Authorization Process

Magellan uses our streamlined clinical management model for outpatient treatment for Devoted Health Medicare Advantage members. In this model, for most outpatient cases, providers do not need to preauthorize routine outpatient services or submit treatment request forms for continued care.

To request inpatient member care or non-routine outpatient services, contact us at 1-800-776-8684.

For additional information about authorization, go to www.MagellanProvider.com, select *Providing Care*, then *Initiating Care*, then *Authorization*.

Claims Processing

We encourage providers to submit claims electronically for services rendered to Devoted Health members either through direct submit, an approved clearinghouse, or Magellan's *Submit a Claim Online* application – available by securely logging in to www.MagellanProvider.com (or the sites of Magellan's contracted vendors, as directed). Magellan's Payer ID number is 01260.
