health conditions. For Children with Special Health Care Needs (CSHCN), Magellan refers to providers with expertise in treating children. It is our policy to review the request for services using Magellan’s Medical Necessity Criteria or the Standards for Reasonable Cost Control and Utilization Review for Chemical Dependency Treatment Centers set forth in 28 TAC Part 1, Chapter 3, Subchapter HH, §3.8001 and following criteria for substance abuse services.

What You Need to Do
Your responsibility is to:
• Coordinate with Magellan and/or the comprehensive treatment team if you are providing services to an MSHCN or CSHCN.
• Collaborate with Magellan and/or the appropriate community agencies involved in the member’s care.

What Magellan Will Do
Magellan’s responsibility to you is to:
• Coordinate with those providing services to an MSHCN or CSHCN.
• Collaborate with you and/or the appropriate community agencies involved in the member's care.
• Provide appropriate care management to assure the individual’s needs are being met.
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

Texas Fraud, Waste, and Abuse

Our Philosophy
Magellan fully supports all state and federal laws and regulations pertaining to fraud, waste, and abuse in health care and will cooperate with enforcement of these laws and regulations.

Our Policy
Magellan will fully cooperate and assist HHSC and any state or federal agency in identifying, investigating, sanctioning or prosecuting suspected fraud, waste, or abuse. Magellan will provide records and information, as requested.

What You Need to Do
Your responsibility is to:
• Report any members you suspect of committing Medicaid (STAR, STAR Kids)/CHIP fraud, waste, or abuse to:
  o Magellan
  o The Attorney General’s Office, or
  o Office of Inspector General.

• Cooperate with the Inspector General for the Texas Health and Human Services System or its authorized agent(s), the Centers for Medicare and Medicaid Services, the U.S. Department of Health and Human Services (DHHS), Federal Bureau of Investigation, Texas Department of Insurance, or other units of state government free of charge by providing all requested information and access to premises within three business days of the request.

What Magellan Will Do
Magellan’s responsibility to you is to:
• Provide you with contact information, or file the information for you with the appropriate regulatory body.
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

Court-Ordered Commitments

**Our Philosophy**
Magellan is subject to all state and federal laws and regulations relating to court-ordered commitments, and will provide services to CHIP, STAR and STAR Kids members within regulatory requirements.

**Our Policy**
Related to court-ordered commitments, Magellan will provide inpatient psychiatric covered services to members birth through age 20, and ages 65 and older, up to the annual limit, who have been ordered to receive the services: a) by a court of competent jurisdiction, including services ordered under the provisions of Chapters 573 (Subchapters B and C) and 574 (Subchapters A through G) of the Texas Health and Safety Code and the Chapter 55, Subchapter D of the Texas Family Code, or b) as a condition of probation if the member receives those services at an acute care hospital.

Exception: when the member is incarcerated.

For members between the ages of 21 and 64, Magellan may provide inpatient services for acute psychiatric conditions in a free-standing psychiatric hospital in lieu of an acute care inpatient hospital setting.

Magellan will provide covered substance abuse disorder treatment services, including residential treatment, as required: a) as a court order consistent with Chapter 462, Subchapter D of the Texas Health and Safety Code; or b) as a condition of probation.

Exception: when the member is incarcerated.

**What You Need to Do**
To comply with this policy, your responsibility is to:
- Contact the assigned Magellan care management team member by telephone if you are aware of a court-ordered commitment.
- Be prepared to provide the Magellan care manager or physician advisor with an assessment of the member’s clinical condition.

**What Magellan Will Do**
Magellan’s responsibility is to:
- Be available 24 hours a day, seven days a week, 365 days a year to respond to requests for authorization of care.
- Have a physician advisor available to conduct a clinical review in a timely manner if the care manager is unable to authorize the requested services.
- Respond in a timely manner verbally and in writing to your request.
• Within three business days after receipt of the request for authorization of services,
• Within one business day for concurrent hospitalization decisions, and
• Within one hour for post-stabilization or life-threatening conditions (for emergency behavioral health conditions, no prior authorization is required).

• Not deny, reduce or controvert the medical necessity of inpatient psychiatric services provided, pursuant to court-ordered commitments for members, birth through age 20, or ages 65 and older.
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

Mental Health Rehabilitative (MHR) Services and Targeted Case Management (TCM)

**Our Philosophy**
Magellan believes that members should have access to Mental Health Rehabilitative (MHR) Services and Targeted Case Management (TCM) as appropriate to their condition and identified needs.

**Our Policy**
Magellan has established policies and procedures for monitoring Mental Health Rehabilitative Services and Targeted Case Management and will perform oversight on compliance with these as required by state and federal laws and regulations.

**What You Need to Do**
As required in the Texas Administrative Code, Title 1, Part 15, Chapters 353 and 354 regarding Medicaid Managed Care, providers of these services must:

- Complete the Magellan credentialing application, attesting to all requirements.
- Credential staff in accordance with § 353.1415.
- Meet the information systems and medical record systems of § 353.1407.
- Demonstrate adherence to patient safety, rights, and protections as outlined in § 353.1409.
- Provide access to MH Services as defined by § 353.1411.
- Assure staff member credentialing and competence as outlined in §§ 353.1413, 353.1415, 353.1417, and 353.1419.
- Perform criminal history background checks on each staff member and applicant offered employment in accordance with § 354.2613.
- Assess member eligibility and continued eligibility as outlined in §§ 354.2651, 354.2653, 354.2701, and 354.2703.
- Perform assessments and service authorizations according to § 354.2607.
- When requesting authorization for Targeted Case Management or Mental Health Rehabilitative services, fax a copy of the completed CANS or ANSA assessment and the Texas Standard Prior Authorization Request Form for Health Care Services: [https://www.magellanprovider.com/media/11926/trfbcbstx.pdf](https://www.magellanprovider.com/media/11926/trfbcbstx.pdf) to 1-866-354-8758.
- Perform treatment planning, plan review, and discharge summaries as required in § 354.2609.
• Provide Mental Health Rehabilitation and Mental Health Targeted Case Management Services as outlined in §§ 354.2611, 354.2655, 354.2705, 354.2707, and 354.2711.
• Adhere to required documentation as outlined in § 354.2657.
• Be aware of the exclusions listed in §§ 354.2659 and 354.2717.
• Provide Medication Training and Support Services listed in § 354.2709.
• Offer appropriate Skills Training and Development Services outlined in § 354.2713.
• Provide access to Day Programs for Acute Needs according to § 354.2715.
• Understand the meanings of the terms and words in § 354.2603.

As specified in the Health and Human Services Commission (HHSC) Uniform Managed Care Manual (UMCM), Chapter 15.3 version 2.2, providers must attest annually as having completed trainings that include the following:
• Training and certification to administer the Child and Adolescent Needs and Strengths (CANS) assessment tool for members between the ages of 0-17 years and the Adult Needs and Strength Assessment (ANSA) for members 18 and older.
• Department of State Health Services Resiliency and Recovery Utilization Management Guidelines (RRUMG).
• Attest to Magellan that you have the ability to provide services to Members with the full array of MHR and TCM services as outlined in the RRUMG.
• HHSC established qualification and supervisory protocols.
• For more information on trainings and how to attest, please contact:
  
  1-800-327-7390 STAR
  1-800-424-0324 STAR Kids

**What Magellan Will Do**

Magellan’s responsibility is to:
• Review requests for authorization of MHR and TCM services, and enter authorizations as appropriate.
• Audit Comprehensive Provider Agencies to assure strict compliance with the standards as written.
• Provide feedback and a corrective action plan on the audit requirements out of compliance and audit again as needed.
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

Peer Support Services

Our Philosophy
Magellan includes in its network specialists who, under clinical supervision, provide peer support services to members recovering from behavioral health conditions. Peer support specialists have experienced mental health and/or substance use challenges themselves and are trained and certified to help others in similar situations.

Our Policy
Magellan complies with Texas Medicaid benefits for mental health and substance abuse services in the area of peer support. Peer support specialists provide services including recovery planning, assistance with finding appropriate community resources and services, and member advocacy in urgent situations.

What You Need to Do
- Review the eligibility requirements for peer specialists.
- Complete criminal history and registry checks as described in 1 TAC § 354.3201.
- Assure that any individual providing peer support services has completed all the training and certification requirements as outlined in 1 TAC § 354.3155.
- Provide supervision as required.
- Follow the prior authorization as required and bill with the appropriate HCPC codes, including modifiers.

What Magellan Will Do
- Review requests for peer specialists’ services and authorize services based on medical necessity.
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

STAR Kids Service Coordination

STAR Kids members have access to service coordination services to provide the member with initial and ongoing assistance identifying, selecting, obtaining, coordinating, and using covered services and other supports to enhance the member’s well-being, independence, integration in the community, and potential for productivity. Service coordination is used to:

1. Provide a holistic evaluation of the member’s individual dynamics, needs and preferences.
2. Educate and help provide health-related information to the member, the member’s Legal Appointed Representative and others in the member’s support network.
3. Help identify the member’s physical, behavioral, functional, and psychosocial needs;
4. Engage the member and the member’s Legal Appointed Representative and other caretakers in the design of the member’s Individual Service Plan;
5. Connect the member to covered and non-covered services necessary to meet the member’s identified needs
6. Monitor to ensure the member’s access to covered services is timely and appropriate
7. Coordinate covered and non-covered services; and
8. Intervene on behalf of the member.

BCBSTX offers service coordination for STAR Kids members and works collaboratively with providers and members to assess member health needs. A person-centered care plan is created detailing supports and/or services the members may require along with the member’s individual health goals. A Service Coordination team assists with coordinating long term services and supports such as personal care services (PCS) and minor home modifications. To reach a Service Coordinator, please contact:

Service Coordination: 1-877-301-4394
Service Coordination TTY: 711
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

Screening, Brief Intervention, and Referral to Treatment (SBIRT)

Our Philosophy
Magellan believes in early intervention and treatment services for client with or at risk for substance use disorders.

Our Policy
Magellan makes the determination for the most appropriate level of care based on clinical appropriateness, eligibility, benefits and coverage at the time of the referral.

What You Need to Do
Your responsibility is to:
• Complete at least four (4) hours of SBIRT Training and maintain proof of training in your place of service.
• Notify Magellan of your interest in providing this service and complete Magellan attestation as documentation of training.
• Use standardized tools to complete screening.
• Provide brief intervention as appropriate, using motivational interviewing techniques.
• Follow the guidelines in Section 7 of the Behavioral Health and Case Management Services Handbook.
• If it is determined that the client needs more intensive treatment or is at severe risk for alcohol or substance abuse, contact Magellan at the number listed below:
  o 1-800-327-7390 STAR
  o 1-800-424-0324 STAR Kids

What Magellan Will Do
Magellan’s responsibility to you is to:
• Provide you with access to the training attestation.
• Provide you with the member’s benefit and participating network information to assist you in making a referral to another provider if you are not able to treat this member.
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

Substance Use Referrals for STAR, STAR Kids and CHIP Members

Our Philosophy
Magellan believes in referring members to the appropriate level of care when it is identified that a member has a substance use disorder.

Our Policy
Magellan makes the determination for the most appropriate level of care based on clinical appropriateness, eligibility, benefits and coverage at the time of the referral.

What You Need to Do
Your responsibility is to:

• Contact Magellan when, while assessment or treatment, you have determined additional treatment for the member’s substance use disorder is needed, such as inpatient, residential, partial hospitalization, intensive outpatient treatment (IOP), or Medication-Assisted Treatment (MAT).

• Provide Magellan with a thorough assessment of the member, including, but not limited to, the following:
  o Symptoms
  o Precipitating event(s)
  o Potential for harm to self or others
  o Level of functioning and degree of impairment (as applicable)
  o Clinical history, including medical, behavioral health, and alcohol and other drug conditions or treatments
  o Current medications
  o The DSM diagnosis in effect at the time of service

• Contact Magellan at the number listed below:
  o 1-800-327-7390 (STAR/CHIP)
  o 1-800-424-0324 STAR Kids

What Magellan Will Do
Magellan’s responsibility to you is to:

• Make the determination regarding the most appropriate level of care.

• Provide you with the member’s benefit and participating network information to assist you in making a referral to another provider if you are not able to treat this member.
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

Disease Management Program

Our Philosophy

Our philosophy is that chronic behavioral conditions with or without comorbid or co-occurring medical conditions often yield better overall health outcomes when traditional treatment is supported by personal health coaching and case management. Through Magellan’s telephonic member disease management programs, health coaches and care managers provide supplemental education and telephonic coaching services to our members to help them self-manage their condition on a day-to-day basis. Our health coaches and care managers provide outreach services and are available to respond to questions or requests for documented educational information coordinating services across all treating providers.

Our Policy

Magellan’s policy is to provide educational information, self-help tools and telephonic personal health coaching to members identified and enrolled in our case management programs. These services are provided in support of, and do not replace, the advice and treatment provided by doctors and behavioral healthcare specialists.

What You Need to Do

Your responsibility is to:

- Familiarize yourself with the program;
- Contact the Magellan care manager if you have questions about the program or an enrolled member whom you are treating, or to suggest the program for one of your eligible members; and
- Encourage program-eligible members in treatment with you to take advantage of disease management services.

What Magellan Will Do

Magellan’s responsibility is to:

- Provide notification to you when a member you are treating is enrolled in the disease management program;
- Inform you of how Magellan coordinates interventions with treatment plans for individual members;
- Support you in your interactions with members and decisions regarding care and treatment;
- Provide courteous and respectful service; and
- Monitor clinical outcomes.
SECTION 3: THE ROLE OF THE PROVIDER AND MAGELLAN

Health and Human Services Commission’s MTP for STAR Kids

The Medical Transportation Program (MTP) is provided by Texas Health and Human Services Commission (HHSC) where STAR Kids members can receive transportation assistance to get to and from a provider, hospital or drug store. HHSC will do one of the following:

- Pay for a bus ride or ride sharing service
- Pay a friend or relative by the mile for the round trip
- Provide gas money directly to the member/parent/guardian
  If a member has to travel out of town for services, HHSC may pay for lodging and meals for the member and the member’s parent/guardian.

To be approved for transportation the member must not have any other way to get to the Medicaid-related health visit. There are two steps to arranging transportation that need to be completed.

1. Requests should be made at least two business days in advance. If the travel distance to the provider is outside of town, arrangements should be made at least 5 business days in advance. Requests made on the same day as the service are not guaranteed.
2. At the time the request for transportation is made the following information should be supplied: Medicaid ID number, address where the member should be picked up along with telephone number, the name and address of the provider where the member will be seeking treatment and/or service, the date and time of the visit, any special needs of the members.

To request services, please contact 1-877-633-8747.
SECTION 4: THE QUALITY PARTNERSHIP

Complaint and Complaint Appeal Process for Members and Providers

Our Philosophy  
Magellan believes that members and providers have the right to express comments related to care, service or confidentiality, to have those concerns thoroughly investigated, to receive a timely, comprehensive and professional response to concerns, and to have the right to appeal a complaint determination.

Our Policy  
Our policy is to follow all regulations for Medicaid (STAR, STAR Kids) and CHIP member services.

What You Need to Do  
Your responsibility is to:

- Refer to the specific procedures for filing a complaint as directed in the administrative unfavorable determination or medical necessity adverse determination letter. Refer to the complaint resolution letter for information about how to appeal the complaint resolution.
- Contact Magellan by telephone, email or U.S. Mail to file a complaint.

What Magellan Will Do  
Magellan’s responsibility to you is to:

- Provide a toll-free number to use to file a complaint.
- Provide assistance in the filing process, if needed.
- Acknowledge a complaint within five business days of receipt.
- Resolve complaints within 30 calendar days.

Complaint Appeals  
Magellan follows all requirements in responding to complaint appeals. This includes the following:

1. The member must submit a complaint appeal within 30 days of the date of receipt of the complaint resolution letter. Instructions for the appeal process are included in this letter.
2. A complaint form will be included in the acknowledgment of a verbal complaint.
SECTION 5: PROVIDER REIMBURSEMENT

Texas Provider Reimbursement for Professional Services

Our Philosophy  
Magellan is committed to reimbursing our providers promptly and accurately in accordance with our contractual agreements.

Our Policy  
Magellan reimburses mental health and substance abuse treatment providers using current procedural terminology (CPT) fee schedules for professional services. Magellan will deny claims not received within applicable state mandated or contractually required timely filing limits.

What You Need to Do  
In addition to your responsibilities outlined in the National Provider Handbook, you need to:

- Collect copayments from CHIP members. Medicaid (STAR and STAR Kids) members are not required to pay a copayment.
- Submit your claim for reimbursement promptly after the date of service or discharge (must be within 95 days).
- Telehealth claims should be filed with a modifier of 95.
- Submit complete and accurate data elements on your claims. (See the Elements of a Clean Claim appendix of the Magellan National Provider Handbook located at www.MagellanProvider.com.)
  - Submit claims with the **license-level** modifier that represents the treating provider’s license level if you are an organizational provider or an individual provider submitting professional service claims (CPT code related services) as part of an organization (using the organization’s Taxpayer Identification Number).
  - Use the appropriate modifier associated with the degree level of the individual providing the service. (Magellan processes claims using the organization’s record, and the license-level modifier provided on the claim communicates the correct rate for reimbursement.)

For your reference, we have included a table below defining the modifiers by degree/license level.

For more information on reimbursement coding requirements, visit our provider website at [www.MagellanProvider.com](http://www.MagellanProvider.com) and go to *Getting Paid/HIPAA*.

Submit claims to:
- P.O. Box 2154
- Maryland Heights, MO 63043

For questions, contact:
- STAR and CHIP at: 1-800-327-7390
- STAR Kids at: 1-800-424-0324

**What Magellan Will Do**

In addition to the responsibilities outlined in the National Provider Handbook, Magellan’s responsibility to you is to:

- Review our reimbursement schedules periodically in consideration of industry standard reimbursement rates and revise them when indicated.
- Provide a toll-free number for you to call for provider assistance. That number is 1-800-788-4005.
- Provide 90 days’ notice prior to the implementation of changes to claims guidelines.
- Provide a paper or electronic copy of the fee schedule. To request this, please contact 1-800-788-4005.
SECTION 5: PROVIDER REIMBURSEMENT

Overpayments

Our Philosophy
Magellan is committed to reimbursing our providers promptly and accurately in accordance with our contractual agreements.

Our Policy
Magellan has a mechanism in place through which network providers report overpayments.

What You Need to Do
If a network provider determines that an overpayment has been made, the provider must notify Magellan of the suspected overpayment and the amount of the overpayment within 60 days of identification that an overpayment has been made. "Identification" means that the network provider has or should have, through the exercise of reasonable diligence, determined that he/she has received an overpayment and has determined the amount of the overpayment. Documentation should be forwarded to:

P.O. Box 2154
Maryland Heights, MO 63043

For questions, contact:

STAR and CHIP at: 1-800-327-7390

STAR KIDS at: 1-800-424-0324

What Magellan Will Do
Upon receipt of the notification of overpayment, Magellan will review the provided documentation and adjust claims, accordingly.
