

## How to access Office-Injectable Policies on blueshieldca.com Provider Portal

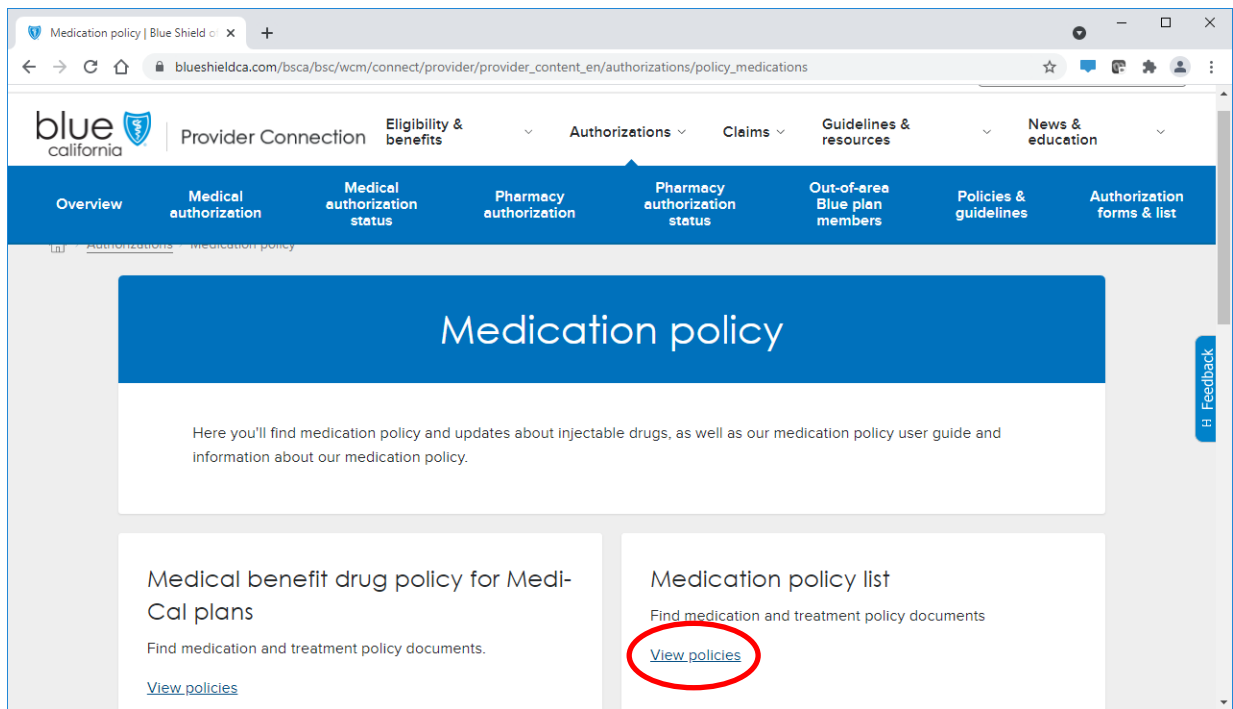

1. Type blueshieldca.com in your browser
2. To access the Provider Portal, click on "Providers" in the top right corner

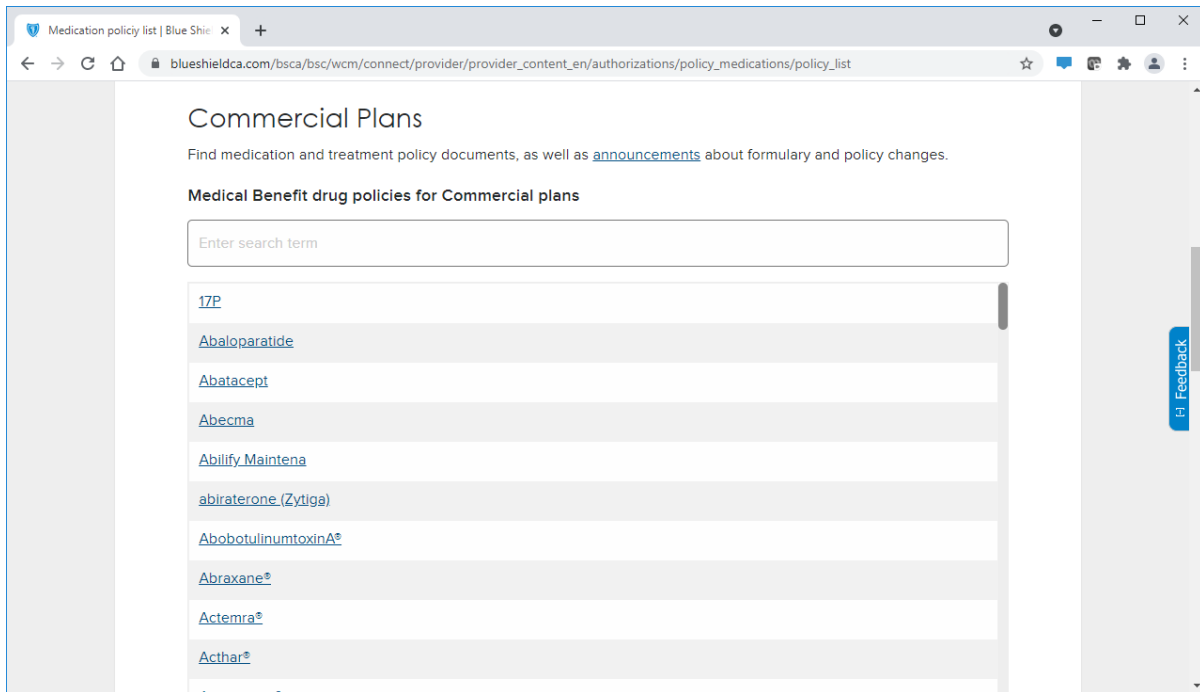

3. Click on the Authorizations section, as noted above
4. Then click on "Policies & Guidelines"

5. Click on "Medication Policy"

6. Click on "View policies" under Medication policy list

7. The Office-Injectable Medication Policies are located under the Medical drug policies for Commercial plans search
  - The drugs on this page are listed alphabetically by both brand and generic names. For example, you can find the Orenzia policy under "Abatacept" and "Orenzia"
  - You can also type in the name of the drug (by brand or generic), and the matching policy PDF link will populate in the list
